Introduction

Welcome to Scotiabank

...where we make it easy for you to do all your banking. We know everyone has their own way of banking and their own unique set of banking needs. With our full range of banking services, we’re sure you’ll find the right combination to meet your needs. Providing services that are easy to use and convenient for you is our top priority.

Whether you’re starting a family in a new home, building investments for your future, saving to put your kids through college, or opening your first bank account, Scotiabank has a banking service for you... and for the way you prefer to bank. In fact it all comes down to your preference for how you want to do your banking, along with the number and type of transactions that you make every month.

Scotiabank understands that you may feel most at home banking with an Advisor in your branch. Or maybe you prefer to use our online, mobile, telephone and ABM self-service banking options at your convenience. Whatever your financial needs or your schedule, we strive to enable you to manage your money in the manner that suits you best.

We know everyone is concerned about the cost of bank fees, so we’ve designed a variety of accounts and plans based on the number and type of transactions that you need to do each month. We’ve included some tips on how to save money on bank fees in addition to the fees for other services that you may use from time to time. Depending on the type of account you choose, however, these services may be included.

So what’s in this booklet?

We explain the types of services we offer to Scotiabank customers along with the terms and conditions that govern those services, or what we call our personal banking services agreements.

Most important of all, is the way we manage your personal information, and that’s where our commitment to privacy comes into effect. We believe strongly that it forms the basis of our relationship with you. So we present that commitment to you first in the agreements section.

Satisfaction Guarantee

From time to time we make changes to our account features and fees. If you receive a statement with your account, we will notify you of any upcoming changes to your account features and fees by mailing you a notice with your statement. For accounts with multiple account holders, we will send the notice only to the account holder who currently receives the statements. We also display notices in our branches, on Scotia OnLine and at our ABMs 60 days prior to making any changes to the fees. When we make changes, as always, we want you to select the best account to help you save on fees. If you are not satisfied with changes to your account you may select...
an alternate Scotiabank account within 90 days of the effective date of the changes. On request we will refund the difference, if any, between the fees that you have paid and the fees that you would have paid had you selected the alternate account on the effective date of the changes.1

Opening A Personal Deposit Account

We make it easy to open a personal deposit account at Scotiabank. Simply visit any of our branches and speak to a branch representative to make arrangements to open an account, or contact us at 1-800-4SCOTIA (1-800-472-6842) or visit www.scotiabank.com.

You’ll also receive a ScotiaCard® banking card. We ask you to select a personal identification number (PIN) to use with your card. When you use your PIN with your ScotiaCard banking card you are providing us with your electronic signature and we consider all transactions made this way to be authorized by you. Further details and the terms and conditions of use for your ScotiaCard banking card are described in this booklet.

This booklet contains detailed information on the fees associated with our personal bank accounts and related services.

Confirming Your Identity

When you open your personal deposit account at a Scotiabank branch, you will be required to present to us certain pieces of personal identification. Further details about what qualifies as acceptable identification can be found at www.scotiabank.com and in the brochure entitled “Day-to-Day Banking: Opening a Personal Account or Cashing a Federal Government Cheque at Scotiabank, Cheque Holding Policy” which is available at all Scotiabank branches.

Individuals under the age of 12 years:

- A parent or legal guardian must open the account for the individual;
- The parent or legal guardian must provide one piece of original acceptable government-issued photo identification or documents from two independent reliable sources to confirm his or her own identity.

In addition, if in your capacity as legal guardian for the individual, you ask us to open a personal deposit account for the individual, you must provide us with a certified copy of the legal document verifying your legal guardianship of the individual.

Individuals 12 – 15 years of age:

- Confirm his or her own identity by providing either:
  - One piece of original acceptable government-issued photo identification or documents from two independent reliable sources; or
  - One document from the minor containing their name and date of birth and one document from the parent or guardian containing their name and address; or
  - One piece of acceptable identification if your identity is also confirmed by a client in good standing in the community where your branch is located.
Collecting and recording your information

We will only ask you for information that we need for the purposes set out in the Scotiabank Privacy Agreement, which can be found in this booklet.

In addition to confirming your identity, we also collect certain mandatory information about you such as your full name, home address (if any), date of birth and occupation or type of business (if any).

When opening an account, we may have to ask you some additional questions to comply with government regulations. We will collect and record all pertinent information regarding you, including beneficial owners, intermediaries and other interested parties and will establish the purpose and intended nature of each relationship. Where applicable, we will record the type, volume and frequency of expected account activity and we will make enquiries into the source of incoming funds or assets.

We will ask you questions to determine whether your account will be used by or for the benefit of a third party. If so, particulars of the third party and their relationship with you will be obtained and recorded prior to establishing the relationship.

We can refuse your request to open a personal deposit account for certain legal reasons but, if we do, we’ll inform you about this in writing.

Verifying Your Information

We will take reasonable and appropriate measures to verify the key information provided by you with reliable independent sources. We will refuse to enter into or continue relationships or conduct transactions with any person that insists on anonymity or provides false, inconsistent or conflicting information where the inconsistency or conflict cannot be resolved after reasonable inquiry.

Monitoring and updating your information

As set out in the Scotiabank Privacy Agreement, we may monitor your account to meet our legal and regulatory obligations. We will keep information regarding you and your financial activities as accurate, complete and up-to-date as necessary to fulfill the purpose for which it was collected. When changes in your financial behaviour become apparent, we will take steps to determine the underlying reasons.

If any personal information changes or becomes inaccurate or out of date, you are required to advise us so we can update our records.

What other information may I be asked to provide

There are other requirements that might prompt the Bank to ask you for more information about the transaction you are conducting. For instance, you may be asked whether you are acting on behalf of a third party while conducting your transaction.
Deposit Insurance

The Bank of Nova Scotia is a member of Canada Deposit Insurance Corporation (CDIC). Subject to maximum coverage limitations, CDIC insures eligible deposits you make with Scotiabank. For more information on deposit insurance refer to page 76, CDIC - Protecting your Deposits.

The Bank of Nova Scotia maintains a Deposit Product List of the eligible deposits it offers. You can review and obtain the Scotiabank Group Deposit Product List on the Scotiabank website at www.scotiabank.com or at your Scotiabank branch.

Current Interest Rates:

For information on current interest rates visit www.scotiabank.com or contact us at 1-800-4SCOTIA (1-800-472-6842).
General Information about Personal Accounts

Personal deposit accounts belong to the owner or owners of the account. They may not be used for business and they cannot be transferred to anyone else. We reserve the right to prevent use of your account without notifying you in advance if we suspect illegal, unauthorized or fraudulent use of the account, including transactions relating to illegal internet gambling.

When you open an account at Scotiabank, you can depend on us to maintain the confidentiality of your information, subject to the terms and conditions of the Scotiabank Privacy Agreement set out in this booklet.

The Deposit Account Agreement in this booklet details the roles and responsibilities of an account holder.

General information about powers of attorney is set out in the section entitled “Powers of Attorney” in this booklet.

We offer a variety of accounts and plans which package banking services for you. Some of these accounts have eligibility requirements. For example, our *Getting There Savings Program* for Youth account is only available to people under 19 years of age. Our Seniors’ Discount is available to customers 60 years of age or older. When you request a service that has an eligibility requirement, you must meet that requirement.

We have 4 categories of accounts and plans:

- Day-to-Day Banking Accounts;
- Special Feature Plans;
- Savings Accounts;
- Foreign Currency Accounts.

You can count on Scotiabank service, no matter how you need to access your account:

- You can visit any of our branches;
- Use ABMs (Scotiabank’s Automated Banking Machines or those of any other financial institution displaying the *Interac* symbol or the Visa/PLUS symbol abroad);
- Make direct payment purchases from your account;
- Set up pre-authorized payments;
- Conduct transactions over the telephone or internet; or
- Issue instructions to us in writing.
A few notes about processing your transactions

Scotiabank’s Cheque Hold Policy on cheque deposits made to a personal deposit account

For purposes of this policy, “cheque” includes negotiable items such as cheques, certified cheques, and bank drafts.

When you deposit a cheque into your personal deposit account, you may not always be able to access or cash the funds right away. We may place a hold on funds throughout the hold period set out in our policy. In some instances, the cheque may be returned as invalid or otherwise after the hold period has expired. Ultimately, you are responsible to us for any cheque that you deposit that is returned to us, regardless of whether any hold period has expired.

If you deposit a cheque which is encoded with magnetic ink character recognition and not damaged or mutilated, the maximum hold period that we will place on that cheque is as follows:

- Cheques drawn on a financial institution’s branch located in Canada;
  - Canadian dollar cheques, maximum hold period of 4 business days after the day of deposit.
  - U.S. dollar cheques, maximum hold period of 9 business days after the day of deposit.
- Cheques drawn on a financial institution’s branch located in the United States, maximum hold period of 19 business days after the day of deposit;
- Cheques drawn on a financial institution’s branch located outside of Canada or the United States, maximum hold period of 29 business days after the day of deposit.

For these purposes, the term “business day” refers to regular weekdays only and excludes Saturdays, Sundays or statutory federal holidays.

We may extend the maximum hold period if we have reasonable grounds to believe there may be illegal or fraudulent activity in relation to an account.

"CashBack limit" may be set-up on your ScotiaCard which allows you to withdraw funds up to a pre-authorized limit against your deposit, immediately or at a later time.

The length of time you have dealt with the Scotiabank branch, the amount of funds already in your account, and the amount and characteristics of the cheque being deposited may all influence whether the funds will be held.

Some cheques may be sent on “collection”, meaning that the funds will be credited to your account only if and when the cheque clears the other financial institution and the funds have been received by Scotiabank.
Scotiabank’s Hold Policy on transfers from another financial institution

You may choose to make scheduled transfers weekly, every two weeks, twice a month, monthly, every two months, quarterly, every four months, semi-annually or annually from one of your bank accounts at another financial institution to your Scotiabank personal deposit account. Please ensure that your bank account at the other financial institution has sufficient funds on the day before the pre-authorized transfer date. We reserve the right to place a hold on the transferred funds in your Scotiabank personal deposit account for up to five (5) business days to ensure that the debit from your other bank account has been completed.

Consider the benefits of Direct Deposit

You can arrange for electronic direct deposit of most employer pay-cheques and government payments. That way, the funds go directly into your account, and access to the funds is available immediately on the day of deposit. Authorizing a Direct Deposit will ensure timely receipt and access to funds in the event of postal strike delays.

Cheques you deposit may be returned

Canadian and U. S. federal laws allow member institutions to remove an original paper cheque from the cheque payment system, capture its image electronically and destroy the original item. As a result, if you negotiate a cheque that is processed through the cheque payment system and it is subsequently returned, you might receive a paper reproduction of the cheque, an “image printout”, instead of the original paper cheque. The paper reproduction is the legal equivalent of the original cheque.

The reasons a cheque you deposit may be returned by another financial institution include the following:

- **Account Closed**: The account on which the cheque is drawn is closed.
- **Counterfeit Cheque**: The owner of the account denies issuing the cheque.
- **Duplicate Payment**: The cheque has already been deposited through Scotiabank or another financial institution.
- **Forged or Unauthorized Signature**: The signature on the face of the cheque is not the signature of the person that it purports to be or is not authorized to sign on the account.
- **Funds Frozen/ Funds Not Cleared**: A “hold” has been placed on funds in the account on which the cheque is drawn.
- **Irregular Signature**: The signature on the face of the cheque does not match the usual signature of the person that it purports to be.
- **Materially Altered Cheque**: The owner of the account says the cheque has been altered without authorization.
- **NSF**: Non-sufficient funds means there is not enough money in the account on which the cheque is drawn.
- **Payment Stopped**: The owner of the account has requested the cheque not be paid.
Postdated: The date on the cheque is in the future.
Refer to Maker: The owner of the account who issued the cheque is to be contacted to determine the reason for the return.
Stale Dated: The date on the cheque is 6 months or older.
Words and Figures Differ: The written and numerical amounts on the cheque don't match.

Foreign exchange
If you deposit a cheque that was drawn in a foreign currency and the cheque is returned to us, you will be responsible to repay to us the Canadian dollar equivalent of that cheque at the time that it is returned to us. We are not responsible for any increase or reduction in the value of the cheque due to changes in foreign currency exchange rates.

Electronic Funds Transfer (EFTs), Telephone Funds Transfers (TFTs) and Wire Transfers
We reserve the right, in our sole discretion, to investigate an EFT, TFT or Wire Transfer in any circumstance in which we consider it reasonable to do so including, without limitation, in the following circumstances:
• To meet our legal and regulatory requirements;
• To manage and assess our risks; and
• To prevent actual or potential loss in connection with illegal activity.
An account credit for funds received by EFT, TFT or Wire Transfer may be delayed or refused as a result of us exercising our above described rights of investigation.

Processing your pre-authorized payments
A pre-authorized payment (also called a pre-authorized debit) is a withdrawal from your account made by a company that has your written authority to do so. They are a convenient substitute for postdated cheques when you have to pay the same bill every week or month.
You must sign and submit to the company you are paying, an authorization form provided by the company. The form should specify the amount, frequency and account number from which the funds are to be withdrawn.
For payments that vary in amount with each bill, the company must provide you with notice of the amount to be debited at least ten days before payment is due. It is your responsibility to maintain sufficient funds in your account to cover the payment. If the company asks you to provide a blank cheque with the authorization form, do so, but:
• Do NOT sign the cheque;
• Write VOID across the face of the cheque;
• Record the VOID cheque in your banking records.
Keep a copy of the authorization you signed and check to see if it includes the procedures to cancel the payment agreement or to correct an improper withdrawal. If it doesn’t, ask the company for the procedures.
Scotiabank does not verify a company’s request for a pre-authorized payment. We treat the request as though you authorized it.

**Issuing a stop payment on a cheque**

When you ask us to stop payment on a cheque you have issued and we act on your request, you agree to pay any costs and expenses incurred to do so. Naturally if the cheque has already been negotiated before we receive your request, we are not liable for stopping payment.

For example, you would earn $8.50 Money Back from a Qualified Purchase that
Day-to-Day Banking Companion Booklet

totaled $850 (including applicable taxes). For each Qualified Purchase, the Money Back amount will be rounded to the nearest cent\(^1\).

For joint Scotiabank Momentum Chequing Account holders who each have a separate *ScotiaCard* linked to the same Scotiabank Momentum Chequing Account, all Qualified Purchases made on each *ScotiaCard* will count towards the annual $30,000 maximum.

**Payment of Money Back Earned**
Money Back earned during the period from November 1st to the following October 31st of each year will be paid as a credit to your Scotiabank Momentum Chequing Account, on the last business day of the following November. You will be eligible to earn Money Back beginning on the date that your Scotiabank Momentum Chequing Account is first opened.

You will not be eligible to receive any Money Back if you have switched to a different account or if your Scotiabank Momentum Chequing Account is frozen by us or closed on the date that your annual Money Back amount would otherwise have been awarded.

**Qualified Purchases**
Money Back will be calculated and awarded only for the following debit purchases made from your Scotiabank Momentum Chequing Account, using your *ScotiaCard* banking card (each, a “Qualified Purchase”):

- *Interac\(^{†}\)* Debit - Debit point of sale transactions made from your Scotiabank Momentum Chequing Account;

Verifying your Money Back Amounts

You must promptly review any paperless or paper statements we provide to you, that set out your Qualified Purchases. Special Feature Plans

**Getting There Savings Program® for Youth**

The *Getting There Savings Program* account is available to customers under 19 years of age. It is an excellent way for minors to learn the basics of good money management by saving each month.

- Funds in the account belong to the minor account holder;
- If a parent(s)/guardian(s) opens the account, the signing authority for the parent(s)/guardian(s) will continue indefinitely until the parent(s)/guardian(s) (at any time) or the minor (after the minor’s 16th birthday) make arrangements in writing to cancel the parent’s/guardian’s signing authority. The minor may request signing authority, without the parent(s)/guardian(s) consent, when he/she turns 16 years of age. For account(s) opened before December 31, 2004, the parent(s) or guardian(s) must be present to transfer signing authority;
- When the account holder turns 19 years of age, the account will automatically be converted to an account that is suitable based on the account holder’s recent transaction behavior. Account holders will be reminded by email, through *Scotia OnLine* or by regular mail prior to conversion and have the option to change the account type.

**Interest**

The interest rate varies based on the balance in your account. Interest is paid on the portion of the daily closing balance within the specific tier and paid monthly.

Savings Accounts

Scotiabank MomentumPLUS Savings Account

The Scotiabank MomentumPLUS Savings Account is a no monthly fee, high interest savings account that helps you save by paying you a Regular Interest on your entire balance, and Premium Interest for keeping your money saved.

This account is available to individuals who are Canadian residents. It cannot be held within a registered plan. If this account has multiple account holders, the signing arrangement is deemed to be “any to sign” and no other signing arrangement is available. Please refer to the Deposit Account Agreement for important information about the “any to sign” signing arrangement.

Regular Interest

Regular Interest is calculated daily on your closing balance and paid monthly based on the annual Regular Interest Rate. Regular interest is stated as an annual rate.

Premium Interest

Customers can have a maximum of five Premium Periods at any one time, each of which can have a length of 90 days, 180 days, 270 days, or 360 days.

For each Premium Period, Premium Interest is calculated daily by applying the Premium Interest Rate to each deposit, including any accumulated Regular Interest, until the end of the Premium Period.

Premium Interest is paid at the end of each Premium Period, so long as no debit transaction has occurred within that Premium Period. When a debit transaction occurs, within a particular Premium Period, no Premium Interest is payable for that Premium Period and a new Premium Period of the same length will commence the same day.

Examples of debit transactions include withdrawals, transfers (including transfers to your other Scotiabank accounts and between Premium Periods within your MomentumPLUS Savings Account), and transaction-related service fees.

The applicable Premium Interest Rate for a deposit,

(i) is determined based on the length of Premium Period; or

(ii) if the deposit is made after the commencement of the Premium Period, it is determined based on the number of days remaining in the Premium Period:
<table>

<tr>

<td>270-Day Premium Interest Rate</td>
</tr>
<tr>

<td>360-Day Premium Interest Rate</td>
</tr>
</tbody>
</table>

Premium interest rate is stated as an annual rate.

**Changes to interest rates**

Regular Interest Rates and Premium Interest Rates are subject to change at any time. Changes to Regular Interest Rates will apply immediately.

The Premium Interest Rate applicable to an existing deposit is guaranteed until the end of the applicable Premium Period, however, any changes to the Premium Interest Rate will be applied to subsequent deposits made to that Premium Period.

Refer to Current Rates on www.scotiabank.com for current Regular Interest Rates and Premium Interest Rates as well as the lengths of Premium Periods available, which are subject to change.

A $5.00 per-transaction fee applies on all other debit transactions.

If this account has multiple account holders, the signing arrangement is deemed to be “any to sign” and no other signing arrangement is available. Please refer to the Deposit Account Agreement for important information about the “any to sign” signing arrangement.

Interest

Interest is calculated daily and paid monthly. The annual interest rate used to calculate interest is based on the tier within which your daily account closing balance falls. Refer to Current Rates on www.scotiabank.com for current interest rates and tiers, which are subject to change.

Other Banking Services and Fees

While our accounts and special feature plans include a variety of banking services in the monthly fee, you may occasionally need other banking services. When the services you need are not included in the account package, there is a fee for these services. We don't want you to be surprised when you receive your statement, update your passbook or come into one of our branches when you need any of these services so we're listing them here for you.

If you change your account in the middle of a month to an account with a different fee structure, all the transactions in your account during that month (including those that happened before the change) will be subject to the fees charged to the account type you have at the end of that month.

The fees applicable to U.S. dollar accounts or Euro accounts are in U.S. dollars or Euro currency, respectively. Internal Branch debit transactions (e.g., Scotiabank mortgage, SPL payments, Safety Deposit Box payment) and Scotiabank investment purchases (e.g. GICs, mutual funds) are processed free of charge.

* For funds coming into Scotiabank Canada, use swift code: NOSCCATT. If funds are coming into Scotiabank US, use swift code: NOSCUS33. Scotiabank’s Routing number is: 026002532.

For the SWIFT code for Scotiabank in any other country, do a search on SWIFT code on the http://www.scotiabank.com/ and select the appropriate country under the search results.

A SWIFT or BIC (Bank Identifier Code) is used when transferring money between banks, usually for international transfers.

IBAN (International Bank Account Number) is used in addition to the BIC code in some European countries. Scotiabank does not have an IBAN code, providing the appropriate SWIFT code/branch address is sufficient for International outgoing Wire transfers. The sender of the payment should obtain the correct IBAN code for the recipient of the outgoing transaction.

The Routing Number identifies the specific financial institution responsible for the payment of a negotiable instrument. Note the Routing number is not the same thing as an IBAN code.

** All fees are charged in the currency of the account.

Powers of Attorney

A Power of Attorney is a legal document that you sign to give one or more persons the authority to manage your money and property on your behalf. In most of Canada, the person(s) you appoint is called an “attorney”. The person(s) you choose does not have to be a lawyer.

Among other requirements, you must be mentally capable at the time you sign any type of Power of Attorney for it to be valid. As the legal definition of mental capacity varies based on the laws in each province or territory, it may be advantageous to seek legal counsel in this regard. You also can make changes to or cancel a Power of Attorney at any time, as long as you are mentally capable.

Scotiabank can provide you with a Power of Attorney Form in the event you do not have one already. This form will only cover transactions with Scotiabank. You should be careful to ensure there is no conflict between the Scotiabank form and any other Power of Attorney you may have signed. Advice from a legal professional can be beneficial to identify whether there may be conflicts between a Scotiabank Power of Attorney form and any existing Power of Attorney you may have. However, you are not required to use this form. If you feel that you require a Power of Attorney, we encourage you to obtain one, along with guidance, from an outside source such as a lawyer or notary.

Scotiabank requires two pieces of original and current identification and specimen signature for the attorney, as well as an original or original notarized copy of an existing Power of Attorney.

Scotiabank is committed to providing its customers with the highest level of service. When a customer or attorney presents a Power of Attorney at a Scotiabank branch, it will be thoroughly reviewed. The complexity and sufficiency of the information provided to us will influence the time it takes us to review the document, but we will share the outcome of that review as quickly as possible.

More information regarding powers of attorney, including advantages and disadvantages of establishing one is available on the Government of Canada’s website: http://www.seniors.gc.ca/eng/working/fptf/attorney.shtml ‘What every older Canadian should know about Powers of Attorney (for financial matters and property) and Joint Bank Accounts’.

Contacting the Financial Consumer Agency of Canada (FCAC):

The FCAC supervises federally regulated financial institutions to ensure they comply with federal consumer protection laws. For example, financial institutions must provide consumers with information about fees, interest rates and complaint-handling procedures. They must also provide proper notice of closing a branch and, subject to certain conditions, must cash a federal government cheque up to $1,500 and open a deposit account when acceptable identification is presented. If you have a complaint about such a regulatory matter, you can contact the FCAC in writing at:

Online Banking and Mobile Banking passwords or passcodes can be changed by using the applicable reset password or reset passcode function.

Expiry Date

Your ScotiaCard has an expiry date. A new ScotiaCard will be re-issued to you before the expiration date on the ScotiaCard. You agree not to use your ScotiaCard after its expiry date.

Automated Banking Services

Once your ScotiaCard is activated, you can access the Automated Banking Services by using your ScotiaCard and your Electronic Signature, or Written Signature where applicable. You may also use your ScotiaCard without the Electronic Signature or Written Signature for Interac® Flash Transactions and Card Not Present Transactions at participating merchants. You will have the same rights and responsibilities for transactions that do not require an Electronic Signature or Written Signature as you would have had using your ScotiaCard and Electronic Signature or Written Signature.
In addition to the various other Automated Banking Services you will have access to by using your ScotiaCard, you will be able to obtain cash advances at designated ABMs from your Scotiabank Visa* card, your ScotiaLine® for business Visa* card, your Scotiabank American Express card, your ScotiaLine® personal line of credit and your ScotiaLine® personal line of credit for students accounts if:

- Automated Banking Services access via your ScotiaCard to these designated Accounts has been pre-arranged;
- your Accounts are in good standing, and
- your Account credit limit will not be exceeded by doing so.

You can also use your ScotiaCard to access your designated investment Accounts (including your GICs and your Accounts with Scotia Securities Inc.) and brokerage Accounts with ScotiaMcLeod®, HollisWealth™ and Scotia iTRADE® through the Automated Banking Services.

You authorize Scotiabank to accept your instructions given through the Automated Banking Services as if you had given the instructions to us signed and in writing.

For certain purposes, when dealing with your investment Accounts, we may restrict access to some of your other Account options.

**Branch Access to Accounts**

You can access your designated Accounts by presenting your ScotiaCard together with your Electronic Signature, your passbook, your personalized Scotiabank cheque, or such other identification as we reasonably require, at any Scotiabank branch within Canada. If you do not have a ScotiaCard, you will need sufficient identification to enable the branch to verify your identity and your home branch may need to be contacted to facilitate the transaction.

**Inactive Accounts**

Inactive Accounts cannot be accessed through any Automated Banking Service(s). You will need to visit a branch to reactivate your access to Inactive Accounts.

**Transaction Charges & Fees**

You agree to pay and we may deduct, without notice, from any of your Accounts (even if this creates or increases an overdraft) the following:

- a transaction charge at the prevailing rate (as determined by us from time to time) for each transaction for which your ScotiaCard has been used through the Automated Banking Services. A notice of the charges and fees is provided in the Day to Day Banking Companion Booklet and, for business Accounts, in the document called “Your Guide to Fees and Interest Schedules” provided with the Business Banking Services Agreement;
the transaction charges or service fees imposed by other financial institutions (inside or outside Canada) for each transaction conducted through their ABMs or Direct Payment Terminals in which your ScotiaCard has been used. You should contact other financial institutions for information on their transaction fees or service fees they charge for using their ABMs.

Transaction Limits

We may establish and change limits, dollar or otherwise, from time to time, that apply to your use of the ScotiaCard and on the various transactions which may be available through the services, without prior notice to you. Cumulative limits currently in effect are:

- Limits for ABM cash withdrawals or cash disbursements from your bank Accounts and advances from your credit card Accounts, by using your ScotiaCard are as indicated on your ScotiaCard Banking Access Enrollment/Maintenance Form;

  - as indicated on your ScotiaCard Banking Access Enrollment/Maintenance Form.

All fees and limits for Western Union money transfers or foreign currency transfers can change from time to time and can be viewed at Online Banking.
Transaction Records/Confirmation Numbers

At the completion of each Automated Banking Services and branch transaction, you will be given a transaction record, unless otherwise requested, or you will be provided with a reference number. If your ScotiaCard is used for a Direct Payment or Card Not Present Transaction, we may arrange for a third party, such as a merchant, to give you the transaction record. For some Direct Payment transactions you will need to provide your Written Signature on the transaction record.

You agree that cheques or any other form of debit voucher transaction performed through any Automated Banking Services, at any Scotiabank branch other than at the branch where you maintain your Account(s), will not be returned to you, but rather a description of the transaction only (e.g. cheque, debit voucher or debit memo) will be reflected in your monthly statement or passbook.

Interac\textsuperscript{†} Flash - Description

Interac\textsuperscript{†} Flash is a feature available on your ScotiaCard that enables Cardholders to use the ScotiaCard to pay for small purchases, up to $100 at select merchants, by holding your ScotiaCard over a Direct Payment Terminal that supports Interac\textsuperscript{†} Flash. You do not have to insert your ScotiaCard or enter a PIN.

**Note:** If your ScotiaCard was issued before March 2013, your maximum purchase limit is $50 at most merchants and $100 at gas stations. Should you exceed the maximum amount at any merchant, you will be prompted for your PIN in order to complete the transaction. Interac\textsuperscript{†} Flash Transactions are only for the payment of goods and services – “cashback” transactions are not permitted.

Interac\textsuperscript{†} Flash - Enabling and Opting Out

When you are first issued a ScotiaCard with Interac\textsuperscript{†} Flash enabled, this feature will be activated the first time you conduct a successful PIN transaction at a Direct Payment Terminal, at an ABM or a branch.

You must have a pre-selected chequing Account linked to your ScotiaCard for Interac\textsuperscript{†} Flash to be enabled. Your Interac\textsuperscript{†} Flash settings will be automatically transferred to your replacement card.

You can have Interac\textsuperscript{†} Flash disabled on your ScotiaCard by contacting the Scotiabank Call Centre at 1-800-4SCOTIA or by visiting your nearest branch. If you request to have the feature disabled, any replacement ScotiaCards issued after the request will also have the Interac\textsuperscript{†} Flash feature disabled.

You may request to have the Interac\textsuperscript{†} Flash feature enabled at any time through the same contact methods. There is no charge to have the Interac\textsuperscript{†} Flash feature added to, disabled or enabled on your ScotiaCard.
Visa Debit

For *ScotiaCard* debit cards that have Visa Debit functionality, Visa Debit transactions will be processed through the pre-selected chequing Account linked to your *ScotiaCard*.

unless that day is a holiday. Transactions conducted on Sundays or holidays will 
normally be posted to the applicable Account as of the next Business Day.

Any transaction conducted on a Saturday involving a Scotiabank chequing account or a 
current or business account will normally be posted to the designated Account as of 
the next business day. Transactions conducted outside Canada may be posted to your 
designated Account at a later date.

For transactions conducted using Visa Debit, transactions are posted to and funds 
debited from your Account on the date the transaction is authorized by us. If there is a 
difference between the original authorized amount and the final settled amount of the 
transaction, your Account may be credited with the original authorized amount and 
subsequently debited for the final settled amount of the transaction.

Any automated bill payment request made on or before 8:30 p.m. Eastern Standard
Time, Monday through Friday will be posted to your designated Account on the day of the transaction. An automated bill payment made after 8:30 p.m. Eastern Standard Time, Monday through Friday or anytime on Saturday, Sunday or a holiday, will be posted to your designated Account on the next Business Day.

Any automated bill payment request will be deemed to have been received by us on the date the transaction is posted to the designated Account.

We are not responsible for the processing of or any of the posting procedures or practices of your designated Bill Payment Companies and we are not responsible if they charge you late fees or interest penalties. When you make a bill payment at one of our ABMs, branches, through the Automated Banking Services, you are responsible for ensuring that the Bill Payment Company (including account numbers and payee names) required by us to complete your payment instructions to that Bill Payment Company is accurate at all times. We may, without notice to you, update your bill payment profile information if we are advised of a change by the Bill Payment Company.

The debit to your Account for post-dated bill payments and fund transfers are processed at 6:00 p.m. Eastern Standard Time on the date to which your payment is post-dated.

Transactions involving Accounts with insufficient cleared funds at the time of processing may be rejected.

You acknowledge that once you have confirmed the details of a payment or transfer, you may not revoke or stop the payment or the transfer unless it is a post-dated payment or transfer you have set up in Online Banking, Mobile Banking or TeleScotia Telephone Banking. Such postdated payments and transfers can be cancelled directly through Online Banking until 6 p.m. Eastern Standard Time on the day they are scheduled to take place. You can also request cancellation of a postdated payment or transfer by speaking directly with one of our Customer Service representatives at the latest one (1) Business Day before the scheduled payment or transfer date.

You are responsible for notifying us of any changes to billing Account information.

Where a store, retailer or merchant becomes liable to make any refund to you, we will credit the designated Account with the refunded amount only upon our receipt of a properly issued credit voucher or other appropriate verification or authorization of the refund from the store, retailer or merchant.

We may at our discretion and without prior notice, refuse a request for authorization of any ScotiaCard transaction, and may notify third parties of such refusal as we think necessary. In exercising such discretion, we may take into account in calculating the funds available, any funds which we may decide have been credited or debited to an Account.

We may place a hold on branch or ABM deposits pending verification.
Processing Foreign Currency Direct Payments, Card Not Present Transactions, Withdrawals and Advances

You can use your *ScotiaCard* to access your bank Accounts for the following foreign currency transactions from these Accounts:

- Direct Payments at designated Direct Payment Terminals that are outside of Canada;
- Card Not Present Transactions (*ScotiaCards* with Visa Debit functionality) through authorized merchants that are located outside of Canada; and
- Cash withdrawals from designated ABMs that are outside of Canada.

You can use your *ScotiaCard* to access your Scotiabank Visa card Accounts, *ScotiaLine* access card and Scotiabank American Express card Accounts for the following foreign currency transactions on those Accounts:

- Cash advances, other than from *Scotiabank* U.S. Dollar Visa card Accounts, from designated ABMs that are outside of Canada; and
- Cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account.

For foreign currency transactions, other than cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account, a converted Canadian dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. For cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account, a converted U.S. dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. The exchange rate at the time of settlement may be different from the exchange rate in effect on the transaction date. Payment networks include Visa International, Visa Inc., Interac Corp., or other payment networks as appropriate. Foreign currency transactions are subject to the following foreign currency transaction fees:

- Foreign currency transactions on your bank Accounts using Visa Debit on your *ScotiaCard* will be subject to a fee that is calculated based on a 2.5% increase to the exchange rate and is included in the converted Canadian dollar amount of the transaction;
- Foreign currency transactions on your bank Accounts using your *ScotiaCard*, other than Visa Debit transactions, are subject to a fee that is calculated by adding 0.025 to the exchange rate;
- Foreign currency transactions on your Scotiabank Visa card Accounts, or Scotiabank American Express card Accounts, by using your *ScotiaCard* will be subject to the foreign currency transaction provisions of the Revolving Credit Agreement.
If you use your *ScotiaCard* for a transaction in a foreign currency and the store, retailer or merchant gives you a credit voucher (for example in the case of a refund), the two transactions (the purchase and the refund) may not balance exactly because of exchange rate and currency fluctuations between the date of the purchase and the date of the credit (or refund).

We will not assume any risks associated with foreign currency exchange gains or losses from cross-currency conversions resulting from the use of your *ScotiaCard*. Any gains made or losses incurred by you in connection with foreign currency transactions because of currency rate fluctuations between the date the transaction is posted and the date any subsequent credit is posted to the designated Account are your responsibility and shall be payable to you or by you (as the case may be).

Your continued use of the Account, the Automated Banking Services or any other service with us, acknowledges that you agree to and accept the new terms and conditions of the ScotiaCard Cardholder Agreement and all agreements related to the Account or service as amended, modified or replaced. Scotiabank has the right to send you a new ScotiaCard with new features without prior notice.

Resolving Disputes

We are not responsible for any failure to supply, or lack of suitability of quality of, any goods or services purchased from Bill Payment Companies, merchants or others through the Automated Banking Services. All disputes between you and a Bill Payment Company, merchant or others, including your rights to compensation or any offset rights (set-off), shall be settled directly by you with the Bill Payment Company. We do not verify, nor are we required to verify, that any purpose for which the payment is made has been fulfilled by the Bill Payment Company as a condition of honouring your payment request on your Account.

For all unauthorized claims, we will investigate the transaction and a determination regarding whether any reimbursement will be made based upon the investigation. We will respond to the Cardholder's report of an unauthorized ScotiaCard transaction within 10 business days. We may require a signed statement during the course of the investigation. Or, where appropriate, we may require a signed affidavit from the Cardholder, which may result in a temporary suspension of the 10 day limit, until the requested information is received.

No funds, or only partial funds will be reimbursed if our investigation determines that on the balance of probabilities, the Cardholder contributed to the unauthorized use of their ScotiaCard. If we cannot settle the complaint in your favour, you will be informed of the reasons for Scotiabank's position in the matter.

If a problem with a ScotiaCard transaction is not resolved to your satisfaction or you have not received a response to a claim of an unauthorized ScotiaCard transaction within the time period, please refer to the Complaint Resolution section of the Day-to-Day Banking Companion Booklet.

The Scotia Rewards Travel Service is not responsible for earlier closures or any cancellation of these travel purchases by the third party travel providers.

Point redemptions for travel purchases are final. However, if you are able to cancel a travel purchase for which you redeemed Scotia Rewards points, we will credit your Scotia Rewards Account for the points redeemed at the value they were redeemed at.

F. Post Purchase Travel Redemption

You can purchase eligible travel or related travel expenses at a travel provider other than the Scotia Rewards Travel Service (e.g., other travel agencies, tour operators
and online travel websites) (the “Other Travel Suppliers”). These types of purchases at Other Travel Suppliers are called “Post Purchase Travel Redemptions” (also referred to as “Apply Points to Travel”).

Scotia Rewards points are redeemable toward Post Purchase Travel Redemptions you have previously made using your Program Card. To redeem Scotia Rewards points toward a Post Purchase Travel Redemption at Other Travel Suppliers, the purchase must first appear on the Program Card Account. Scotia Rewards Cardmembers can then redeem points towards the amount of the Post Purchase Travel Redemption, charged to the Program Account, by visiting the Program Site or by calling 1-800-665-2582.

The Post Purchase Travel Redemption must be debited to your Program Card Account and recognized by our systems with the Merchant Category Codes or identifiers: airlines & air carriers; airports, flying fields, and airport terminals; lodgings, hotels, motels and resorts; trailer parks and campgrounds; passenger railways; bus lines; steamship and cruise lines; travel agencies and tour operators; automobile rental agency; motor home and recreational vehicle rentals. These Merchant codes/identifiers and categories are subject to change.

The Post Purchase Travel Redemption can include related taxes, booking fees, airport fees and travel insurance premiums.

You must redeem Scotia Rewards points within 12 months from the date that the Post Purchase Travel Redemption was posted to the Program Card Account. It may take up to 2-3 business days for the points redeemed towards a Post Purchase Travel Redemption to appear as a deposit on your Program Card Account. Points redeemed cannot be reversed once posted to the Program Card Account. To redeem Scotia Rewards points towards your Post Purchase Travel Redemption, the Program Card Account must be open.

The value of the points redeemed cannot exceed the amount of the Post Purchase Travel Redemption charged to your Program Card Account.

The minimum point redemption towards a Post Purchase Travel Redemption is 5,000 points.

G. Redeem Points for Cash

A Scotia Rewards Cardmember can redeem points online through the Program Site for cash that will be deposited to the Program Card Account.

Your Program Card Account must be open at the time the deposit is made to the Program Card Account.

It may take up to 2-3 business days, following a request to redeem points for cash, for the deposit to appear on the Program Card Account. Once the request to redeem Scotia Rewards points for cash has been submitted, you cannot cancel the request and no changes can be made.
For additional information and instructions on how to redeem *Scotia Rewards* points for cash, including if any minimum redemption amounts are required, please visit the Program Site.

**H. Points Status when Switching Cards**

If you switch your Program Card to another type of debit card, you can (i) transfer your points to the *Scotia Rewards* Account associated with your Scotiabank credit card, as long as both Accounts are in good standing, or (ii) redeem any unused *Scotia Rewards* points, subject to the conditions set out in Section I below.

**I. Closed Program Card Accounts**

If you close a Program Card Account or cancel a Program Card:

(i) any unredeemed *Scotia Rewards* points associated with the applicable Program Card can be redeemed within 60 days of closing the Account, after which time the unredeemed *Scotia Rewards* points will be permanently cancelled; and

(ii) you will not be able to redeem any *Scotia Rewards* points for a Post Purchase Travel Redemption or for Credit redemption.

If Scotiabank initiates the closure of a Program Card Account or cancellation of a Program Card, your *Scotia Rewards* points cannot be redeemed and will be immediately cancelled.

**J. Cancelled, Lost or Stolen Program Cards**

Program Cards are not eligible to earn *Scotia Rewards* points after their cancellation date. If your Program Card is lost or stolen, we will replace that Program Card and transfer your points to a new *Scotia Rewards* Account opened in your name for the replacement card. In the event your Program Card is lost, stolen or damaged, you must immediately notify your Scotiabank branch or call 1-800-4SCOTIA (1-800-472-6842).

**K. Changes to this Program**

 Scotiabank reserves the right to modify, terminate, suspend or extend or otherwise alter all or any of the terms and conditions of the *Scotia Rewards* program, upon 30 days’ notice, including the following:

- The amount of points earned or redeemed through the Program;
- The value of points;
- What you can or cannot redeem points for;
- When you can transfer points and to whom;
- The length of time available to redeem points; or
- Any fees or charges that apply to this Program including booking fees.
In the event we terminate this Program, the Cardmember will be notified and can redeem any unused points within 60 days after the Program’s termination date, provided their Program Account(s) is open.

Collecting, using and disclosing your information

1. When you apply for, or provide a guarantee in respect of, or use any Service and while you are our customer, or when you participate in any contest, survey, event or otherwise provide us your personal information, you agree that we may collect your personal information from you and third party sources. Examples of information collected may include:

- Your name, address, telephone number, nature of your principal business or occupation and date of birth, all of which may be required by law;

- Information we may need in order to provide you with a Service such as health information if you are applying for certain insurance products. In some instances, providing this information is optional;
• Information about third parties such as your spouse if you are applying for certain Services, where this information is required by law; and

• Information about beneficial owners, intermediaries and other parties, which is required by law.

For legal entities such as businesses, partnerships, trusts, estates, clubs or other organizations, we may collect the information referred to above from each authorized person, signatory, partner, trustee, executor and club member, as appropriate.

In addition, when you apply for, enroll in or use a Service, or participate in any contest, survey or event via a digital channel (such as online or mobile banking), we may collect information about your computer or device, operating system, internet connection or telephone account, settings, IP address and device locational data, browser information, and transaction data, as well as personal information as described above. We may collect, use, disclose and retain this information for the purposes described below, as well as to determine which settings are appropriate for your computer system, to provide or enhance digital functionality and banking options, and for security purposes, internal analysis and reporting. You may withhold consent to the collection, use and disclosure of this information, although in some cases this may prevent you from using the digital channel to apply for or use a Service or to communicate with us, or may reduce the functionality of that channel.

Scotiabank or its service providers may also use various web tools including Cookies (please see our Cookies Policy), Web Beacons and Tagging on our websites and advertisements to evaluate and improve our websites and other electronic offerings, tailor our services, enhance our customer experience and communicate with you regarding products and services that may be of interest.

• **Tagging** is a customized code on our websites that provide the ability to monitor user activity on Scotiabank websites. This software can be used to capture user activity to be used by us or a third party for analysis so that we can understand and enhance our user experience and provide further security controls.

• **Web Beacons** are small images embedded in our websites that, when combined with Cookies, help provide us with information about the use and effectiveness of our website.

We may collect your personal information, and use it, and disclose it to any person or organization, including any member of Scotiabank, for the following purposes:

• To confirm your identity;

• To understand your needs;

• To determine the suitability of our Services for you;

• To determine your eligibility for our Services;
• To set up, manage and offer Services that meet your needs;
• To provide you with ongoing Service;
• To provide you with various options for applying for and accessing Services;
• To satisfy legal and regulatory requirements that we believe are applicable to us, including the requirements of any self-regulatory organizations to which we belong;
• To help us collect a debt or enforce an obligation owed to us by you;
• To respond to a local or foreign court order, search warrant or other demand or request which we believe to be valid, or to comply with the rules of production of a local or foreign court;
• To manage and assess our risks;
• To investigate and adjudicate insurance claims, other claims or complaints; and
• To prevent or detect fraud or criminal activity or to manage and settle any actual or potential loss in connection with fraud or criminal activity.

When we collect your health information for the purpose of providing an insurance Service, we will use that information strictly for that purpose. (See below for more information.) We do not provide directly all the services related to your relationship with us. We may use third party service providers to process or handle personal information on our behalf and to assist us with various services such as printing, postal and electronic mail distribution and marketing (including by telephone and electronic means), and you acknowledge that we may release information about you to them. Some of our service providers are located outside of Canada. In addition, we may use personal information in Scotiabank locations outside of Canada. As a result, your personal information may be accessible to regulatory authorities in accordance with the laws of these jurisdictions. When personal information is provided to our service providers, we will require them to protect the information in a manner that is consistent with Scotiabank privacy policies and practices.

2. We may collect, use and disclose your Social Insurance Number (SIN), as well as other information, for income tax reporting purposes and to fulfil other regulatory requirements, as required by law. In addition, we may ask you for your SIN to verify and report credit information to credit bureaus and credit reporting agencies as well as to confirm your identity. This allows us to keep your personal information separate from that of other customers, particularly those with similar names, and helps maintain the integrity and accuracy of your personal information. You may refuse to consent to its use or disclosure for purposes other than as required by law.

3. We may verify relevant information you give us with your employer or your references and you authorize any person whom we contact in this regard to provide
such information to us. If you apply for or enroll in a Service and during the time you have the Service, we may consult various financial service industry databases, third parties (such as the Bank Crime Prevention and Investigation Office of the Canadian Bankers Association and the Investigative Services Division of the Insurance Bureau of Canada), or private investigative bodies maintained in relation to the type of Service you have applied for, enrolled in or have. You also authorize us to release information about you to these databases and investigative bodies.

4. You agree that we may monitor, record, and retain any telephone call or electronic communication we have with you. This is to establish a record of the information you provide, to ensure that your instructions are followed properly and to ensure customer service levels are maintained. Records of calls and electronic communications are destroyed when they are no longer required for business or other purposes, and any personal information is safeguarded in accordance with this Agreement.

5. Scotiabank may use video surveillance in and around our branches, bank machines and other locations for the purpose of safeguarding our clients and employees and protecting against theft, fraud and vandalism. Any video images recorded are destroyed when they are no longer required for business or other purposes, and any personal information is safeguarded in accordance with this Agreement.

6. If you have a Service with us, we may use, disclose to and collect from credit bureaus or financial service industry databases, credit and other information about you in order to offer you pre-approved credit products or margin facilities.

7. We may give information (except health information) about you to other members of Scotiabank (where the law allows this) so that these companies may communicate with you directly about their products and services. This consent will also apply to any companies that form a part of Scotiabank in the future. You also agree that we may provide you with information about or from third parties we select. Your consent to this is not a condition of doing business with us and you may withdraw it at any time (see below).

8. We may ask you for contact information such as your telephone, mobile or fax number or email address, and keep and use this information as well as disclose it to other members of Scotiabank so that we or any of these companies may contact you directly through these channels for the purpose of marketing, including telemarketing. This consent will also apply to any companies that form a part of Scotiabank in the future. Your consent to this is not a condition of doing business with us and you may withdraw it at any time (see below).

9. If we sell a company or a portion of the business or assets of a Scotiabank company, we may release the information we hold about you to the prospective purchaser. We will require any prospective purchaser to protect the information provided and to use it in a manner that is consistent with Scotiabank privacy policies and practices.
10. We may keep and use information about you in our records for as long as it is needed for the purposes described in this Agreement, even if you cease to be a customer.

11. You agree that all information that you give us will, at any time, be true and complete. If any personal information changes or becomes inaccurate or out of date, you are required to advise us so we can update our records.

**Refusing or withdrawing consent**

Subject to legal, regulatory and contractual requirements, you can refuse to consent to our collection, use or disclosure of information about you, or you may withdraw your consent to our further collection, use or disclosure of your information at any time in the future by giving us reasonable notice. However, depending on the circumstances, withdrawal of your consent may prevent us from providing you, or continuing to provide you, with some Services, means of access to Services, or information that may be of value to you.

We will act on your instructions as quickly as possible but there may be certain uses of your information that we may not be able to stop immediately.

You cannot refuse our collection, use and disclosure of information required by third party service providers essential for the provision of the Services or required by our regulators, including self-regulatory organizations. Some of our service providers are located outside of Canada. As a result, your personal information may be accessible to regulatory authorities in accordance with the law of these jurisdictions.

You can tell us at any time to stop using information about you to promote our Services or the products and services of third parties we select, or to stop sharing your information with other members of Scotiabank. If you wish to refuse consent or to withdraw consent as outlined in this Agreement, you may do so at any time by contacting the branch or office with which you are dealing or by calling us toll-free.

**In addition, if you apply for, accept, or guarantee, a line of credit, term loan, mortgage or other credit account with us**

When you apply for, accept, or guarantee a loan or credit facility or otherwise become indebted to us, and from time to time during the course of the loan or credit facility, we may use, give to, obtain, verify, share and exchange credit and other information (except health information) about you with others including credit bureaus, mortgage insurers, creditor insurers, reinsurers, registries, other
companies in Scotiabank and other persons with whom you may have financial dealings, as well as any other person as may be permitted or required by law. We may do this throughout the relationship we have with you. You also authorize any person whom we contact in this regard to provide such information to us.

If you have a Service with us such as a banking card, credit card or line of credit product with an access card, you agree that we may give information (except health information) about you to electronic payment service providers, credit or charge card associations, loyalty program partners and their employees and agents for the purpose of processing, authorizing and authenticating your transactions (as the case may be), providing you with customer assistance services and for other purposes related to your services. We may also give this information in respect of your participation in contests and promotions administered by the electronic payment service providers, credit or charge card associations and loyalty program partners on our behalf.

If you have a mortgage account with us, we may give information about you, including credit information, to mortgage insurers for any purpose related to mortgage insurance. Information retained by Canada Mortgage Housing Corporation will be subject to federal access to information and privacy legislation.

During the term of the loan or credit facility, you may not withdraw your consent to our ongoing collection, use or disclosure of your personal information in connection with the loan or other credit arrangement you have with us or have guaranteed. We can continue to disclose your personal information to credit bureaus even after the loan or credit facility has been retired, and you may not withdraw your consent to our doing so. We do this to help maintain the accuracy, completeness and integrity of the credit reporting system.

In addition, if you accept an insurance Service with us

When you apply for, enroll in or sign an application in respect of or accept an insurance Service from us, we may use, give to, obtain, verify, share and exchange information about you with others including references you have provided, from hospitals and health practitioners, from government health insurance plans, from other insurers, from medical information and insurance service bureaus, from law enforcement representatives, from private investigators, and from other groups or companies where collection is necessary to underwrite or otherwise administer the Service requested, including the assessment of claims. You also authorize any person whom we contact in this regard to provide such information to us.

If you accept an insurance Service with us, or if an insurance Service is issued on your life, you may only withdraw your consent as noted above so long as the consent does not relate to underwriting or claims where Scotiabank must collect and report information to insurance service bureaus after the application has been underwritten or the claim has been adjudicated. This is necessary to maintain the integrity of the underwriting and claims systems.
Accessing your information

Subject to legal, regulatory and contractual requirements, you can request to access the personal information we hold about you. Much of this information is already accessible by you, for example: through your account statements or bankbook updates; by visiting the branch or office where you regularly do business; by accessing your account online; or through the Customer Contact Centre. However, if you need access to any other information, you must direct your request in writing to the President’s Office (see contact details below under “Further information”).

In order to process your request, we may ask you for specific details, such as branch and account number, and clarification on the specific information or time period you are requesting access to. Once your identity has been verified and the scope of your request confirmed, within 30 days we will provide you with access to your information, except where prohibited by law. If necessary, we will notify you that we require an extension beyond the 30 day period.

Scotiabank may charge you a nominal access fee depending on the nature of your request. We will advise you of the fee, if any, prior to proceeding with your request.

If you have a sensory disability, you may request that your information be made available in an alternative format.

Further information

You acknowledge that we may amend this Agreement from time to time to take into consideration changes in legislation, technology or other issues that may arise. We will post the revised Agreement on our website and make it available at our branches or we may also send it to you by mail. We may also notify you of any changes to this Agreement in any of the following ways:

- A notice prominently displayed at all Scotiabank ATMs;
- An announcement through the VoiceResponseUnit (VRU) or a digital channel such as a mobile app;
- A notice on the Scotiabank website or your Scotia OnLine portal;
- A notice in our branches; or
- A notice in your monthly statement.

Your continued use of the account or Service following such change means that you agree to and accept the new terms and conditions of the Agreement as amended. If you do not agree with any of the changes made or with the new terms of the Agreement, you must immediately stop using the account or Services and notify us that you are closing your account or terminating your Service with us.

Overdraft Protection Agreement

Overdraft limit

You may overdraw the account(s) to which this agreement applies, up to the amount set out in the Personal Credit Agreement, if applicable, or as otherwise agreed to in writing by us.

We may refuse any debit if the amount would cause the overdraft limit to be exceeded.

Effective Date

The Overdraft Protection will be available for use, effective the approval date. If the Overdraft Protection is approved under the *Scotia Total Equity® Plan*, then it will be available from the funding date of the Plan.

Payment

Within 30 days from the day in which the overdraft occurred:

- You will bring your account to a positive balance;

- You will pay the handling charge, which is treated as an overdraft amount, for each debit drawn on the account while your account is overdrawn more than the pre-authorized limit;

- You will pay us all other applicable service charges, including the Overdraft Protection Fee; and

- You will pay us the overdraft interest charge. Interest is accrued and calculated daily to each statement date on each debit from the date on which the debit is charged to the account. Overdraft interest charges are treated as overdraft amounts.

The interest rates and charges, referred to above, that are applicable to you are those set out in the Overdraft Protection section of the Day-to-Day Banking Companion Booklet or as otherwise disclosed to you in writing.

You agree that all payments that you make to us or that we ask you to make will be made in full without any set off, abatement, counterclaim, deductions or withholdings whatsoever. You agree that you do not have a right to cancel, offset, or reduce any payment or debt by an amount we owe you.

Default

Default occurs when you fail to comply with any of the terms, including the promise to pay, outlined in any agreement you have with us and/or when you fail to operate your account in a satisfactory manner; for example, if you have multiple NSF cheques.
If your overdraft balance goes into default, we may close your account and convert your overdraft balance to delinquent demand loan status. Interest payable will be calculated daily and applied to the demand loan at a rate of 21% per annum. Please note that default is reported to credit bureaus, which can adversely affect your credit rating and negatively impact your future borrowing capability.

**Terminating the agreement**

We may terminate this agreement, without notice to you, if you are in default. We may terminate this agreement, without reason, by giving you 30 days written notice. You may terminate this agreement by giving us at least 5 business days’ prior written notice. Termination does not relieve you of any obligations under this agreement until the overdraft amount has been paid to us in full. Regardless of such termination, you are responsible for paying us for all debits or other charges made following termination.

You confirm that you have the necessary technical ability and electronic resources to do this. You acknowledge that technical and security requirements for access to the Designated Information System may change from time to time. If you are unable to access the Designated Information System to meet your obligations under this section for any reason, you should revoke your consent as provided under “Revoking Consent” (see section 7 below).

Any document delivered electronically to you under this consent will be deemed to be received by you when it is posted on the Designated Information System or made available to you through the Designated Information System, even if you do not access the Designated Information System for any reason.

6. **Providing Documents by Paper:** We reserve the right to provide you with documents by paper delivery if we are unable to provide electronic delivery (including cases where such documents are not currently in digital form), have reason to believe you may not have received the electronic document, or otherwise consider it appropriate. Any paper delivery will be provided to you at the most current mailing address that we have on file for your selected account(s).

It may take up to 10 business days for your revocation to take effect. You may still receive electronic delivery of documents issued by us before your revocation takes effect.

Current passbook users who choose to switch to Paperless Statements will not be able to switch back to the Passbook Record Keeping Option. However, such customers may choose the Paper Statement option in order to receive paper based documentation going forward.
8. **Adding or Changing the Terms of this Document**: We can add or change the terms and conditions of this document from time to time. You agree to be bound by any future changes we make to these Terms. Notice of additional or amended terms and conditions may be given to you in any of the following ways:

i. A notice mailed to you at your last address in our records;

ii. A notice on your electronic account statement or PPS;

iii. A notice on the Scotiabank website;

You acknowledge that the authorization in this agreement is provided for Scotiabank’s benefit and that of the FI you specified.

You acknowledge and agree that the FI you specified is not required to verify that the debits are drawn in accordance with the authorization in this agreement and is not required to verify that Scotiabank has fulfilled any pre-condition to authorizing the debits.

Debits charged to the account and FI you specified under this agreement will be reimbursed, if, within 90 days after the date of the debit, you provide the applicable branch of the specified FI with a written declaration in which you declare that:

We may ask you to give us certain information which will assist us in determining that you are the party giving the instruction. You authorize us to obtain a credit bureau report, so we may verify your identification. We may send you a confirmation that the instructions have been received and acted upon. We will also take reasonable steps to inform you when we have determined that we will not be following your instructions.

You release the bank from any liability or claim for failure to act, execute, or complete any instructions due to any reason beyond the bank's control.

You also agree that the bank or any of its subsidiaries or agents will not be liable to you for acting on your instructions or on instructions which appear to be from you, if those actions are in good faith.

Bank The Rest® Savings Program Agreement

1. In order to participate in the Bank The Rest savings program, you must maintain a Money Master® Savings Account (the “Destination Account”), a personal deposit account designated as “chequing” or “savings” and a personal ScotiaCard banking card.

2. You authorize Scotiabank to automatically round up the amount of every purchase you make through a Card Payment (as defined in the Digital Access Agreement) on your personal deposit account using your personal ScotiaCard banking card to the next multiple of the round-up amount you have indicated in the ScotiaCard Banking Access Enrollment/Maintenance form and allocate the difference between this multiple and the actual purchase amount as “Bank The Rest savings” within your personal deposit account.

3. We aggregate all Bank The Rest savings each business day and transfer that amount from your personal deposit account to your Destination Account at the end of that business day.

4. Even if you subsequently cancel or reverse any purchase you had made using your ScotiaCard banking card, the corresponding Bank The Rest savings will remain in the Destination Account or will be transferred to the Destination Account if it hasn’t been transferred already.

5. If at the end of a business day the balance in your personal deposit account is less than the aggregate Bank The Rest savings for that day, we will cancel the transfer of the Bank The Rest savings to your Destination Account for that day even if there is overdraft protection on the account.

6. You acknowledge that the limitations of liability set out in the Digital Access Agreement and any other applicable agreement you have entered into also apply to the Bank The Rest savings program.

7. You may modify or cancel your enrollment in the Bank The Rest savings program by contacting Scotiabank through its Contact Centre at 1-800-472-6842 or Scotia Online or by visiting a Scotiabank branch.

Deposit Account Agreement

When you completed the account opening process, you agreed to the following terms and conditions governing the account. If you opened an account over the telephone, your use of the account you applied for will indicate your agreement with the following terms and conditions governing the account.

Ownership, Survivorship Rights and Signing Arrangements

Sole Account Holders†

If an account is in your name only, you alone own the funds in the account, and we will only take instructions from you. On death, the proceeds in your account will form part of your estate or as otherwise required by law.

Note to Parents and Legal Guardians Regarding Minor Sole Account Holders:

If you open an account in the sole name of a minor under 16 years of age, funds in the account belong to the minor account holder. However, you will have sole signing authority until you (at any time) or the minor (after the minor's 16th birthday) make arrangements in writing to cancel your signing authority, at which time the minor will acquire sole signing authority.

Multiple Account Holders (Joint Accounts)†

If an account has multiple account holders, the account signing arrangement that you selected during the account opening process will determine from whom we will accept instructions to operate the account, and you will be bound by any instructions given to us by the designated signing authority(ies). Any designated signing authority will remain in force and can be relied upon by us until we receive written notice of change from the designated signing authority(ies). Another account holder cannot be added to an existing account unless all existing account holders have authorized it. To remove an account holder, all account holders must first authorize the closing of the existing account and the remaining account holders must authorize the opening of a new account with a new account number.

Because legal responsibilities and tax consequences vary depending on the ownership, survivorship rights and signing arrangements, you may wish to discuss these matters with your legal and/or tax advisor when establishing an account with multiple account holders. We assume no responsibility for any claim or loss whatsoever arising from or relating to the signing arrangement selected or the ownership or survivorship rights associated with that signing arrangement.

More information regarding joint accounts and the associated risks is available on the Government of Canada's website: http://www.seniors.gc.ca/eng/working/fptf/attorney.shtml 'What every older Canadian
should know about Powers of Attorney (for financial matters and property) and Joint Bank Accounts'.

† Not applicable to “In Trust For (ITF) Accounts”, described later in this agreement.

a) “Any to Sign”

- Joint Tenants with Right of Survivorship (JTWROS) (accounts outside Quebec)
- Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is “any to sign”, we will accept instructions from any one or more of you, without the signature or consent of the others. For example:

• We can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you.
• We can pay and deduct from your account the amount of any cheque, bill of exchange, promissory note, pre-authorized payment or order for payment that is drawn, accepted or made by any one or more of you, even if doing this may cause your account to become overdrawn or increases an existing overdraft;
• We can take instructions from any one or more of you for stopping any payment order (cheque) drawn on your account;
• Except for a lawful claim made against your account, the whole or any part of the credit balance in your account may be withdrawn by any one or more of you.

In addition,

i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.

ii) if your account is held at a branch outside Quebec, the ownership arrangement is joint tenants with right of survivorship (JTWROS). This means that we treat the funds in your account as joint property. If one account holder dies, the account funds are deemed to be owned solely by the surviving account holder or, if there is more than one surviving account holder, owned as JTWROS by the surviving account holders. We can pay the account funds to the surviving account holder or, if there is more than one surviving account holder, to any one or more of the surviving account holders.

iii) if your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). This means that if one account holder dies, the deceased’s share of the account funds will be disbursed to the deceased’s estate in accordance with the deceased’s will or as otherwise required by law and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law. Unless we are otherwise informed, we will assume that each joint account holder owns an equal share of the account funds.
b) “All to Sign” or “Multiple Signatures”

- Tenants in Common (TIC) (accounts outside Quebec)
- Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is “all to sign”, we will only accept instructions agreed upon by all of you. If the signing arrangement is “multiple signatures”, we will only accept instructions from the designated signatories in the combination(s) you specified. Under either type of signing arrangement, we can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you.

In addition,

i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.

ii) if your account is held at a branch outside Quebec, the ownership arrangement is tenants in common (TIC). If your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). In both cases, this means that if one account holder dies, the deceased’s share of the account funds will be disbursed to the deceased’s estate in accordance with the deceased’s will or as otherwise required by law, and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law. Unless we are otherwise informed, we will assume that each joint account holder owns an equal share of the account funds.

“In Trust For (ITF)” Accounts

If an account has been opened as “In Trust For”, we will only take instructions from the named trustee account holder(s) in accordance with the signing arrangement for the account. For tax reporting purposes, we will require the social insurance number (SIN) of the primary trustee account holder. We will issue tax slips in the name(s) of all trustee account holder(s).

For ITF accounts with multiple beneficiaries, it is the trustee account holders’ responsibility to provide us with the beneficiary information as at April 30th each year to meet CDIC Disclosure By-Law requirements.

Because there may be legal responsibilities and tax consequences associated with opening an ‘ITF’ account, you may wish to discuss these matters with your legal and/or tax advisor. We assume no responsibility for any claim or loss whatsoever arising from or relating to the election to open an ‘ITF’ account, nor to have knowledge of or to observe the terms of any trust, whether written, verbal, implied or constructive.

Verifying Your Accounts

You must review your statements - You must promptly review your paperless or paper account statements, online transaction history or passbook (each "Account Information") to check and verify the transactions/entries. If you believe there are
any errors or omissions you must tell us in writing within the applicable time period indicated below for the recordkeeping option you have selected. If you do not tell us of an error or omission within the applicable time periods, you

a) will be deemed to have conclusively agreed to the Account Information, whether or not you have reviewed it, as you are required to do under this agreement, and

b) agree that you will have no claim against us for reimbursement relating to any account entry, even if the instructions resulting in the charges to your account was forged, unauthorized or fraudulent.

Paperless Statement - In order to select ‘Paperless Statement’ recordkeeping option, which provides electronic statements through Scotia OnLine Financial Services, you must agree to the Consent to Receipt of Electronic Documents Terms and Conditions. That document includes, among other things, your obligation to review electronic documents and the time periods by which you must notify us of errors.

Passbook – If you have selected the “Passbook” recordkeeping option, you will need to visit a Scotiabank branch to pick up a passbook for use with that account. In addition, you agree to update it at least every 30 days by visiting any branch or using Scotiabank Automated Banking Machines (ABMs) equipped with a passbook updater (available at select locations). If you do not update your passbook regularly, a passbook statement is automatically generated and mailed to you after 50 transactions have been processed through your account and a fee will be charged. If you believe there are any errors or omissions you must tell us in writing within 60 days of the date of the disputed entry.

Changing from Passbook - If you change from ‘Passbook’ to any other recordkeeping option, the passbook update function will be discontinued and passbook updates will no longer be available. We will forward a one-time final “passbook statement” (passbook transactions printed on a paper statement format using passbook symbols) to you at the end of the current month with all transactions that occurred since your most recent passbook update or since the last time that we sent you a back item statement. The recordkeeping fee for Passbook (if applicable) is not charged for this ‘passbook statement’.

Paper Statement or Paper Statement with Cheque Image Return – If you have selected ‘Paper Statement’ recordkeeping option, it will be mailed to the account mailing address you provided us. If you have selected the ‘Paper Statement with Cheque Image Return’ recordkeeping option, a hard copy of the statement with printed digital images of the front of your cleared cheques processed through your account for the statement cycle will be mailed to you. In addition,

a) if you have selected the delivery option and a statement is returned to us as “undeliverable”, no further statements will be sent to you until you provide us with a current mailing address. Until such time you agree to use Internet banking,
mobile banking, Telephone banking or a Scotiabank automated banking machine at least once every 30 days in order to verify your account transactions, and

b) if you have requested to ‘pick up’ the statement, the statement will be mailed to the branch of the account, and an additional monthly fee will be charged.

Replacement paper copies of your statement are available for our posted fee.

If you believe there are any errors or omissions you must tell us in writing within 30 days of the statement date.

If you change from “Paper Statement” to “Paperless Statement” or “Passbook” recordkeeping option, you will receive one final paper statement, which will provide you with a record of transactions for the current statement cycle.

**Braille Statements** – “Braille Statement” recordkeeping option for visually impaired customers is available upon request through the branch of the account.

**Suppression of Statements** – If you have selected a ‘Paperless Statement’, ‘Braille Statement’, ‘Paper Statement’ or ‘Paper Statement with Cheque Image Return’ recordkeeping option, the statement is suppressed automatically (except statements produced in December) if the account is in a zero or positive balance and if there was no activity such as withdrawals, deposits, interest or fees for the statement period.

**Limits of our Liability**

Under no circumstances will we be liable for any indirect, special, consequential, exemplary or punitive damages or losses in connection with your account or the provision by us of any service, or our refusal to provide any service, even if we knew any such damage or loss was likely or was a result of our negligence or the negligence of our employees, agents or representatives. In addition, we are not liable to you for any other damages or losses, unless caused by our negligence or unless applicable legislation or an industry code to which we have publicly committed requires otherwise.

Nothing in this “Limits of our Liability” section shall operate or be construed in any way to impose any obligations on us that we have not expressly agreed to assume in this agreement or limit any rights we have under any other provision of this agreement or as otherwise provided by law.

**Amendments**

We may amend this agreement at any time without prior notice.
