Scotiabank employees help paint Matura Govt Primary School for United Way's National Day of Caring.

Matura Government Primary School has received a facelift from Scotiabank, in commemoration of United Way's National Day of Caring (NDOC) 2023. Scotiabank employees and their families came out on Sunday, May 21 to repaint the exterior of the school.

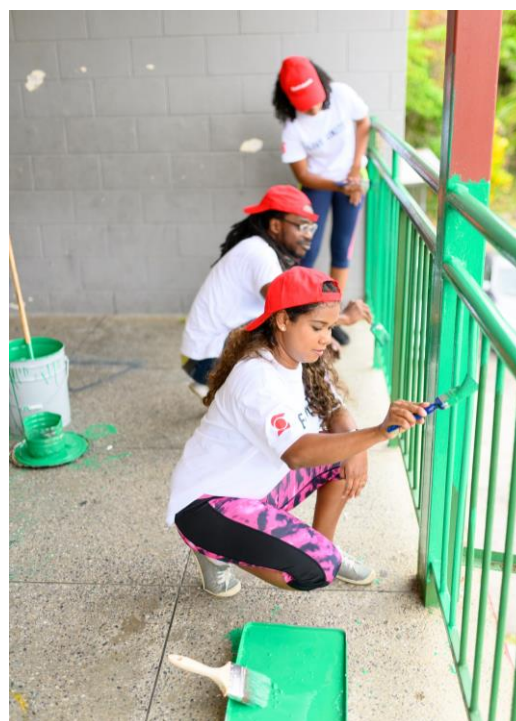

The NDOC is United Way's volunteer employee engagement event. Corporate partners engage with their employees to give of their time and energy for projects of their choosing. Scotiabank has participated in NDOC since its inception in 2013. The theme this year was "Show Your Care Everywhere".

Cindy-Lou Dannett, Principal (Ag.) at Matura Government Primary commented "With happy hearts the staff at Matura Government Primary School express gratitude to, our Scotiabank family, for your generosity and selfless labour. Your blessing goes a long way to aid in motivating our children. Again, a heartfelt thank you for choosing us."

Gayle Pazos, Senior VP and Managing Director, Scotiabank Trinidad and Tobago highlighted the Bank's strong volunteer efforts, stating "I am so pleased our employees continue to show they care by giving of their time and resources. Over the past few years with the pandemic, our efforts have been restricted but we're so happy to resume our volunteer activities. We remain committed to supporting the communities in which we live and work and make a real impact in the lives of those around us."

Here are some photos of Scotiabank employees and their families in action on the day.
