

# Are you using your cheque books?

**Scotiabank®**

**For some time now, we have been printing standard cheque books for your use, at no cost to you.**

As you may be aware, the pandemic has had significant impact on cost amongst various industries. More recently, there's been an upsurge in the cost to produce printed materials which means, the cost to supply cheque books has increased.

**Given the above, effective April 10<sup>th</sup> 2023, the fee for standard cheque books will start at \$20.00 for 25 leaves.**

Once you place your cheque book order, your account will be debited on the next business day or up to a week later. The price of your cheque books will depend on the amount ordered.
