³ Ultimate Package monthly account fee is waived if a minimum daily closing balance of \$6,000 is maintained for the entire month (statement period). If the monthly balance of the Ultimate Package account is less than the daily minimum of \$6,000 but has a combined minimum daily closing balance of \$30,000 across the Ultimate Package account and Momentum^{PLUS} Savings Account(s) for the entire month (statement period), the monthly account fee of the Ultimate Package account will be charged then rebated within the first 10 business days of the following month. The account must have sufficient funds to cover any fees, including the monthly account fee. The account balance of one (1) Ultimate Package Account plus more than one (1) Momentum^{PLUS} Savings Account(s) qualify to pay no monthly account fees on one (1) Ultimate Package account. Account holders of the Ultimate Package who are also account holders of the Momentum^{PLUS} Savings Account(s) qualify.

³ The Ultimate Package monthly account fee is waived if a minimum daily closing balance of \$6,000 is maintained for the entire month in the Ultimate Package account. If the minimum daily closing balance of \$6,000 is not maintained for the entire month in the Ultimate Package account but you have a Total Relationship Balance of \$100,000 or more for the entire month, the monthly account fee of the Ultimate Package account will be either waived, or charged then rebated within the first 10 business days of the following month. This Ultimate Package monthly account fee waiver is limited to one waiver or rebate per client per month. For joint Ultimate Package accounts, the Total Relationship Balances are calculated separately for each accountholder and the monthly account fee will be waived or rebated if any one of the joint accountholder's Total Relationship Balance is \$100,000 or more. The Ultimate Package account must have sufficient funds to cover any fees, including the monthly account fee.

Total Relationship Balance: for any day, the sum of daily closing balances for that day in your eligible Scotiabank chequing accounts, savings accounts, GICs, and Mutual Funds including Scotia Registered Accounts and Scotia Investment Accounts (as defined in the Investment Companion Booklet) ("Eligible Accounts") linked to your retail client profile for which you hold your Ultimate Package. A complete list of the Eligible Accounts is found at scotiabank.com/totalrelationshipbalance and Eligible Accounts include sole and joint accounts. For Mutual Funds, your daily closing balance is based on market value. For GICs where interest is paid before maturity, your daily closing balance is equal to the principal amount less the amount of all partial redemptions plus any accrued and unpaid interest up to that date. For GICs where interest is compounded, your daily closing balance is equal to the principal amount less the amount of all partial redemptions plus compound interest earned, plus interest accrued and unpaid up to that date. For eligible non-Canadian dollar accounts, the balance will be determined based on the daily exchange rate determined by us and shown in Canadian Dollars.

Exclusions: All non-personal accounts and accounts held at Scotia McLeod, iTrade and/or any account type that is not in this list found at scotiabank.com/totalrelationshipbalance are excluded from the Total Relationship Balance.

If a transaction is recorded retroactively in the Eligible Account ("Backdated Transaction"), the Backdated Transaction will not retroactively change your Total Relationship Balance that was used to determine the eligibility for the monthly account fee waiver or rebate. In other words, we will consider the eligibility of the monthly account fee waiver or rebate only once at the end of any given month and will not reconsider even though a Backdated Transaction was retroactively recorded.

By opening your Ultimate Package account, you consent for The Bank of Nova Scotia to review your Eligible Accounts held at the Bank of Nova Scotia ("Eligible BNS Accounts") as well as Eligible Accounts held at Scotia Securities Inc. ("Eligible SSI Accounts"), including the balances held at both Eligible BNS

[Accounts and Eligible SSI Accounts \(including your sole account balances and any joint account balances you hold with other account holders\) for the purpose of evaluating, calculating, and investigating the Total Relationship Balance tier applicable to your Ultimate Package.](#)

[Privacy Statement: If you have a joint Ultimate Package account and it receives a monthly account fee waiver based on the Total Relationship Balance, the other Ultimate Package joint account holder may be able to infer that you hold a qualifying balance and/or have other products with us. This is because the Total Relationship Balance includes the balances held individually or jointly in other Eligible Accounts. If you prefer not to have the individual balances in your Eligible Accounts considered for the monthly account fee waiver eligibility on a joint account, please speak with your advisor or visit a branch to explore alternative banking options that may better suit your privacy preferences.](#)

Your **Total Relationship Balance** for any day is the sum of daily closing balances on that day in your eligible Scotiabank chequing accounts, savings accounts, GICs, & Mutual Funds including Scotia Registered Accounts and Scotia Investment Accounts (as defined in the Investment Companion Booklet) linked to your client profile for which you hold your HISA. A complete list of the Eligible Accounts is found here <www.scotiabank.com/TotalRelationshipBalance>.

You will receive monthly statements for your HISA except when HISA is dormant or inactive or HISA has no transaction to be reported on the statement with zero or a positive balance. Your monthly statements will not show a posting of the interest payment for that month. Details of the posted interest payment for any given month will appear in the monthly statement of the following month.

See section 1.0 of www.scotiabank.com/terms/hisa-examples/.

Consent

By opening your HISA, (1) you consent for The Bank of Nova Scotia to review your Eligible Accounts held at the Bank of Nova Scotia ("**Eligible BNS Accounts**") as well as Eligible Accounts held at Scotia Securities Inc. ("**Eligible SSI Accounts**"), including the balances held at both Eligible BNS Accounts and Eligible SSI Accounts (including your sole account balances and any joint account balances you hold with other account holders) for the purpose of evaluating, calculating, and investigating the Total Relationship Balance Level applicable to your HISA and (2) you consent to receive communications regarding your account electronically via Scotiabank's Digital Banking service which you can access by logging into Online Banking or our Mobile Banking app and/or through emails sent to your email address that we have in our records.

If you have appointed an attorney under a Power of Attorney ("**POA**") on your HISA, the attorney under the POA will have information pertaining to the applicable Regular Interest Rate and your HISA balances, including your Total Relationship Balance which, in turn, includes balances held in the Eligible BNS Accounts and Eligible SSI Accounts even though the attorney may not otherwise have access directly to the Eligible BNS Accounts or Eligible SSI Accounts. An attorney under a POA will not have information pertaining to the individual balances of Eligible Accounts making up the Total Relationship Balance.

CDIC

Your HISA is eligible for CDIC (Canadian Deposit Insurance Corporation) deposit insurance coverage.

Definitions:

- › **Backdated Transaction:** a transaction that is recorded retroactively, in our sole discretion, in the Eligible Account. For example, a Backdated Transaction occurs when we record a deposit of \$100 to Momentum^{PLUS} Savings Account on October 1 but effective as of September 1. Our records will indicate that the deposit of \$100 was made as of September 1 even though the date of entry of such transaction was October 1.
- › **Balance Level:** tiers of ranges of balances determined by Scotiabank. Each Balance Level has an annual interest rate based on your Total Relationship Balance.
- › **Balance Level Interest Rate:** the annual interest rates, determined by Scotiabank, associated with each Balance Level.
- › **Regular Interest Rate:** An annual interest rate that will apply to the balance of deposits made

to your HISA that is equal to the Balance Level Interest Rate of the Balance Level in which your Total Relationship Balance falls.

- › **Impact Date:** a date on which a Backdated Transaction is recorded retroactively by Scotiabank.
- › **Issue Date:** a date on which a Backdated Transaction is processed by Scotiabank.
- › **Interest Payment Date:** the 7th business day of each month when an interest payment is posted to HISA.
- › **Total Relationship Balance:** for any day, the sum of daily closing balances for that day in your eligible Scotiabank chequing accounts, savings accounts, GICs, & Mutual including Scotia Registered Accounts and Scotia Investment Accounts (as defined in the Investment Companion Booklet) "**Eligible Accounts**") linked to your retail client profile for which you hold your HISA. A complete list of the Eligible Accounts is found here <www.scotiabank.com/TotalRelationshipBalance> and Eligible Accounts include sole and joint accounts. We evaluate your Total Relationship Balance daily based on the daily closing balances of all Eligible Accounts. For Mutual Funds, your daily closing balance is based on market value. For GICs where interest is paid before maturity, your daily closing balance is equal to the principal amount less the amount of all partial redemptions plus any accrued interest up to that date. For GICs where interest is compounded, your daily closing balance is equal to the principal amount less the amount of all partial redemptions plus compound interest earned, plus interest accrued up to that date. For eligible non-Canadian dollar accounts, the balance will be determined based on the daily exchange rate determined by us and shown in Canadian Dollars. The Regular Interest Rate, determined based on your Total Relationship Balance, will only apply to the balances held in HISA. Non-personal accounts and accounts held at ScotiaMcLeod, iTrade and/or any account type that is not in this list are excluded from the Total Relationship Balance.

See section 1.1 of www.scotiabank.com/terms/hisa-examples/.

Regular Interest Rate and Balance Level

Your HISA pays interest on your HISA balance at the Regular Interest Rate which is the Balance Level Interest Rate for the Balance Level into which your Total Relationship Balance falls. The Regular Interest Rate is the annual interest rate determined by your Total Relationship Balance and the corresponding Balance Level. As your Total Relationship Balance changes on a daily basis, the applicable Balance Level may also change, which may result in a change to the Regular Interest Rate that would apply to the HISA balance. Balance Levels are structured in such a way that, if the Total Relationship Balance exceeds or equal \$10,000 CAD, you will earn the applicable Regular Interest Rate. Current interest rates for eligible deposit accounts including Regular Interest Rate and Balance Level Interest Rate may change at any time without prior notice. For the latest interest rates, please refer here <www.scotiabank.com/rates> for the current rates. The Regular Interest

Rate applicable, as determined by your Total Relationship Balance on any day is applicable to the entire HISA balance.

Some transactions occurring at your investment accounts such as Mutual Funds, GICs, and certain savings accounts such as Momentum^{PLUS} Savings Account (MPSA) (e.g. deposit, withdrawal, buys, sells, interest and dividend payout transactions) may take up to 7 calendar days to be reflected in your Total Relationship Balance for the purpose of determining your Balance Level and applicable Regular Interest Rate. This means that there is a delay (up to 7 calendar days) in reflecting your latest transactions within the Eligible Accounts on to the Total Relationship Balance.

See section 1.2 of www.scotiabank.com/terms/hisa-examples/.

Interest Calculation and Payment

Interest on your HISA balance is calculated daily using closing day balances of the HISA and the Regular Interest Rate determined by the Balance Level into which your Total Relationship Balance falls. Interest accrued on your HISA is paid on the 7th business day after the end of that month. For interest calculations made on a non-business day, the daily closing balance of the HISA and the Regular Interest Rate on the previous business day will be used. Business day is defined as any day of a week except Sunday (i.e. Monday to Saturday), excluding statutory federal holidays or bank holidays. For the purpose of these terms and conditions, Easter Monday is considered as a business day.

When your HISA is closed, the final interest payment will be based on the latest Total Relationship Balance and the applicable Balance Level that we have on record (which could be up to 7 business days delayed) and applied to the HISA balance. If we cannot determine your Total Relationship Balance due to account closure (e.g. when you close your HISA within 7 business days of opening it), Scotiabank will apply the Regular Interest Rate found in the highest Balance Level instead of using the Total Relationship Balance for the days impacted by the delay up to 7 business days.

See section 1.3 of www.scotiabank.com/terms/hisa-examples/.

Interest Adjustment for any Backdated Transaction

If there is a Backdated Transaction made to any of the Eligible Accounts for which the Impact Date is at least 8 calendar days or more prior to the Issue Date, we will calculate interest in the manner described below.

1. Issue Date and Impact Date in the **same month**

If there is a Backdated Transaction and both Issue Date and Impact Date are in the same month, we will calculate interest daily and retroactively at the Regular Interest Rate from the highest Balance Level ("**Highest Possible Interest Rate**") between Impact Date and one calendar day before the Issue Date. We will post

an interest adjustment payment to the HISA on the Interest Payment Date of the following month after the Issue Date.

See section 1.4 of www.scotiabank.com/terms/hisa-examples/.

2. **Issue Date and Impact Date not in the same month**

If there is a Backdated Transaction and the Issue Date and Impact Date are not within the same month, we will calculate interest daily and retroactively at the Highest Possible Interest Rate between the Impact Date and one calendar day before the Issue Date. We will post an interest adjustment payment to the HISA on the Interest Payment Date of the following month after the Issue Date.

Additionally, we will also apply the Highest Possible Interest Rate to the additional interest payment amount(s) that would have been paid on Interest Payment Date(s) between Impact Date and Issue Date.

See section 1.5 of www.scotiabank.com/terms/hisa-examples/.

Interest adjustment is not available for backdated transactions for withdrawals or debit transactions (i.e. transactions that reduce the Total Relationship Balance) as well as when backdating is done for a transaction that is 1 year or older.

Any Backdated Transaction made to any of the Eligible Accounts for which Impact Date and Issue Date are within 7 calendar days, the standard interest calculation described above applies.

See section 1.6 of www.scotiabank.com/terms/hisa-examples/.

Eligibility

This account is restricted to Canadian permanent residents over the age of 16.

This account is **only available for sole accounts**; joint HISA accounts are not eligible.

If you are the **sole** account holder of one or more HISA, the Total Relationship Balance will be based on the sum of the balances of the Eligible Accounts that are solely and jointly held by you.

See section 1.7 of www.scotiabank.com/terms/hisa-examples/.

Amendment and Cancellation

Any changes to these terms and conditions will be made pursuant to the Day-to-Day Banking Companion Booklet found at: www.scotiabank.com/d2dbooklet

You may cancel your HISA at any time without an additional fee or charge by making a request at any Scotiabank branch.

Scotiabank reserves a right to close the Scotia HISA should there be any suspicion of gaming.

⁹ If you open a Preferred Package account (the "Account"), on or after the date you open the Account (the "Account Open Date"), you will receive an annual fee rebate for the first year only (the "First Year Annual Fee Rebate") on one eligible Scotiabank Credit Card account (an "Eligible Card") opened on or after the Account Open Date. Eligible Cards are the Scotiabank Gold American Express®, Scotiabank Passport® Visa Infinite*, Scotia Momentum® Visa Infinite* and Scotiabank Value® Visa* credit cards. Eligible Cards are subject to change. Each Account can only receive one First Year Annual Fee Rebate regardless of the number of account holders on the Account or Eligible Cards opened. The First Year Annual Fee Rebate will be applied to the first annual fee charged to one Eligible Card that you hold as the primary cardholder after the Account Open Date. If there is more than one Eligible Card opened after the Account Open Date, the First Year Annual Fee Rebate will be applied only to the first annual fee charged to one Eligible Card that you hold as the primary cardholder after the Account Open Date. This First Year Annual Fee Rebate is only available for new Eligible Cards opened on or after the Account Open Date. Current or previous cardholders of an Eligible Card or cardholders that transfer to an Eligible Card on or after the Account Open Date will not receive the First Year Annual Fee Rebate. All other fees and charges applicable to the Eligible Card continue to apply. First Year Annual Fee Rebate will not be applied if the Account or Eligible Card is not open or is not in good standing and cannot be combined with any other annual fee rebate offer. If your Account was automatically converted from the Preferred Package for Students and Youth, we do not consider the Account to be newly opened and as such First Year Annual Fee Rebate will not apply to the Account that was automatically converted from the Preferred Package for Students and Youth. Current annual fees, rates and other features for Eligible Cards are subject to change.

⁹ Effective starting on and after June 22, 2026 (the "Effective Date"), clients who have a Preferred Package account ("Account"), will receive an annual fee rebate of \$40 ("Annual Fee Rebate") on one Eligible Card Account where they are the primary cardholder ("Eligible Card"), beginning on the first Anniversary Date after June 22, 2026 (and on each annual Anniversary Date thereafter), provided all of the following conditions are met: (i) there must be at least \$15,000 in Qualifying Purchases posted to the Eligible Card Account in the 12 monthly statements prior to the month in which the Eligible Card Account's annual fee is charged to the Eligible Card Account (the "Annual Anniversary Spend Amount"), and (ii) both the Eligible Card Account and the Account must be open and in good standing at the time the Annual Fee Rebate is applied. The Rebate should appear on your Eligible Card statement approximately on, or within the first two statements after the annual fee is charged to the Eligible Card Account. The first-year annual fee(s) charged on your Eligible Card Account after the Effective Date is not eligible for an Annual Fee Rebate. The Annual Fee Rebate applies, even if you opened an Eligible Card Account prior to the Account Open Date. Each Account will only receive one Annual Fee Rebate regardless of the number of accountholders on the Account or Eligible Cards held or opened on the Eligible Card Account. If you are the primary cardholder of multiple Eligible Cards, the Annual Fee Rebate will be applied to the annual fee that is charged first on an Eligible Card after the Account Open Date if you meet the Annual Anniversary Spend Amount. If your Eligible Card Account has an annual fee(s) that is greater than the amount of the Annual Fee Rebate, you are responsible for any difference in annual fee(s) after the Annual Fee Rebate is applied. All other fees and charges applicable to the Eligible Card Account continue to apply. The Annual Fee Rebate is subject to change and cannot be combined with any other offer including an annual fee rebate or waiver offer. Annual fees, rates and other features for Eligible Cards are subject to change. We may limit or revoke the Annual Fee Rebate(s) without notice if we believe there is suspicious or fraudulent activity, if the offer is being abused, or if you receive an Annual Fee Rebate in error. "Account Open Date" means the date that the Account is opened.

“Anniversary Date” means the date that is one year after the annual fee is first charged to your Eligible Card Account and every 12 months thereafter.

“Eligible Card Accounts” are currently the Scotiabank Gold American Express®, Scotiabank Passport® Visa Infinite* and Scotia Momentum® Visa Infinite* credit cards. Eligible Card Accounts are subject to change.

A **“Qualifying Purchase”** is a Purchase (as defined in your credit agreement for your Eligible Card Account) that is posted to your Eligible Card Account, less any refunds, returns or other similar credits on your Eligible Card Account. Qualifying Purchases exclude cash advances (including balance transfers and cash-like transactions), interest charges, fees and payments posted to your Eligible Card Account.

You understand and agree that the credit available under this Overdraft Protection Agreement is to be used solely to facilitate overdrafts in the applicable account(s) and not as a long term credit facility.

Effective Date

The Overdraft Protection will be available for use, effective the approval date. If the Overdraft Protection is approved under the Scotia Total Equity® Plan, then it will be available from the funding date of the Plan.

Fee Options

1 Pay-per-use Overdraft Protection Plan

You will be charged Per-use Overdraft Protection fee (\$5) on the same day or within two business days every time an overdraft is created or increased in your account. There is no Per-use Overdraft Protection fee if you do not use the overdraft. Per-use Overdraft Protection fee will not be charged more than once per day.

2 Monthly Overdraft Protection Plan

You will be charged Monthly Overdraft Protection fee (\$5) that is applied at the end of a statement cycle regardless of the number of overdraft transactions as long as the overdrawn balance is within the pre-authorized limit. This fee will apply even if your account did not go into overdraft in that month.

You can contact us to switch your Overdraft Protection Plan. If an account has multiple account holders, we will take instructions from any one or more of you to complete an Overdraft Protection Plan switch on your account provided your account has signing arrangement with “any to sign”.

Part 19 **Overdraft Protection Agreement**

Overdraft limit

You may overdraw the account(s) to which this agreement applies, up to the amount set out in the Personal Credit Agreement, if applicable, or as otherwise agreed to in writing by us. We may refuse any debit if the amount would cause the pre-authorized overdraft limit to be exceeded. If we allow the overdraft limit to be exceeded, we may treat the portion that exceeds the overdraft limit as an overdraft granted in the absence of Overdraft Protection, including applying the appropriate interest rate and service fees. You understand and agree that the credit available under this Overdraft Protection Agreement is to be used solely to facilitate overdrafts in the applicable account(s) and not as a long term credit facility.

This booklet is a legal agreement between you and us

You agree to the terms and conditions in this booklet, including the personal banking services agreements that apply to you (collectively, the “agreements”) The application you made for any account or other deposit product or service is part of these agreements.

If you have provided your verbal consent to open an account, product or service, the provision of this booklet to you confirms the verbal consent you provided.

Who is bound by this booklet?

The legal requirements in this booklet that apply to you are binding on you, your estate, your heirs, executors, administrators, and your personal and legal representatives.

Separate agreements and severability

Each of the agreements contained in this booklet is a separate contract. If a court holds any of those agreements or part of this booklet invalid or unenforceable in whole or in part, the remaining agreements and provisions are still in effect and binding.

Handling personal information

Protecting your privacy is central to our relationship with you. Our privacy commitment is found in the first part of the agreements section in this booklet.

Currency

All dollar amounts are in Canadian dollars unless otherwise noted.

Changes to your accounts

From time to time we change our account features and fees. We notify you about these changes in advance. See more information in the next section, “Changes to this booklet.”

If you are not satisfied with a change to your account, you may choose a different Scotiabank account within ninety (90) days of the effective date of the change. If you choose a different Scotiabank account during the 90-day period and your new account has higher fees, we will refund the difference between the fees from your old account and the new one for those 90 days if you ask us to.

Changes to this booklet

We may change the terms in this booklet from time to time. We may change these or other sections:

- › Introduction
- › Opening a Personal Deposit Account
- › General Information about Personal Accounts
- › Day-to-Day Banking Accounts
- › Special Feature Plans
- › Savings Accounts
- › Foreign Currency Accounts
- › Other Banking Services and Fees
- › Powers of Attorney
- › Resolving Your Complaint

We will give you written notice of any material change at least sixty (60) days before it takes place. If the law requires a different notice period, we give you notice within that time. The written notice will tell you:

- › about the change.
- › what date the change becomes effective.
- › if the law requires your consent to make the change, that you have the right to refuse the change without cost, penalty or cancellation indemnity. Refusing the change will cancel the applicable legal agreements between you and us, which also means you agree to close the account or accounts affected by the change.

You must notify us within thirty (30) days of the effective date of our change if you don't agree to it and want to close your account. If you notify us within that thirty (30) day period, we will cancel the applicable agreements. If you owe us any outstanding amount on your account or accounts, it becomes due when you give us notice.

Unless the law that applies says otherwise, we consider you have accepted a change if you do not notify us within thirty (30) days from the effective date of the change that you don't agree to the change or if you do any of the following after thirty (30) days from the effective date of the change:

- › a notice on the Scotiabank website
- › a notice with your monthly statement
- › a notice addressed to you at the last address we have for you in our records
- › a visible notice at all Scotiabank branches or ABMs or both
- › any other methods we decide are acceptable

Governing law

The terms in this booklet are governed by and interpreted under the applicable laws of the province or territory where you reside and the federal laws of Canada.

You agree you submit to and are bound by those laws and the courts of that province/territory in the event of any dispute relating to a Personal Deposit Account we provide to you and this booklet. Any judgment we obtain will not affect your obligations under this booklet.

Scotiabank's Sanctions Policy

Scotiabank is committed to sustaining a secure financial system in the jurisdictions in which it operates by taking necessary actions in accordance with a risk-based approach to comply with the sanctions regulations to which it is subject. In furtherance of this commitment it has adopted an Enterprise Sanctions Policy, which adopts strict standards of compliance with sanctions laws and regulations. As such, Scotiabank may not be able to facilitate business activity or transactions that relate to certain individuals, entities, or jurisdictions even if that activity is not locally prohibited. This may impact the financial services that we can provide to you.

Part 2 All about Personal Banking Accounts

Personal Bank Accounts

Personal bank accounts (also called personal deposit accounts) are accounts you use for personal banking. The accounts belong to the person or people whose name is on the account, and they cannot be used for business or transferred to anyone else.

If you conduct business using a personal account, we may charge business banking fees or close the account. If we suspect illegal, unauthorized or fraudulent transactions including illegal internet gambling, we may put a hold or cut off access to your account, even to you, without notifying you first.

Your roles and responsibilities as an account holder are explained in the Deposit Account Agreement in Section 18 of this booklet.

The different account and plan types

There are four categories of accounts and plans:

- › Day-to-Day Banking Accounts
- › Special Feature Plans
- › Savings Accounts
- › Foreign Currency Accounts

Find detailed information on personal account related services in Section 18 of this booklet.

Eligibility for an account

Some accounts are only available if you meet certain requirements. For example, our *Preferred Package for Students and Youth* account is only available to students, or clients under 23 years of age. Our Seniors' Discount is available to clients 60 years of age or older. You must meet the requirements to open these kinds of accounts.

How to access your account

You can access your account:

- › at our branches
- › at ABMs (Scotiabank's Automated Banking Machines or those of any other financial institution displaying the Interac⁺ symbol or the Visa/PLUS symbol abroad)
- › by making direct payment purchases

- › with pre-authorized payments
- › over the phone or internet
- › Mobile banking
- › by sending us instructions in writing

Using your bank card and personal identification number

If you open an account, you receive a *ScotiaCard* banking card. You will need to choose a personal identification number (PIN) to use your card. When you use your card and PIN, we consider it your electronic signature to authorize transactions. Find details and terms and conditions for using your *ScotiaCard* banking card in Section 13 of this booklet.

Opening an account

You can open an account at a branch, online at Scotiabank.com, or by calling 1-800-4SCOTIA (1-800-472-6842). When you open an account, here's what you can expect:

Confirming your identity

When you open an account at a Scotiabank branch, you will need to present personal identification (ID). You can find out what kinds of ID we accept at www.scotiabank.com or in "Day-to-Day Banking: Opening a Personal Account or Cashing a Federal Government Cheque at Scotiabank, Cheque Holding Policy," which is available at all Scotiabank branches.

ID for clients under 16 years old

Youths 12- to 15-years old may confirm their own identity by showing either:

- › one original piece of acceptable government-issued photo ID
- › documents from two independent reliable sources (options are listed on our website)
- › one document with the youth's name and date of birth and one document with the parent or guardian's name and address

Youths under 12-years old need a parent or legal guardian to:

- › open the account
- › provide one original piece of the parent or guardian's acceptable government-issued photo ID or documents from two independent reliable sources to confirm their identity (options listed on our website)
- › provide a certified copy of the legal document verifying their legal guardianship of the youth

Collecting and recording your information

We may collect and record information from you, including:

- › your full name, home address, date of birth, email address and occupation or type of business.
- › to comply with government regulations, we may need to ask you about your relationship to anyone who benefits from or is connected with your accounts. These include beneficial owners, intermediaries, and other interested parties. If someone else will use, give instructions, or directs the activity on the account, we ask for information about them and your relationship to them before we can open the account.
- › what type, volume, and frequency of account activity you expect.
- › where incoming funds or assets come from.
- › other information the Scotiabank's Privacy Commitment describes (Section 14 of this booklet).

We can refuse to open a personal account for legal reasons. If we do this, we let you know in writing. We refuse to do business with anyone who insists on being anonymous or who gives false, inconsistent, or conflicting information. We will refuse if we cannot find accurate information about your identity after making a reasonable effort to find it.

Keeping your personal information private

We keep your personal information confidential. Section 14 is our Scotiabank's Privacy Commitment.

Verifying your information

We verify key information you give us with reliable independent sources when it's reasonable to do so.

Monitoring your information

As the Scotiabank Privacy Agreement describes, we may monitor your account as part of our legal and regulatory obligations. When we notice that your financial behaviour changes, we take steps to find out why. This is an important part of protecting the security of your account.

Keeping your information up to date

We keep information about you and your financial activities for specific purposes that are legally permitted or required. We keep this information as accurate, complete, and up-to-date as is necessary to meet the purposes for which we collect it. If your personal information changes or is out of date, you must tell us so we can update our records. We may

request you to review and confirm that your personal information on file is accurate and up to date, failing which our services may be disrupted and/or you may not be able to access your account.

Other information we may ask you to provide

Because of regulatory requirements, we may ask you for more information about a specific transaction. For example, we may ask if you are conducting a transaction for a third party.

Interest rates on your account

If you have an account that pays interest, interest rates will vary from time to time, and you may not receive any interest when your balance falls below a certain level. For information on current interest rates, visit www.scotiabank.com or call 1-800-4SCOTIA (1-800-472-6842).

Knowing your money is safe with us

The Bank of Nova Scotia is a member of **Canada Deposit Insurance Corporation (CDIC)**. CDIC insures eligible deposits you make with Scotiabank up to maximum coverage limitations. For more information on deposit insurance, refer to page 87, CDIC - Protecting your Deposits.

The Bank of Nova Scotia maintains a Deposit Product List of the eligible deposits it offers. You can review and obtain the Scotiabank Group Deposit Product List on the Scotiabank website at www.scotiabank.com or at your Scotiabank branch.

Part 3 Important information on using your account

Direct Deposit for paycheques and government payments

You can arrange for electronic direct deposit of most employer paycheques and government payments. The payment goes directly into your account and isn't delayed if there is a postal strike.

Transaction Processing

In most cases, deposits, withdrawals and other transactions conducted at a branch or bank machine after 6:00 p.m. local time and any Telephone Banking and Online Banking transactions conducted after 6:00 p.m. Eastern Standard Time may be processed the next business day.

Cheques we are unable to accept

We will not accept any cheque that is damaged, poorly encoded, or nonstandard (e.g., missing Magnetic Ink Character Recognition). We will also not accept a cheque that has been endorsed (i.e. cheque was payable to someone else and endorsed over to you) and deposited through the ABM or mobile cheque deposit functionality in your Scotiabank app.

Holds on deposits, transfers, and returned cheques

Cashback limits on deposits

A CashBack limit will be assigned to your ScotiaCard. You can withdraw money up to that limit on your deposit during the hold period.

After you've had your card for a while, your limit may be automatically increased by us or you can ask us about increasing this limit.

Holds on cheques deposited to a personal account

When you deposit a cheque into your personal account, you may not always be able to access or cash the funds right away. We may hold funds for the hold period described in our policy. In some cases, a cheque may be returned after the hold period ends. Ultimately, you are responsible to us for any cheque you deposit that is returned to us, regardless of whether its hold period has expired.

In our holds policy, we define "cheque" to include negotiable items such as cheques, certified cheques, and bank drafts.

Hold periods

Whether we hold a cheque you deposit depends on how long you have dealt with the Scotiabank branch, the amount of money already in your account, and the amount and characteristics of the cheque.

Maximum hold periods are as follows. For these periods to apply, cheques must be undamaged and use magnetic ink that our deposit machines can recognize:

- › For cheques written from an account at a financial institution's branch in Canada:
 - › 4 business days for Canadian dollar cheques
 - › 9 business days for US dollar cheques
- › 19 business days for cheques from an account at a financial institution's branch in the US.
- › 29 business days for cheques from an account at a financial institution's branch outside Canada or the US.

Business day means regular weekdays only, excluding Saturdays, Sundays, and statutory federal holidays. The number of business days begins after the date of deposit.

We may extend the maximum hold period if we reasonably suspect illegal or fraudulent activity related to the account.

In some circumstances, we send cheques "on collection." This means the cheque amount will only be available in your account once Scotiabank has received the funds from the other financial institution.

Hold policy on transfers from another financial institution

You can schedule regular transfers* from a bank account at another financial institution to your Scotiabank personal account. Please ensure the other account has sufficient money for the transfer the *day before* your transfer date. We may hold the transfer into your Scotiabank account for up to five business days, to ensure the other bank account completes the transfer.

*These can be weekly, every two weeks, twice a month, monthly, every two months, quarterly, every four months, twice a year, or annually.

Cheques you deposit may be returned

Cheques you deposit are sometimes returned to us for the reasons below. When this happens:

- › We may send a printout or digital copy of the cheque image and not the original. We have the right to capture an original cheque's image, remove it from the payment system, and destroy it. The paper image or digital copy is the legal equivalent of the original.

- › You are always responsible for paying the full amount of any cheque that is returned, dishonoured, rejected, or reversed or is otherwise not paid, in whole or in part for any reason, together with any related costs. This is true even if the cheque was placed on hold and the hold was later released by us or where the funds are otherwise “cleared”. We may take the amount of any such returned cheque (and any interest we paid you on that amount or any related costs) from your account, even if it creates an overdraft. You are responsible for such returned cheques even if you close the account.

A financial institution (including Scotiabank) may refuse to pay a cheque you have already deposited for a number of reasons, including:

Account closed	The account the cheque is drawn from is closed
Counterfeit cheque	The owner of the account denies issuing the cheque
Duplicate payment	The cheque has already been deposited through Scotiabank or another financial institution
Forged or unauthorized signature	The signature on the face of the cheque is not the signature of the person it claims to be or that person is not authorized to sign on the account
Funds frozen/funds not cleared	A “hold” has been placed on funds in the account the cheque is drawn from
Intended Payee(s) Not Paid	The named and intended payees(s) of the cheque did not receive the funds
Irregular signature	The signature on the face of the cheque does not match the usual signature of the person it claims to be
Materially altered cheque	The owner of the account says the cheque has been altered without authorization
NSF	Non-sufficient funds (NSF) means there is not enough money in the account the cheque is drawn from
Payment stopped	The owner of the account has requested the cheque not be paid
Postdated	The date on the cheque is in the future
Refer to maker	The owner of the account who issued the cheque is to be contacted to determine the reason for the return
Stale dated	The date on the cheque is six months or older
Words and figures differ	The written and numerical amounts on the cheque don't match

Foreign currency cheques returned

If a cheque written in a foreign currency is returned, you are responsible for the Canadian dollar value of that cheque on the day we process the cheque. We are not responsible if the value of the cheque increases or decreases from foreign currency exchange changes.

If you receive money in your account in error

If a deposit or any other credit is made in your account in error, we will withdraw that amount, even if it creates an overdraft.

Holds on Disputed Funds

If permitted by law, and if we have been made aware that funds in your account(s) maybe subject to a possible claim, interest under any court order, statutory demand or other governmental legislation or a dispute by a third party, we may, at our discretion place a freeze or hold on any or all of the funds in your account(s) at any time without notice to you until the dispute is resolved.

Pre-authorized payments, stop payments, and transfers

Pre-authorized payments

You can set up a pre-authorized payment (also called a pre-authorized debit) to automatically pay a bill from your account. This is a convenient substitute for a postdated cheque when you have to pay the same bill every week or month.

We treat a request for a pre-authorized payment as though you authorized it and we do not verify it with you first. You waive any right to receive pre-notification from Scotiabank of the amount of the pre-authorized debit before it is processed.

To set a payment up, the company will need you to complete an authorization form telling them the amount, frequency, and account number the money will come from.

For payment amounts that are different on each bill, the company must let you know the amount at least ten days before payment is due. You must keep enough funds in your account to cover the payment. If the company asks you for a blank cheque with the authorization form, provide one, but:

- › do NOT sign the cheque
- › write VOID across the face of the cheque
- › record the void cheque in your banking records

Keep a copy of the authorization you signed. If it does not explain how to cancel the payment agreement or correct an improper withdrawal ask the company for the procedures.

Issuing a stop payment on a pre-authorized payment

When you ask us to stop payment on a pre-authorization and we do so, you agree to pay any costs we incur or any fees we may charge for this service. We reserve the right to not act on your request to stop a payment if you do not agree to pay such costs or fees. We stop pre-authorized payments based on the company name and the amount of the payment. If either the name or amount you provide does not match the payment that comes through, we may not stop it. Sometimes, unscrupulous companies are aware of this and change the name or amount slightly and continue to make withdrawals. If you want to cancel a pre-authorized payment to a specific company, you must also contact them to cancel the payments from their side.

Issuing a stop payment on a cheque

When you ask us to stop payment on a cheque you wrote and we do so, you agree to pay any costs we incur or any fees we may charge for this service. We reserve the right to not act on your request to stop a payment if you do not agree to pay such costs or fees. Of course, we can't stop payment if the cheque clears before we receive your request. In that case, we are not responsible for stopping the payment.

A stop payment order for	Automatically expires as follows
Single Cheque	<ul style="list-style-type: none"> › If you give us the cheque date: 180 days after the date of the cheque › If you do not give us the cheque date: 180 days after the date you set up the stop payment
Range of cheque numbers	› 12 months after the date you set up the stop payment
Pre-authorized payment	<ul style="list-style-type: none"> › If you tell us the amount: 180 days after the date you set up the stop payment › If you do not tell us the amount: 90 days after the date you set up the stop payment
Stop all cheques and pre-authorized payments to a single payee	<ul style="list-style-type: none"> › If the item date is backdated or unknown, the stop order automatically ends 90 days after the date it was set up › If the item is postdated, the stop order automatically ends 90 days after the item date

Investigating Electronic Funds Transfer (EFTs), Telephone Funds Transfers (TFTs) and Wire Transfers

We may delay or refuse EFT, TFT, or Wire Transfers at any time. We have a right to investigate these transfers to prevent crime, meet our legal requirements, or manage risks that go along with transfers.

General Restriction on Sending Payments

You will not include in any payment, transfer, or similar communication including a wire payment, content that is:

- › harmful to Scotiabank or any individual, company, corporation or other body corporate, government, governmental body, unincorporated body of persons or association;
- › reasonably considered to be the personal information of an individual, unless it has been provided with the appropriate consent and in accordance with applicable privacy laws;
- › a virus or other code or mechanism that is intended or is likely to cause damage including, but not limited to, a deceptive or malicious URL;
- › offensive or defamatory;
- › relates to, or is used to conduct, illegal activities; or
- › otherwise in contravention of applicable laws and rules.

Protecting yourself from fraud

Canadians lose hundreds of millions of dollars every year to fraud schemes. Keeping your money safe from fraudsters is your responsibility. You need to be aware of common frauds, including:

- › *Impersonation scams*: fraudsters pose as bank employees, police, or other government agencies and claim you must urgently send them money to avoid negative consequences;
- › *Investment scams and pig-butchering scams*: fraudsters promise a too-good-to-be true investment opportunity, and often require additional fees to withdraw the profits (which do not exist);
- › *Job/Task scams*: fraudsters promise a lucrative remote work opportunity, but then require you to send money in order to get paid;
- › *Bad cheque scams*: fraudsters send you a counterfeit cheque and ask you to deposit it and send some of the funds on to another account. When the cheque is eventually returned, you lose that money. See also section "Cheques you deposit may be returned";
- › *Romance scams*: fraudsters contact you and attempt to become long-distance romantic interests in order to get you to send them your money;
- › *Tech support scams*: fraudsters pose as a reputable security or technology company and have you install software on your computer which gives them control of your accounts;

- › *Service scams*: fraudsters pose as a service provider (for example, a cell phone or construction contractor) and claim to offer services at a much lower cost. The service or product is never provided.
- › *Advance fee scams*: fraudsters claim you have won a prize or are named as the beneficiary of a large estate, and require you to pay in advance to obtain it; and
- › *Grandparent scams*: fraudsters, sometimes using AI voice technology, pose as loved ones in crisis (for example, claiming they are in legal trouble or have been kidnapped) and request urgent money.
- › *Other*: always be suspicious when someone you do not know well, or have only interacted with online or over the phone, asks you to send money to them. Be alert for red flags such as a sense of urgency, too-good-to-true opportunities, requests for secrecy, or the use of irregular payment methods such as cryptocurrencies or gift cards. Money sent to fraudsters is rarely recovered!

You agree that you have, and will regularly review Scotiabank's Advice+ section on protecting yourself from fraud: <https://www.scotiabank.com/ca/en/security.html>

The Preferred Interest Rate Boost will cease to apply effective as of the date that the Preferred Package for Students and Youth account is closed. The Preferred Interest Rate Boost is an annual rate calculated daily on the *Momentum*^{PLUS} Savings Account(s) closing balance and paid monthly.

⁴ Preferred Package for Students and Youth account holders will receive Preferred Package GIC interest rates ("Preferred Package GIC Rates") on Long Term Non-Redeemable GICs with terms between 1 and 10 years, excluding Special Rate GICs, Market Linked GICs and Guaranteed Income Optimizer GICs. The Preferred Package for Students and Youth GIC Rates are subject to change without notice. For the latest Preferred Package for Students and Youth GIC Rates, contact your branch or call 1-800-4SCOTIA. Interest is accrued daily on your GIC from the issue date up to, but not including, the maturity date. For Scotiabank GICs that pay interest during their term (monthly, semi-annually or annually) the last interest payment is paid at maturity. You must be at least 16 or older to open a Scotiabank GIC.

⁵ The primary account holder of the Preferred Package for Students and Youth qualifies for a monthly account fee waiver on a Scotia® U.S. Dollar Daily Interest Account. The primary account holder on the Preferred Package for Students and Youth account can be either the primary or joint account holder on the Scotia® U.S. Dollar Daily Interest Account to qualify. If the primary account holder of the Preferred Package for Students and Youth had a Scotia® U.S. Dollar Daily Interest Account prior to activating a Preferred Package for Students and Youth the fee waiver will apply to the bill cycle following the activation of the Preferred Package for Students and Youth. Limit of one (1) Scotia® U.S. Dollar Daily Interest Account per Preferred Package for Students and Youth account. Both accounts must be in good standing.

⁶ Open transit debit transactions are made when you tap your debit card (including in a digital wallet) at a public transit fare reader across Canada where available. Open transit debit transactions will not be counted against the allotted number of free debit transactions for your account type. This does not apply to Scotia Chequing (stop sold) and Savings Accounts. Open transit debit transactions do not include a debit transaction through which you are purchasing tickets or loading your fare card.

Part 6 Savings accounts

Scotiabank Momentum^{PLUS} Savings Account

The *Scotiabank Momentum*^{PLUS} Savings Account is a no monthly fee, high-interest savings account for people living in Canada.

A *Momentum*^{PLUS} account pays interest in two ways:

- ▶ Regular Interest on all the money you hold in your account
- ▶ a higher level of interest, called Premium Interest, if you commit to keeping a certain amount of money without making withdrawals on that amount for 90, 180, 270, or 360 days.

How we calculate Regular Interest

We calculate Regular Interest daily on your closing balance and pay it monthly based on the annual Regular Interest Rate. Regular Interest is stated as an annual rate.

How Premium Interest works

Momentum^{PLUS} Savings Accounts pay Premium Interest in addition to Regular Interest. To receive Premium Interest, you must open a Premium Period and leave the amount you deposit without withdrawals until the end of the Premium Period. When you open a Premium Period you choose a) how much of your savings you want to deposit into a Premium Period and b) how long a Premium Period you want—90, 180, 270, or 360 days. Note you receive a higher interest rate for longer Premium Periods. You may have five different Premium Periods open at a time.

A Premium Period begins when you make a deposit. Any deposit made after 6 p.m. Eastern Standard Time on the last day of the Premium Period may be considered as a deposit made the next day which will be the first day of a new Premium Period. Any transaction that draws money from that specific Premium Period will end it and the premium interest will be forfeited. For example, these transactions end a Premium Period: withdrawals, transfers (including transfers to your other Scotiabank accounts and between Premium Periods within your *Momentum*^{PLUS} Savings Account), and transaction-related service fees. When one Premium Period ends, a new Premium Period of the same length starts the same day.

We calculate Premium Interest daily and pay it at the end of each Premium Period. We also pay Premium Interest on any Regular Interest that accumulates on that deposit. We list the Premium Interest rate as an annual rate, but we only pay interest on the portion of the year that applies.

If you make another deposit to one of your Premium Periods, we pay the following rates on that deposit, based on the number of days left in the period:

Days remaining until end of Premium Period	Premium Interest rate
90 days or less	90-Day Premium Interest rate
91 days to 180 days	180-Day Premium Interest rate
181 days to 270 days	270-Day Premium Interest rate
271 days or more	360-Day Premium Interest rate

How Preferred and Ultimate Interest Rate Boosts work

Preferred Package account holders receive an additional Preferred Interest Rate Boost and Ultimate Package account holders receive an additional Ultimate Interest Rate Boost.

It will take up to 10 business days after activating a Preferred Package account or an Ultimate Package account for the Preferred Interest Rate Boost or Ultimate Interest Rate Boost to apply respectively.

The Preferred Interest Rate Boost or Ultimate Interest Rate Boost will cease to apply effective as of the date that Preferred Package account or Ultimate Package account is closed.

The Preferred Interest Rate Boost and the Ultimate Interest Rate Boost are calculated daily on the *Momentum^{PLUS}* Savings Account(s) closing balance and paid monthly.

A limit of one (1) Preferred Interest Rate Boost or Ultimate Interest Rate Boost is available per *Momentum^{PLUS}* Savings Account. If both Preferred Interest Rate Boost and Ultimate Interest Rate Boost apply to the *Momentum^{PLUS}* Savings Account at the same time, the Ultimate Interest Rate Boost will prevail.

How Bonus Interest works

From time to time, we may offer additional bonus interest at our discretion. These offers are made on a temporary basis. Bonus interest is calculated at the applicable bonus interest rate only during the limited time offer period unless otherwise provided. Please refer to the applicable offer terms and conditions for specific requirements and conditions that may apply to each bonus interest rate offer.

Changes to interest rates and premium periods

Regular Interest Rates, Premium Interest Rates, Premium Periods, Preferred Interest Rate Boost, and Ultimate Interest Rate Boost can change at any time. Changes to Regular Interest Rates, Preferred Interest Rate Boost and Ultimate Interest Rate Boost apply immediately.

The Premium Interest rate will stay the same until the end of the Premium Period for deposits you made before the rate change. If you deposit new amounts after the rate change, the new rate applies. We post current Regular Interest Rates, Premium Interest Rates, Premium Periods, Preferred Interest Rate Boost, and Ultimate Interest Rate Boost at www.scotiabank.com.

Information you need to make wire transfers

*** SWIFT and BIC codes:** To transfer money between banks, especially internationally, you need to know the SWIFT or BIC (Bank Identifier Code) for the bank receiving the transfer. For Scotiabank in other countries, search SWIFT codes at <https://www2.swift.com/bsl/>. For funds coming into Scotiabank Canada, use swift code NOSCCATT.

IBAN numbers: In some European countries, you need an IBAN (International Bank Account Number) in addition to a BIC code. If you are sending money, you will need the correct IBAN code for the bank receiving the transfer. If you are receiving a transfer, Scotiabank does not have an IBAN code—use the correct SWIFT code and branch address instead.

Wire transfer fees

We may use other banks or third-party service providers (“correspondents”) to process outgoing wire transfers on our behalf. A correspondent may deduct foreign exchange currency conversion charges and other bank handling fees from the transfer if they apply. You agree to pay the correspondent fees in exchange for receiving this service. We cannot predict the amount of these fees. Scotiabank may receive back part of the fee the correspondent deducts.

If there is a currency difference when you transfer money outside Canada, the correspondent will convert the amount into the local currency at the exchange rate they use for buying the currency you send.

Transfer fees are charged in the currency of the account.

Some accounts will be automatically enrolled into InfoAlerts, which may include Safeguard, Security and Balance notifications that will be sent to the email address you provide to receive the most current information regarding your accounts. Choose from over 20 alerts. To learn more about registering InfoAlerts, visit [HYPERLINK "http://www.scotiabank.com/infoalerts"](http://www.scotiabank.com/infoalerts) www.scotiabank.com/infoalerts. - › InfoAlerts are free from Scotiabank for clients. Electronic notifications will be sent to your email address or your personal mobile device in near real-time to provide you the most current information regarding your accounts
- › Account Balance Below Alerts

We must provide you with an alert called the "Balance Alert" when the balance on your account falls below any threshold amount that we automatically set or you designate. To do so, we must enroll you in our InfoAlerts using the email address that we have for you in our records.

The threshold will be automatically set at \$100 (Cdn\$ or the currency of your account) or such other designated amount that you communicate to us through your InfoAlerts preferences. We will send you a Balance Alert at your email address when the outstanding balance on your account has fallen below the threshold.

You can opt out of receiving these Balance Alerts by unenrolling from receiving them or modify your preferences by visiting and updating your InfoAlerts profile through *Scotia OnLine* or the Mobile Banking App.

The Balance Alert you receive will include steps you can take to help you avoid incurring any applicable fees associated with your account that may be charged by us on your account (as set out in Day-to-Day Banking Companion Booklet) for your most recent transaction(s) or subsequent transaction(s) made on the account that has triggered the Balance Alert(s) and the time within which such step(s) should be taken.

Please refer to the terms and conditions for details pertaining to fees, timeframe for transaction to be completed and other important details, which can be found at <http://www.scotiabank.com>.

* We derive income from the fee as well as the difference (the spread) between the prices we bid to buy and offer to sell foreign currency. Our spreads may differ from time to time across currencies. The spread is reflected in the price we quote for the Requested Currency of your international money transfer request. The price of any Local FX Conversion Transaction will also include a spread charged by the relevant intermediary or recipient bank.

Western Union

You can send money to family or friends in over 200 countries and territories using Western Union at a branch, through Scotia OnLine or Scotiabank Mobile Banking. You need a Scotiabank Day-to-Day bank account to make a Western Union Money Transfer® transaction

Protect yourself from fraud when you send money overseas

Use Western Union to send money to friends and family. *Never* send money to someone you have not met in person. Scammers sometimes encourage people to transfer money. Do not transfer money to anyone for:

- › an emergency situation that you haven't confirmed
- › an online purchase
- › a credit card or loan fee
- › claiming lottery or prize winnings
- › anti-virus protection
- › a deposit or payment on a rental property
- › a mystery shopping assignment
- › a job opportunity
- › a charity donation
- › paying taxes
- › resolving an immigration matter

A Western Union transfer goes through quite quickly. After the money is paid, Western Union may not be able to give you a refund even if you are a victim of fraud, except under limited circumstances. If you believe that you are a victim of fraud, call the Western Union Fraud Hotline at 1-800-448-1492. Or visit <https://www.westernunion.com/ca/en/fraudawareness/fraud-home.html>

* Western Union makes money from currency exchange as well as its fees. When you choose a company to send money overseas, compare their transfer fees and exchange rates. When you set up a transfer through Scotiabank Mobile Banking, the transfer fee is \$5+1% with amounts between \$0-\$999.99 of amount you send person to person, not between businesses. Fees may change without notice.

Part 11 Powers of Attorney

What a Power of Attorney document is

A Power of Attorney is a legal document that appoints someone else (or more than one person) to manage your money and property for you when you can't. In most of Canada, that person is called an "attorney" but the person does not have to be a lawyer.

To set up Power of Attorney (POA) with us

We can set up a standard Power of Attorney that will cover transactions with Scotiabank*. You don't need to use our form, but if you do, ensure the Scotiabank POA form does not conflict with any other Power of Attorney form you have signed. You may want to get legal advice before signing a Power of Attorney form.

We require current, original ID from you and the attorney. If you have an existing Power of Attorney form, we need to see the original or an original notarized copy.

Using a Power of Attorney form to do banking

We need to review the Power of Attorney form before we can let an attorney do transactions for you. If the form has complex or missing information, it may take longer to review. We let you or your attorney know the outcome of our review as quickly as possible.

More information on Powers of Attorney

See the Government of Canada website: <https://www.canada.ca/en/employment-social-development/corporate/seniors/forum/power-attorney-financial.html>.

Part 12 Resolving Your Complaint

This section explains who to contact, Scotiabank's process, and the steps to take, including available channels, should you wish to move forward with a complaint. Please reach out to a Bank representative during this process if you would like a status update at any time.

Pathways to Complaint Resolution

Talk to us

As a first course of action, please contact your Bank Representative, visit the Branch or reach out to the Customer Contact Centre (1-800-4SCOTIA or 1-800-472-6842)

Contact the Escalated Customer Concerns Office (ECCO)

You may also request escalation at any time during the 14 days or if you are dissatisfied with the response provided. Upon escalation, a communication will be sent informing you of the updated point of contact.

We aim to resolve each case as quickly as possible; however, should this exceed 56 days, you will receive a notification. When your case is concluded at the ECCO, you will be sent communication outlining the Bank's response.

Transaction Records/Confirmation Numbers

At the completion of each Automated Banking Services and branch transaction, you will be given a transaction record, unless otherwise requested, or you will be provided with a reference number. If your *ScotiaCard* is used for a Direct Payment or Card Not Present Transaction, we may arrange for a third party, such as a merchant, to give you the transaction record. For some Direct Payment transactions you will need to provide your Written Signature on the transaction record. Your use of your *ScotiaCard* and Electronic Signature are subject to our verification and acceptance.

You agree that cheques or any other form of debit voucher transaction performed through any Automated Banking Services, at any Scotiabank branch other than at the branch where you maintain your Account(s), will not be returned to you, but rather a description of the transaction only (e.g. cheque, debit voucher or debit memo) will be reflected in your monthly statement or passbook.

Interac[†] Debit Contactless - Description

Interac[†] Debit Contactless is a feature available on your *ScotiaCard* that enables Cardholders to use the *ScotiaCard* to pay for small purchases, up to \$250 at select merchants, by holding your *ScotiaCard* over a Direct Payment Terminal that supports Interac[†] Debit Contactless. You do not have to insert your *ScotiaCard* or enter a PIN.

Note: If your *ScotiaCard* was issued before March 2013, your maximum purchase limit is \$50 at most merchants and \$100 at gas stations. Should you exceed the maximum amount at any merchant, you will be prompted for your PIN in order to complete

the transaction. Interac⁺ Debit Contactless Transactions are only for the payment of goods and services – “cashback” transactions are not permitted. If your card was issued before July 2021 your contactless limit is set to \$100. The contactless limit on your debit card will be automatically updated the next time you make a PINned transaction at a Scotiabank ABM or Branch.

Interac⁺ Debit Contactless - Enabling and Opting Out

When you are first issued a ScotiaCard with Interac⁺ Debit Contactless enabled, this feature will be activated the first time you conduct a successful PIN transaction at a Direct Payment Terminal, at an ABM or a branch.

You must have a pre-selected chequing Account linked to your ScotiaCard for Interac⁺ Debit Contactless to be enabled. Your Interac⁺ Debit Contactless settings will be automatically transferred to your replacement card.

You can have Interac⁺ Debit Contactless disabled on your ScotiaCard by contacting the Scotiabank Call Centre at 1-800-4SCOTIA or by visiting your nearest branch. If you request to have the feature disabled, any replacement ScotiaCards issued after the request will also have the Interac⁺ Debit Contactless feature disabled.

You may request to have the Interac⁺ Debit Contactless feature enabled at any time through the same contact methods. There is no charge to have the Interac⁺ Debit Contactless feature added to, disabled or enabled on your ScotiaCard.

Visa Debit

For ScotiaCard debit cards that have Visa Debit functionality, Visa Debit transactions will be processed through the pre-selected chequing Account linked to your ScotiaCard.

another Account or multiple other Accounts (for example another banking Account or a credit Account).

- d) Where you are liable for the transactions on your Account(s) pursuant to the terms and conditions described in this “Your Liability” section, you understand that this liability is in addition to any liability for those transactions that you have under any credit agreements (including the Revolving Credit Agreement) and other banking agreements that apply to your Accounts.

2. Our Liability

WE ARE NOT LIABLE TO YOU FOR ANY DELAY, LOSS, DAMAGE OR EXPENSE THAT YOU INCUR OR ANY INCONVENIENCE WHICH RESULTS FROM OUR PROVIDING OR FAILING TO PROVIDE ANY SERVICE, EXCEPT WHERE SUCH LOSSES RESULT FROM:

- › WILLFUL MISCONDUCT OR GROSS NEGLIGENCE BY THE BANK;
- › ERRORS, TECHNICAL PROBLEMS OR SYSTEM MALFUNCTIONS FOR WHICH THE BANK IS SOLELY RESPONSIBLE.

ALSO, WE ARE NOT RESPONSIBLE FOR YOUR ACTS OR OMISSIONS OR THOSE OF ANY THIRD PARTY. FURTHERMORE, THE BANK SHALL IN NO WAY BE LIABLE FOR ANY ACCIDENT, ACT OF AGGRESSION, THEFT, LOSS OR DAMAGE YOU MAY SUFFER WHILE USING AUTOMATED BANKING SERVICES OR OTHER SERVICES, WHETHER YOU ARE ON BANK OR OTHER PREMISES. TO THE EXTENT THAT WE MAY BE LIABLE TO YOU, WE WILL ONLY BE LIABLE FOR DIRECT DAMAGES. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL WE BE LIABLE TO YOU FOR ANY INCIDENTAL, SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOST PROFITS, LOST OR DAMAGED OR CORRUPTED DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES ARISING OUT OF OR RELATED TO YOUR USE OF ANY SERVICE, HOWEVER CAUSED AND REGARDLESS OF THE BASIS OF THE CAUSE OF ACTION INCLUDING, BUT NOT LIMITED TO, CONTRACT OR TORT (INCLUDING NEGLIGENCE, STATUTE OR ANY OTHER CAUSE OF ACTION) AND EVEN IF WE HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR LIABILITY IS SUBJECT TO THE LIMITATIONS SET FORTH IN THIS SECTION AND IN ANY OTHER SECTION OF THIS AGREEMENT.

We are not liable to you if an ABM or if a store, retailer or merchant does not accept your *ScotiaCard* at any time or if you cannot use your *ScotiaCard* or your Electronic Signature at any time or for any reason, including if we cancel or temporarily deactivate your *ScotiaCard* or decline to authorize a transaction because we have detected activity in your Account or the use of the *ScotiaCard* that we consider to be unusual.

No Warranties

Neither the Bank, nor any access service provider nor any other information technology service provider, makes any express or implied warranties concerning the Automated Banking Services including, but not limited to, any warranties of merchantability, fitness for a particular purpose or non-infringement of any third party proprietary rights unless disclaiming such warranties is prohibited by law.

Accepting Our Records

Our records as to whether an Automated Banking Services or branch transaction has been performed, and our determination of the details of that transaction, will be considered correct and binding on you, unless you provide us with evidence to the contrary within 30 days of the date of a disputed transaction.

Posting of Transactions, Cancelling Transactions and Updating Bill Payment Information

Any Automated Banking Services transaction (excluding automated bill payments) conducted in Canada before 12:00 a.m. (midnight) local time Monday through Saturday will normally be posted to your applicable Account as of the date of the transaction, unless that day is a holiday. Transactions conducted on Sundays or holidays will normally be posted to the applicable Account as of the next Business Day.

Any transaction conducted on a Saturday involving a Scotiabank chequing account or a current or business account will normally be posted to the designated Account as of the next business day. Transactions conducted outside Canada may be posted to your designated Account at a later date.

For transactions conducted using Visa Debit, transactions are posted to and funds debited from your Account on the date the transaction is authorized by us. If there is a difference between the original authorized amount and the final settled amount of the transaction, your Account may be credited with the original authorized amount and subsequently debited for the final settled amount of the transaction.

Any automated bill payment request made on or before 8:30 p.m. Eastern Standard Time, Monday through Friday will be posted to your designated Account on the day of the transaction. An automated bill payment made after 8:30 p.m. Eastern Standard Time, Monday through Friday or anytime on Saturday, Sunday or a holiday, will be posted to your designated Account on the next Business Day. Any automated bill payment request will be deemed to have been received by us on the date the transaction is posted to the designated Account.

We are not responsible for the processing of or any of the posting procedures or practices of your designated Bill Payment Companies

and we are not responsible if they charge you late fees or interest penalties. When you make a bill payment at one of our ABMs, branches, through the Automated Banking Services, you are responsible for ensuring that the Bill Payment Company (including account numbers and payee names) required by us to complete your payment instructions to that Bill Payment Company is accurate at all times. We may, without notice to you, update your bill payment profile information if we are advised of a change by the Bill Payment Company.

The debit to your Account for post-dated bill payments and fund transfers are processed at 6:00 p.m. Eastern Standard Time on the date to which your payment is post-dated.

Transactions involving Accounts with insufficient cleared funds at the time of processing may be rejected.

You acknowledge that once you have confirmed the details of a payment or transfer, you may not revoke or stop the payment or the transfer unless it is a post-dated payment or transfer you have set up in Online Banking, Mobile Banking or *TeleScotia* Telephone Banking. Such postdated payments and transfers can be cancelled directly through Online Banking until 6 p.m. Eastern Standard Time on the day they are scheduled to take place. You can also request cancellation of a postdated payment or transfer by speaking directly with one of our Customer Service representatives at the latest one (1) Business Day before the scheduled payment or transfer date.

You are responsible for notifying us of any changes to billing Account information.

If you establish a recurring bill payment or any pre-authorized payment with a merchant and your *ScotiaCard* number or *ScotiaCard* expiry date changes, you agree that we may, but we are not required to, provide that merchant with your new *ScotiaCard* number or *ScotiaCard* expiry date using the updating service provided to us through the payment network associated with your *ScotiaCard*.

Where a store, retailer or merchant becomes liable to make any refund to you, we will credit the designated Account with the refunded amount only upon our receipt of a properly issued credit voucher or other appropriate verification or authorization of the refund from the store, retailer or merchant.

We may at our discretion and without prior notice, refuse a request for authorization of any *ScotiaCard* transaction, and may notify third parties of such refusal as we think necessary. In exercising such discretion, we may take into account in calculating the funds available, any funds which we may decide to have been credited or debited to an Account.

We may place a hold on branch or ABM deposits pending verification.

Processing Foreign Currency Direct Payments, Card Not Present Transactions, Withdrawals and Advances

You can use your *ScotiaCard* to access your bank Accounts for the following foreign currency transactions from these Accounts:

- › Direct Payments at designated Direct Payment Terminals that are outside of Canada;
- › Card Not Present Transactions (*ScotiaCards* with Visa Debit functionality) through authorized merchants that are located outside of Canada; and
- › Cash withdrawals from designated ABMs that are outside of Canada.

You can use your *ScotiaCard* to access your Scotiabank Visa card Accounts, *ScotiaLine* access card and Scotiabank American Express card Accounts for the following foreign currency transactions on those Accounts:

- › Cash advances, other than from *Scotiabank*® U.S. Dollar Visa card Accounts, from designated ABMs that are outside of Canada; and
- › Cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account.

For foreign currency transactions, other than cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account, a converted Canadian dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. For cash advances from designated ABMs within Canada in Canadian dollars from your *Scotiabank* U.S. Dollar Visa card Account, a converted U.S. dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. The exchange rate at the time of settlement may be different from the exchange rate in effect on the transaction date. Payment networks include Visa International, Visa Inc., Interac Corp., or other payment networks as appropriate. Foreign currency transactions are subject to the following foreign currency transaction fees:

- › Foreign currency transactions on your bank Accounts using your *ScotiaCard*, including Visa Debit transactions, are subject to a fee that is disclosed in the “Self Service Banking” section page 47;
- › Foreign currency transactions on your Scotiabank Visa card Accounts, or Scotiabank American Express card Accounts, by using your *ScotiaCard* will be subject to the foreign currency transaction provisions of the Revolving Credit Agreement.

If you use your *ScotiaCard* for a transaction in a foreign currency and the store, retailer or merchant gives you a credit voucher (for example in the case of a refund), the two transactions (the purchase and the refund) may not balance exactly because of exchange rate and

currency fluctuations between the date of the purchase and the date of the credit (or refund).

We will not assume any risks associated with foreign currency exchange gains or losses from cross-currency conversions resulting from the use of your *ScotiaCard*. Any gains made or losses incurred by you in connection with foreign currency transactions because of currency rate fluctuations between the date the transaction is posted and the date any subsequent credit is posted to the designated Account are your responsibility and shall be payable to you or by you (as the case may be).

We may at any time, without notice, withdraw any ABMs or Direct Payment Terminals from use, cancel or vary the whole or any part of the services we offer you through the use of the *ScotiaCard*.

No Automated Banking Services transactions will be processed after cancellation of the Automated Banking Service.

Your continued use of the Account, the Automated Banking Services or any other service with us, acknowledges that you agree to and accept the new terms and conditions of the *ScotiaCard* Cardholder Agreement and all agreements related to the Account or service as amended, modified or replaced. Scotiabank has the right to send you a new *ScotiaCard* with new features without prior notice.

Resolving Disputes

We are not responsible for any failure to supply, or lack of suitability of quality of, any goods or services purchased from Bill Payment Companies, merchants or others through the Automated Banking Services. All disputes between you and a Bill Payment Company, merchant or others, including your rights to compensation or any offset rights (set-off), shall be settled directly by you with the Bill Payment Company. We do not verify, nor are we required to verify, that any purpose for which the payment is made has been fulfilled by the Bill Payment Company as a condition of honouring your payment request on your Account.

For all unauthorized claims, we will investigate the transaction and a determination regarding whether any reimbursement will be made based upon the investigation. We will respond to the Cardholder's report of an unauthorized *ScotiaCard* transaction within 10 business days. We may require a signed statement during the course of the investigation. Or, where appropriate, we may require a signed affidavit from the Cardholder, which may result in a temporary suspension of the 10 day limit, until the requested information is received.

No funds, or only partial funds will be reimbursed if our investigation determines that on the balance of probabilities, the Cardholder contributed to the unauthorized use of their *ScotiaCard*. If we cannot settle the complaint in your favour, you will be informed of the reasons for Scotiabank's position in the matter.

If a problem with a *ScotiaCard* transaction is not resolved to your satisfaction or you have not received a response to a claim of an unauthorized *ScotiaCard* transaction within the time period, please refer to the Complaint Resolution section of the Day-to-Day Banking Companion Booklet.

Other Agreements, Fees and Charges

If you do not provide personal information that is required for a particular product or service, then we may not be able to provide it, or meet all our obligations to you. We may also collect information about you from other sources, including information from credit agencies (for example, where you apply for credit, or where we must identify you), people appointed to act on your behalf, our social media pages, or other banks or financial institutions (for example, where you have switched your accounts to us, or where we have received information to investigate incorrect payments).

We will keep your information for as long as you are our client. Once our relationship has ended, we will only keep your information for so long as is appropriate for the type of information, and the purpose for which we're retaining it. The period we keep your information for is generally linked to the amount of time available for you to bring a legal claim. We may keep the information longer than this if there is an existing claim or complaint that will require us to keep your information, or for regulatory or technical reasons. If we do keep it for a longer period, we will continue to protect your information.

1. Purpose of These Remote Instructions Terms of Use

These remote instructions terms of use (the “**Terms of Use**”) set out the terms and conditions that apply when we receive Remote Instructions through Permitted Means in connection with a Product or Service that is provided or administered by us. These Terms of Use replace any other agreement(s) relating to providing instructions remotely including any Telephone/Fax/Email Agreement.

A current copy of these Terms of Use is available online at [https://www.scotiabank.com/content/dam/scotiabank/canada/common/documents/Remote_Instructions_Terms_of_Use.pdf]. You should review these Terms of Use on a periodic basis and before you provide us with Remote Instructions.

2. Definitions and Interpretation

- a. **Definitions:** Below are some key definitions we use in these Terms of Use and what they mean:
 - “**Digital Access Agreement**” means the terms and conditions that apply when you use or access a Product or Service through a mobile device, computer or any other electronic device (or other digital service we make available from time to time), including when we permit you to use a card or account number or password, personal identification number (PIN) or other access code;
 - “**Permitted Means**” means telephone, e-mail (including secure e-mail), facsimile transmission or video conference, in each case using a number, address, link or other means of access that we designate for the purpose of providing us with instructions in connection with a Product or Service and any other communication process we may permit from time to time at our sole discretion, but does not include any access or instructions that are subject to the Digital Access Agreement;
 - “**Product or Service**” means any product or service that we provide or administer to you including bank accounts, non-registered and registered investment accounts, personal and business credit accounts including loans, credit cards or lines of credit, creditor insurance and business investment products;

“**Product or Service Agreement**” means the terms and conditions, disclosures, notices and any other agreements or documents that we provide to you and/or you accept or enter into in relation to a Product or Service, including documents and agreements that are incorporated into them, as amended, replaced, renewed or supplemented from time to time;

“**Remote Instructions**” means any instructions, consents, agreements or other documents (including any Product or Service Agreement) that we may allow you to provide by Permitted Means in connection with a Product or Service, including:

- › Applying for or opening a new Product or Service;
- › Amending, paying out or cancelling an existing Product or Service;
- › Providing instructions relating to a Product or Service including redeeming or renewing, transferring balances between accounts or changing personal or business information related to a Product or Service;
- › Any other instructions, consents or agreements we permit you to provide by Permitted Means from time to time.

“**we**”, “**our**”, “**us**” or the “**Bank**” means The Bank of Nova Scotia and/or, as appropriate (and unless expressly excluded), any of our Canadian subsidiaries or affiliates including Scotia Securities Inc. and any of their or our employees (including officers), directors, agents or authorized representatives; and

“**you**” or “**your**” means each person, corporation or other entity who is the holder of a Product or Service, a borrower for a Product or Service (including any co-borrower or co-signor) pursuant to a Product or Service Agreement, the authorized signatory or authorized representative for a Product or Service or those who applies for a Product or Service.

- b. **Interpretation:** The words “includes” or “including” mean “including but not limited to” and “including without limitation”. Headings in these Terms of Use are for ease of reference only and do not affect the interpretation of anything in these Terms of Use.
- c. **Digital Services and the Digital Access Agreement:** If you use a Card and/or our Digital Services (as those terms are defined in the Digital Access Agreement) to provide instructions to us, the Digital Access Agreement will apply to those instructions and not these Terms of Use.

3. Providing Remote Instructions

- a. **Authorization:** When you apply for or have a Product or Service, you agree that these Terms of Use apply when you provide us with Remote Instructions and you authorize us to accept those Remote Instructions in connection with that Product or Service on the terms and conditions set out in these Terms of Use. For a Product or Service that is jointly held, you agree that any one of you may give us Remote Instructions for the Product or Service without prior notice to or consent of all of you, except if consent from all of you is required by us, or is required under the Product or Service Agreement or under applicable law. If you are a corporation or another entity that is not a natural person, Remote Instructions can only be given by the authorized representative(s) of the corporation or entity designated under the Product or Service Agreement (unless we agree to receive Remote Instructions from any other person if you request).
- b. **Instructions are Valid and Final:** You acknowledge that Remote Instructions received by us are valid and final. We may, acting reasonably, rely on any Remote Instructions that we believe come from you and fulfill them without further inquiry even if you did not actually give the Remote Instructions. Such Remote Instructions will have the same legal effect as if they came from you and will be legally binding on you.
- c. **Recording:** You acknowledge that if you provide Remote Instructions over the telephone or, where available, other electronic means (including video), your call or video may be recorded for quality, training or verification purposes.
- d. **Voicemail:** If you attempt to provide Remote Instructions to us solely by voicemail, we will not act upon those Remote Instructions unless we specifically advise you that we will act on those Remote Instructions.
- e. **Fees:** We can collect or charge any amounts that we have disclosed to you in your Product or Service Agreement as service charges or fees or other rates or charges for completing the Remote Instructions.

4. Receiving Remote Instructions

When we receive Remote Instructions, you agree that we may, but are not obligated to, do any of the following:

- a. **Authentication:** We may ask you to give us certain information that will assist us in determining that you are authorized to give Remote Instructions.
- b. **Refusing to Act:** We can refuse to act on any Remote Instructions for any reason, including if we cannot confirm

that you are authorized to give them, or if we decide they are not appropriate for any reason or if you do not comply with any requirement under these Terms of Use to our satisfaction. We may take reasonable steps to try to notify you or otherwise inform you when we will not act on Remote Instructions as received.

Part 16 *Bank The Rest*® Savings Program Agreement

1. In order to participate in the *Bank The Rest* savings program, you must maintain a *Money Master*® Savings Account (the “Destination Account”), a personal deposit account designated as “chequing” or “savings” and a personal *ScotiaCard* banking card.
2. You authorize Scotiabank to automatically round up the amount of every purchase you make through a Card Payment (as defined in the Digital Access Agreement) on your personal deposit account using your personal *ScotiaCard* banking card to the next multiple of the round-up amount you have indicated in the *ScotiaCard* Banking Access Enrollment/Maintenance form and allocate the difference between this multiple and the actual purchase amount as “*Bank The Rest* savings” within your personal deposit account.
3. We aggregate all *Bank The Rest* savings each business day and transfer that amount from your personal deposit account to your Destination Account at the end of that business day.
4. Even if you subsequently cancel or reverse any purchase you had made using your *ScotiaCard* banking card, the corresponding *Bank The Rest* savings will remain in the Destination Account or will be transferred to the Destination Account if it hasn’t been transferred already.
5. If at the end of a business day the balance in your personal deposit account is less than the aggregate *Bank The Rest* savings for that day, we will cancel the transfer of the *Bank The Rest* savings to your Destination Account for that day even if there is overdraft protection on the account.
6. You acknowledge that the limitations of liability set out in the Digital Access Agreement and any other applicable agreement you have entered into also apply to the *Bank The Rest* savings program.
7. You may modify or cancel your enrollment in the *Bank The Rest* savings program by contacting Scotiabank through its Contact Centre at 1-800-472-6842 or *ScotiaOnline* or by visiting a Scotiabank branch.
8. We may from time to time make changes to this agreement, including changes to Sections 1 to 8.

We’ll provide you with a written notice at least sixty (60) days in advance of the change (or such other notice period as required by law) setting out the change, the effective date the change comes into force and your right to refuse the change and to cancel the agreement

without cost or penalty, other than any change where your consent is not required by law.

You must notify us within thirty (30) days of the effective date of our change if you don’t agree with that change. If you notify us within that thirty (30) day period that you don’t agree with the change, we will cancel this agreement and any outstanding amount you owe will immediately become due.

- › keep any of the applicable account(s) open;
- › use any of the applicable account(s); and/or

Part 17 CDIC Protecting Your Deposits

Protecting your deposits

Canada Deposit Insurance Corporation (CDIC) is a federal Crown corporation that insures more than \$1 trillion in deposits held in member institutions. CDIC is fully funded by our members and coverage is free and automatic - you don't have to sign up.

CDIC protects eligible deposits in Canadian and foreign currency for up to \$100,000 (Canadian dollars) in each of CDIC's insurance categories.

What's covered?

- Deposits in Canadian or foreign currency (including via payroll, Interac e-transfer, or cheque)
- Guaranteed Investment Certificates (GICs)
- Other term deposits

What's not covered?

- Mutual funds
- Stocks and bonds
- Exchange Traded Funds (ETFs)
- Cryptocurrencies

Example: Jane Doe has placed the following funds at a CDIC member institution. Here's what does ✓ and does not ✗ qualify for CDIC coverage:

- \$ 40,000 in a GIC ✓
 - \$ 25,000 in a savings account ✓
 - \$ 25,000 in a chequing account ✓
 - \$ 130,000 in mutual funds ✗
- \$220,000 = Total Portfolio
 \$ 90,000 = Total Eligible Deposits
 \$ 90,000 = Total Deposits Protected by CDIC

Jane's GIC, savings and chequing accounts are in her name only and all qualify for CDIC coverage within the same coverage category (deposits held in one name). As a result, total amounts in these accounts are combined and are insured for up to a total of \$100,000 in the event of a member institution's failure.

A word about financial service providers, products and deposit protection

CDIC deposit insurance may be available for eligible financial products offered by a CDIC member, another financial institution, a broker, a third-party financial service provider (for example, a financial technology company), or other providers. To find out if your deposits are protected by CDIC, speak to your financial service provider.

What happens if a CDIC member fails?

In the unlikely event of failure of a CDIC member institution, CDIC provides access to insured funds (including interest) within days. It's automatic - we will contact you.

What you can do

- Know what is covered and what is not
- Keep your address, phone number and email up-to-date at your financial institution
- Ask your broker or financial advisor about CDIC's rules for deposits held in trust including keeping up-to-date beneficiary information

Part 18 Deposit Account Agreement

When you complete the account opening process, you agree to the following terms and conditions governing the account.

Ownership, Survivorship Rights and Signing Arrangements

Sole Account Holders[†]

If an account is in your name only, you alone own the funds in the account, and we will only take instructions from you. On death, the proceeds in your account will form part of your estate or as otherwise required by law. When we are informed of your death, your account may be frozen. Any applicable fees to your account may continue to be charged until it is closed.

Note to Parents and Legal Guardians Regarding Minor Sole Account Holders:

If you open an account in the sole name of a minor under 16 years of age, funds in the account belong to the minor account holder. However, you will have sole signing authority until you (at any time) or the minor (after the minor's 16th birthday) make arrangements in writing to cancel your signing authority, at which time the minor will acquire sole signing authority.

Multiple Account Holders (Joint Accounts)[†]

If an account has multiple account holders, the account signing arrangement that you selected during the account opening process may determine from whom we will accept instructions to operate the account, and you will be bound by any instructions given to us by the designated signing authority(ies).

Any designated signing authority will remain in force and can be relied upon by us until we receive written notice of change from the designated signing authority(ies).

Another account holder cannot be added to an existing account unless all existing account holders have authorized it. To remove an account holder, all account holders must first authorize the closing of the existing account and the remaining account holders must authorize the opening of a new account with a new account number.

Because legal responsibilities and tax consequences vary depending on the ownership, survivorship rights and signing arrangements, you may wish to discuss these matters with your legal and/or tax advisor when establishing an account with multiple account holders.

We assume no responsibility for any claim or loss whatsoever arising from or relating to the signing arrangement selected or the ownership or survivorship rights associated with that signing arrangement.

We share personal information with joint account holders or representatives (such as a legal guardian, power of attorney or lawyer). Joint account holders will each have access to all of the account history and transaction details for the account. We may also share personal information with your (or your joint account holder's) estate representatives or beneficiaries where reasonably necessary to administer the estate.

More information regarding joint accounts and the associated risks is available on the Government of Canada's website:

<https://www.canada.ca/en/employment-social-development/corporate/seniors/forum/power-attorney-financial.html>

'What every older Canadian should know about Powers of Attorney (for financial matters and property) and Joint Bank Accounts'.

† Not applicable to "In Trust For (ITF) Accounts", described later in this agreement.

a) "Any to Sign"

- › Joint Tenants with Right of Survivorship (JTWROS) (accounts outside Quebec)
- › Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is "any to sign", we will accept instructions from any one or more of you, without the signature or consent of the others. For example:

- › We can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you. ;
- › We can pay and deduct from your account the amount of any cheque, bill of exchange, promissory note, pre-authorized payment or order for payment that is drawn, accepted or made by any one or more of you, even if doing this may cause your account to become overdrawn or increases an existing overdraft;
- › We can take instructions from any one or more of you for stopping any payment order (cheque) drawn on your account;
- › We can take instructions from any one or more of you to complete an account type switch on your account;
- › Except for a lawful claim made against your account, the whole or any part of the credit balance in your account may be withdrawn by any one or more of you.

In addition,

- i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.
- ii) if your account is held at a branch outside Quebec, the ownership arrangement is joint tenants with right of survivorship (JTWROS).

This means that we treat the funds in your account as joint property. If one account holder dies, the account funds are deemed to be owned solely by the surviving account holder or, if there is more than one surviving account holder, owned as JTWROS by the surviving account holders. We can pay the account funds to the surviving account holder or, if there is more than one surviving account holder, to any one or more of the surviving account holders. In addition, you authorize us to release to the estate representative, any information about the joint account up to the date of death of the account holder.

- iii) if your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). This means that if one account holder dies, the deceased's share of the account funds will be disbursed to the deceased's estate in accordance with the deceased's will or as otherwise required by law and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law. Joint holders in Quebec who are spouses or former spouses can declare their respective share of the account in the event of a joint holder's death. Share declarations can be changed at anytime by a written request at any Scotiabank branch. Failure to declare a share will result in an equal split of the balance at the time of a joint holder's death. Upon the death of one of the joint holders, we will provide the share of the balance to the surviving account holder or the liquidator of the estate, in part or in whole, who submits a written request. Thereafter, we will also provide the corresponding share to the liquidator of the estate or the surviving account holder as the case may be who did not submit a written request.

Unless we are otherwise informed, we will assume that each joint account holder owns an equal share of the account funds. In addition, the liquidator of the estate is entitled to all account information up to or after the date of death of the account holder.

b) "All to Sign" or "Multiple Signatures"

- › Tenants in Common (TIC) (accounts outside Quebec)
- › Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is "all to sign", we will only accept instructions agreed upon by all of you. If the signing arrangement is "multiple signatures", we will only accept instructions from the designated signatories in the combination(s) you specified. Under either type of signing arrangement, we can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you.

In addition,

- i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.
- ii) if your account is held at a branch outside Quebec, the ownership arrangement is tenants in common (TIC). In addition, you authorize us to release to the estate representative, any information about the joint account up to the date of death of the account holder.
- iii) If your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). In both cases, this means that if one account holder dies, the deceased's share of the account funds will be disbursed to the deceased's estate in accordance with the deceased's will or as otherwise required by law, and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law. Unless we are otherwise informed, we will assume that each joint account holder owns an equal share of the account funds. In addition, the liquidator of the estate is entitled to all account information up to or after the date of death of the account holder.

“In Trust For (ITF)” Accounts

If an account has been opened as “In Trust For”, we will only take instructions from the named trustee account holder(s) in accordance with the signing arrangement for the account. For tax reporting purposes, we will require the social insurance number (SIN) of the primary trustee account holder. We will issue tax slips in the name(s) of all trustee account holder(s).

For ITF accounts with multiple beneficiaries, it is the trustee account holders' responsibility to provide us with the beneficiary information as at April 30th each year to meet CDIC Disclosure By-Law requirements.

Because there may be legal responsibilities and tax consequences associated with opening an 'ITF' account, you may wish to discuss these matters with your legal and/or tax advisor. We assume no responsibility for any claim or loss whatsoever arising from or relating to the election to open an 'ITF' account, nor to have knowledge of or to observe the terms of any trust, whether written, verbal, implied or constructive.

You can contact us to switch your Overdraft Protection Plan. If an account has multiple account holders, we will take instructions from any one or more of you to complete an Overdraft Protection Plan switch on your account provided your account has signing arrangement with “any to sign”.

Payment

Within 30 days from the day in which the overdraft occurred:

- › You will bring your account to a positive balance;
- › You will pay the handling charge, which is treated as an overdraft amount, for each debit drawn on the account while your account is overdrawn more than the pre-authorized limit;
- › You will pay us all other applicable service charges, including Per-use Overdraft Protection fee, Monthly Overdraft Protection fee or Modified Monthly Overdraft Protection fee; and
- › You will pay us the overdraft interest charge. Interest is accrued and calculated daily to each statement date on each debit from the date on which the debit is charged to the account. Overdraft interest charges are treated as overdraft amounts.

The interest rates and charges, referred to above, that are applicable to you are those set out in the Overdraft Protection section of the Day-to-Day Banking Companion Booklet or as otherwise disclosed to you in writing.

You agree that all payments that you make to us or that we ask you to make will be made in full without any set off, abatement, counterclaim, deductions or withholdings whatsoever.

You agree that you do not have a right to cancel, offset, or reduce any payment or debt by an amount we owe you.

Default

Default occurs when you fail to comply with any of the terms, including the promise to pay, outlined in any agreement you have with us and/or when you fail to operate your account in a satisfactory manner; for example, if you have multiple NSF cheques or if you become subject to or file for bankruptcy or a similar proceeding.

If your overdraft balance goes into default, the overdraft balance in your account(s) may become immediately due and payable and/or we may close your account. If we close your account due to unpaid overdraft balance and/or for default under this Agreement, your overdraft balance will be treated as a delinquent debt owed to us and may be reported as such to a credit reporting agency. This debt will be listed as a “Scotia Plan Loan” in our communication to you for administrative purposes. Interest payable will be calculated daily and applied to the balance owing at a rate of 21% per annum regardless of whether or not you are in default of this Agreement.

Please note that default is reported to credit bureaus, which can adversely affect your credit rating and negatively impact your future borrowing capability.

Amending the agreement

We may from time to time make changes to the terms set out in this Overdraft Protection Agreement, including changes to the following sections:

- › Overdraft limit
- › Effective Date
- › Payment
- › Default
- › Amending the agreement
- › Terminating the agreement

We'll provide you with a written notice at least sixty (60) days in advance of the change (or such other notice period as required by law) setting out the change, the effective date the change comes into force and your right to refuse the change and to cancel this Overdraft Protection Agreement without cost or penalty, other than any change where your consent is not required by law.

You must notify us within thirty (30) days of the effective date of our change if you don't agree with that change. If you notify us within that thirty (30) day period that you don't agree with the change, we will cancel the Overdraft Protection Agreement and any outstanding amount you owe will immediately become due.

Subject to applicable law, we'll consider you to have accepted any change if you don't notify us within thirty (30) days of the effective date of such change that you don't agree with the change, or if you keep any of the applicable account(s) open, if you use any of the applicable account(s), or if there are any outstanding debts associated with any of your applicable account(s) after the effective date of the change.

Any notice we provide to you about a change to this Overdraft Protection Agreement, as described above, may be provided to you in any of the following ways:

- › a notice addressed to you at your last address in our records;
- › a notice prominently displayed at all Scotiabank ABMs;
- › a notice on the Scotiabank website;
- › a notice in your monthly statement;
- › an electronic notice or message sent to the Communications Centre of Online Banking or Mobile Banking; or
- › such other methods as we may permit.

Terminating the agreement

We may terminate this agreement, without notice to you, if you are in default. We may terminate this agreement, without reason, by giving you 30 days written notice. You may terminate this agreement (or cancel your Overdraft Protection) at any time without an additional fee or charge, which can be effective starting the day you terminate this agreement (or cancel your Overdraft Protection).

Termination by us or you does not relieve you of any obligations under this agreement until the overdraft amount has been paid to us in full. Regardless of such termination, you are responsible for paying us for all debits or other charges made following termination.

All entries will be considered correct and binding on you, unless you provide Scotiabank with evidence to the contrary within the applicable time period as set out in your account agreement.

If no such time period is identified, you must notify us of any error within 60 days of the date of the disputed entry. You confirm that you have the necessary technical ability and electronic resources to do this. You acknowledge that technical and security requirements for access to the Designated Information System may change from time to time.

If you are unable to access the Designated Information System to meet your obligations under this section for any reason, you should revoke your consent as provided under “Revoking Consent” (see section 7 below).

6. **Providing Documents by Paper:** We reserve the right to provide you with documents by paper delivery if we are unable to provide electronic delivery (including cases where such documents are not currently in digital form), have reason to believe you may not have received the electronic document, or otherwise consider

it appropriate. Any paper delivery will be provided to you at the most current mailing address that we have on file for your selected account(s).

It may take up to 10 business days for your revocation to take effect. You may still receive electronic delivery of documents issued by us before your revocation takes effect.

Current passbook users who choose to switch to Paperless Statements will not be able to switch back to the Passbook Record Keeping Option. However, such customers may choose the Paper Statement option in order to receive paper based documentation going forward.

Change of consent for tax documents from paperless to paper can be made up to the last business day of the relevant tax year.
