

Scotia INNOVA Income Portfolio Class - Series A

Canadian Fixed Income Balanced

Investment Objective

The portfolio's objective is to achieve a balance of income and long term capital appreciation, with a significant bias towards income. It invests primarily in a diversified mix of mutual funds, and/or equity securities and/or fixed income securities located anywhere in the world. It may also invest a portion of its assets in units of one or more LP Funds which makes use of forward contracts, deposit notes or other derivatives in order to gain exposure to the return of mutual funds managed by the Manager or an affiliate thereof.

Reasons for Investing

- Exclusive investment management through a diversified mix of Scotia Private Pools and ScotiaFunds.
- Rebalanced on a daily basis and is re-optimized annually to ensure it continues to meet its objectives.
