Investment Objective

The Portfolio's objective is to achieve a balance of current income and long term capital appreciation, with a significant bias towards income. It invests primarily in a diversified mix of mutual funds, and/or equity securities and/or fixed income securities located anywhere in the world.

Reasons for Investing

- ▶ Exposure to a highly diverse range of opportunities provides the potential for superior growth and income as well as the potential for volatility reduction.
- ▶ Each portfolio is designed using an investment process which is institutional in its detail and rigour.
- ▶ Exclusive investment management through a unique blend of Scotia Cassels private client funds and ScotiaMcLeod Pinnacle Program funds.

You can get a copy of these documents, at no charge, by calling 1 800 268-9269 for English or 1 800 387-5004 for French, or from your dealer or broker. You can also download these documents from our website at www.scotiafunds.com, or from SEDAR at www.sedar.com.

Portfolio Advisor Quarterly Commentary as of 09-30-2009

Scotia INNOVA Income Portfolio, launched on January 19, had a return of 4.90% for the period versus the 4.47% return of the blended benchmark consisting of 75% DEX Universe Bond, 12% S&P/TSX Composite and 13% MSCI World indices.

During the quarter, the Bank of Canada maintained a very supportive monetary policy by keeping the overnight lending rate close to zero. Over the period, corporate bonds continued to outperform and the DEX Universe Bond Index posted a return of 2.7%.

The S&P/TSX Composite Index was up 10.6% over the quarter, with only the consumer staples and health care

sectors posting negative returns over the period. The S&P 500 Index ended the quarter up 6.8% in Canadian dollar terms, while the MSCI EAFE Index, representing international equities, was up more than 10.5% in Canadian dollar terms.

Cassels U.S. Equity Fund had the smallest positive contribution to the portfolio's performance, while Scotia Canadian Income Fund had the largest positive impact on the portfolio's performance during the quarter. The continued narrowing of credit spreads on corporate bonds positively impacted the performance of Scotia Canadian Income Fund.

IMPORTANT MUTUAL FUND INFORMATION

ScotiaFunds are managed by Scotia Asset Management LP, a corporate entity separate from, although wholly-owned by, The Bank of Nova Scotia.

Fund prices are provided for information purposes only. All information pertains to Class A units of the fund unless stated otherwise.

Units of the fund are only available for sale to residents of Canada, unless the laws of a foreign jurisdiction permit sales to its residents. Please contact your financial advisor for more details. The contents of this document should not be considered an offer to sell to, or a solicitation to buy mutual fund units from, any person in a jurisdiction where such offer or solicitation is considered unlawful.

Important information about the fund is contained in the Simplified Prospectus, which should be read carefully before investing. Commissions, trailing commissions, management fees and expenses may be associated with mutual fund investments. The performance data provided assumes reinvestment of distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. There can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment will be returned to you. Mutual funds are not covered by the Canada Deposit Insurance Corporation (CDIC) or by any other government deposit insurer. Past performance may not be repeated.

Scotia Asset Management LP, as Manager of the ScotiaFunds, may compensate its staff and any appointed sub-distributor by regular payments based on the net asset value (NAV) of units held by investors. For further details, please refer to the Simplified Prospectus.
