

# Celebration of Love

For the third consecutive year, Scotiabank joined forces with Van Brown to host a day of food, fun and entertainment dubbed “A Celebration of Love” for the children of The Bain and Grant’s Town Communities.

Creating a memorable experience, Scotiabank provided many special treats inclusive of lunch and a live show by Charlie the Yellow Bahamian. Throughout the afternoon Scotiabankers could be seen serving, interacting with and entertaining the children. The highlight of the sunny afternoon was definitely when the Donkey Kones Ice Cream truck arrived, serving each child a cool ice cream treat. Additionally, Team Scotia presented the children with a specially packed Scotiabank Bright Future Kit loaded with a Scotia piggy bank and essential school supplies.
