

Business banking online.

ScotiaConnect[™] electronic banking is a comprehensive web-based solution to help you control your business finances.

With *ScotiaConnect*, you have access to account information and cash management services to complete important business banking transactions at your convenience. Monitor balance and transaction reporting details, make payments, transfer funds, and access robust trade and foreign exchange services.

INFORMATION

- Access real-time balance and transaction information on Scotiabank domestic accounts, with intraday or prior day reporting on global accounts.
- View and print comprehensive reports, and download balance, transaction and payment details to financial systems.
- Retain account information online for up to two years.
- Receive bulletins from Scotiabank on new or enhanced products and service updates.
- Access comprehensive training materials, online self-help and live customer service.

CASH MANAGEMENT

- Transfer funds between accounts with full audit trails and controls.
- Send wire payments to beneficiaries domestically and around the world.
- View ACH payment status reports.
- Link to other business banking services, including Trade Finance, Foreign Exchange and Commercial Card reporting.

CONTROL

- Decide on an appropriate level of control for your business with multiple-user access and flexible entitlements structure.
- Access separate payment creation and approval functions.
- Monitor user activity with audit log and activity history.
- Maintain security with industry-leading protection of information, and privacy and verification of online transactions.

Receive real-time account balance information on your Scotiabank accounts in Canada, USA and Mexico with ScotiaGlobal.
