

SCOTIACONNECT ELECTRONIC BANKING

Put business banking at your fingertips.

Put the power and convenience of online banking in your organization's hands. *ScotiaConnect*[®] electronic banking provides a centralized view of your banking information giving you immediate access to your global cash position. Manage your cash and investments effectively online and send recurring or one-time payments domestically and around the world. *ScotiaConnect* is the secure and efficient way to manage your money every day.

NORTH AMERICAN STRENGTH WITH GLOBAL REACH

We are a leading provider of global transaction banking services. Unmatched in terms of our North American banking platform, we also reach beyond to provide seamless integration of products and services around the globe.

Banking services include:

- Accounts and investment solutions
- Electronic banking
- Payments
- Commercial cards
- Trade finance
- Foreign exchange
- Correspondent banking

INFORMATION

- Access up-to-date information on your Scotiabank and global accounts 24 hours a day, 7 days a week.
- View and print comprehensive reports, and download balance, transaction and payment details to your financial systems.
- Retain account information online for up to two years.
- Reconcile accounts faster with detailed reports and summaries of cleared and outstanding items.

CASH MANAGEMENT

- Transfer funds between Scotiabank accounts, make stop payments and pay bills online.
- Send wire payments to most major Financial Institutions around the world.
- Use our advanced Beneficiary Bank search to locate information for Banks around the world.
- Initiate recurring Canadian and US dollar EFT payments (payables & receivables) within Canada.
- Create templates with a pre-approved dollar limit, to minimize extra approvals when sending EFT or wire payments.
- Earn high rates of interest on surplus balances with the *ScotiaConnect* Treasury Account.
- Link to other business banking services, including Trade Finance, Scotia FX[™] and Government Tax Payments.

CONTROL

- Decide on an appropriate level of control for your business through multiple-user access and flexible entitlements structure.
- Separate payment creation and approval functions.
- Monitor user activity with audit log and activity history.
- Benefit from industry-leading protection of information and privacy for your online transactions.
