1 U.S. commissions are quoted in U.S. dollars. Full commission charges apply for each partial fill, except when transacted on the same business day. All transactions in one account, in one security, on one side of the market (Buy/Sell), on the same exchange, in the same currency, during the same day, are combined and considered as one trade for the purpose of determining the applicable commission.

2 *Scotia Active Service* commission rates apply to trades placed through the internet or automated telephone service when at least 30 equity or option trades have been executed per quarter. Trade orders will be charged the applicable commission on a per order basis. Per order commission applies to partial fills except when transacted on the same business day. Qualification is based on the consolidated total of eligible trading activity from all "grouped" accounts per quarter. An eligible trade is defined as a commissionable filled equity or option order. Qualifying grouped accounts include accounts owned or co-owned at the same mailing address. You must notify us of these accounts and of your intention to participate in the *Scotia Active Service* program in advance. You must requalify for *Scotia Active Service* pricing on a quarterly basis. Pricing is effective on the 1st day of the month following each calendar quarter and remains in effect for 90 days subject to requalification. U.S. commissions are quoted in U.S. dollars.

3 No commissions on most funds. Other funds, 1.5% of purchase value (min. \$25.95). Please consult our website at www.scotiacleoddirect.com for current list of eligible funds.

4 If you redeem or switch your mutual fund within 90 days of the purchase date, there are two fees that may be relevant to you:

1. Early Redemption Transaction fees may be charged and deducted from the settlement amount by some mutual fund companies including Scotia Mutual Funds. Please refer to the prospectus of each fund for details.
