

ON THIS _____ day of _____,

BEFORE MTRE.

the undersigned Notary for the Province of Québec, practising in the

CAME AND APPEARED:

SCOTIA MORTGAGE CORPORATION, a loan company constituted under the Trust and Loan Companies Act (Canada), having its Head Office at 2201 Eglinton Avenue East, Scarborough, Ontario, M1L 4S2 and a place of business in Québec at

and herein acting and represented by
its _____, duly authorized for
the purposes hereof pursuant to a resolution of its Board of Directors dated

(the "Lender" or "SMC")

The Lender's notice of address has been registered in the Registry Office for the Registration Division of

_____ under the
number _____

AND:

(the "Borrower")

WHO, RECOGNIZING THAT, IF THIS IS A CMHC-INSURED MORTGAGE IT IS MADE PURSUANT TO THE NATIONAL HOUSING ACT (AND ANY SUCCESSOR LEGISLATION), DECLARE AND AGREE AS FOLLOWS:

1. CAPITAL SUM

The Lender agrees to lend to the Borrower the sum of

dollars (\$) _____ (the "capital sum"). The amount of the capital sum that is outstanding from time to time is referred to in this deed as the "loan amount".

2. INTEREST

(a) The interest rate payable by the Borrower on the loan amount is a variable rate, expressed as a rate per annum and determined as follows. The interest rate payable on the loan amount during the whole of each calendar month shall be equal to our Variable Rate Mortgage (VRM) Base Rate in effect on the first day of the month with a variance of _____ % per annum. Our Variable Rate Mortgage Base Rate is set on the first of each month equal to the Prime Rate of the Bank of Nova Scotia on that day.

(b) Interest is calculated monthly not in advance. Interest at this variable rate is payable on the loan amount both before and after the final payment date, default and judgment. The interest rate will vary automatically. If the Bank of Nova Scotia Prime Rate changed during the month, your interest rate will not change until the first day of the following month. Wherever this deed refers to the interest rate payable on the loan amount, that expression means the variable rate determined as set out above calculated and payable as set out above.

(c) On the first day of the month during which the Borrower signs this deed the VRM Base Rate was _____ % per annum and the interest rate payable on the loan amount (base rate plus/minus the number of percentage points set out above) at the time the Borrower signs this deed is _____ % per annum calculated monthly not in advance which is equivalent to _____ % per annum calculated half-yearly not in advance. Those interest rates will remain in effect until they are varied as provided under this deed. Schedule A to this deed sets out interest rates calculated half-yearly not in advance which are equivalent to interest rates calculated monthly not in advance.

(d) If this is a Variable Rate Mortgage with a Cap Rate, the maximum interest rate payable by the Borrower on the loan at any time during the term will be _____ % per annum, calculated monthly not in advance.

(e) After an increase in the interest payable on the loan amount, the Borrower may prepay the money owing under this deed without notice or bonus on the following terms. First, the Borrower's prepayment must include all of the money that the Borrower owes to the Lender under this deed, except that the interest from the effective date of the increase to the date of the prepayment will be calculated at the interest rate payable on the loan amount immediately before the increase. Secondly, the prepayment must be made within a period of twenty-one (21) days after the effective date of the increase. If the Borrower does not make the prepayment within that period, the Borrower will be bound by the increase.

(f) After each VRM Base Rate change, the Lender will mail a notice showing the new interest rate and the date it became effective. The notice will be mailed to the Borrower's last known address shown in the Lender's records. However, the Lender's failure to mail a notice or the fact that the Borrower does not receive it will not prevent the rate from varying under the preceding paragraphs or extend the period for the prepayment under paragraph (e). The VRM Base Rate in effect at any time will be available at any branch of The Bank of Nova Scotia in Canada.

(g) If on any monthly loan payment date the Borrower does not make the payment due on that day, the Lender will charge the Borrower interest on any overdue interest until paid to the Lender ("compound interest"). The Lender will also charge interest on compound interest that is overdue until paid to the Lender. The interest rate for compound interest is the interest rate payable on the loan amount both before and after the final payment date, default and judgment. It shall be paid periodically at intervals that are the same as the Borrower's monthly loan payment dates.

(h) If the interest that has accrued on the loan amount from one monthly loan payment date (or, in the case of the first payment, from the interest adjustment date) to the next monthly loan payment date exceeds the monthly loan payment, the excess (called "deferred interest") will bear interest at the interest rate payable on the loan amount. On the next monthly loan payment date the interest on the deferred interest will be added to the deferred interest and become part of it. If the deferred interest is not paid on that monthly loan payment date, it will bear interest at the interest rate payable on the loan amount and that interest will on the next monthly loan payment date be added to the deferred interest, and so on.

3. PAYMENT AND PREPAYMENT

The Borrower agrees to repay the loan amount, with interest thereon at the rate stipulated in Section 2, as follows:

(a) Before the Borrower's regular monthly loan payments begin the Borrower will pay the Lender interest at the interest rate payable on the loan amount on all money the Lender has advanced to the Borrower up to the interest adjustment date. Interest will be computed from the date of each advance and will become due and payable in monthly instalments on the first day of the next month following the date of each advance and on the first day of each and every month thereafter. The balance, if any, of such interest on advances payable up to but not including the interest adjustment date shall become due and be paid on that date. In this deed the interest adjustment date is the

1st _____

(b) The loan amount together with interest calculated from the interest adjustment date shall become due and be paid by the Borrower in regular payments (called "monthly loan payments").

The Borrower will make the Borrower's regular monthly loan payments to the Lender in equal

instalments of _____ dollars

(\$ _____) each,

beginning on the 1st _____

and continuing on the FIRST day of each and every following month

and ending on the 1st _____

Each of the above dates is called a "monthly loan payment date". The Borrower will pay the balance of the loan amount together with all the interest that is due and payable on the date last mentioned which is also called the "final payment date".

- (c) Each monthly loan payment will be used, FIRST, to pay or reduce the interest (other than deferred interest) that has accrued on the loan amount from (and including) the previous monthly loan payments date to (but excluding) the monthly loan payment date on which the payment is made (if the payment is the first monthly loan payment, the interest will be the interest that has accrued from the interest adjustment date);
- SECONDLY, if any of the payment remains, to pay or reduce deferred interest, if any; and
- THIRDLY, if any of the payment remains, to reduce the loan amount.

Schedule A to this deed sets out a method of calculating the interest payable under this deed, to help the Borrower to determine how much of each monthly loan payment is interest and how much, if any, is capital.

(d) The Lender may require the Borrower to pay all the money that the Borrower owes the Lender under this deed immediately whenever the total of the loan amount, all other amounts due and payable under this deed and all amounts secured by a hypothec, priority or encumbrance against the mortgaged property which ranks equal or in priority to the hypothec created under this deed exceeds

dollars (\$ _____) or exceeds 105% of the original advanced amount.

(e) The Lender may require the Borrower to pay all the money that the Borrower owes the Lender under this deed immediately if the Borrower sells, transfers or hypothecates the mortgaged property. This provision does not apply to a sale, transfer or hypothec to which the Lender has given its prior written consent.

(f) The Borrower may prepay the loan amount only if a Schedule B is attached to this deed and only in accordance with the provisions thereof.

4. HYPOTHECATION

(a) To secure the repayment of the loan amount and the payment of interest thereon, the Borrower hereby hypothecates in favour of the Lender, with effect as and from this date, to the extent of the principal amount of

dollars (\$) _____)

with interest thereon at the rate of thirty percent (30%) per annum, calculated and compounded monthly not in advance, the immovable (the "immovable") described in paragraph (e).

(b) The Borrower also hypothecates the following property for the purposes and the sum (together with the interest) specified in paragraph (a) above:

- (i) all present and future rents and revenues of the immovable;
- (ii) all present and future moveable property which is currently or will become in the future physically attached or joined to the immovable; and
- (iii) the indemnities payable under all insurance policies covering the immovable and the property specified in (i) and (ii) above.

(c) The immovable and all property hypothecated under this deed is collectively called the "mortgaged property". If the hypothec affects more than one immovable, the term "immovable" means any and all such immovables.

(d) To secure the payment to the Lender of all amounts which may be owing under this deed and that are not secured by the hypothec created in paragraphs (a) and (b), the Borrower hypothecates the mortgaged property for a further amount equal to the total of (i) the difference between the amount set forth in Section 3 (d) and the principal amount of the hypothec created in paragraph (a) and (ii) twenty percent (20%) of such principal amount.

(e) The immovable referred to in paragraph (a) is described as follows:

5. INSTALMENTS OF TAXES

The Lender will prepare a written estimate which the Lender may from time to time revise, of the amount of all taxes and assessments, including municipal, whether general or special, ecclesiastical and school (the "taxes") payable with respect to or constituting a charge on the mortgaged property and falling due during any twelve (12) month period and during the currency of this loan (i.e. until such time as all capital, interest and other sums which may become payable to the Lender under this deed shall have been fully paid) and the Borrower shall pay to the Lender on the due date of each instalment provided for in Section 3(b) one-twelfth (1/12) of the amount so estimated.

Notwithstanding the provisions of the immediately preceding paragraph it is agreed that:

(a) The Lender may deduct from the final advance of the loan amount an amount sufficient to pay all taxes which are then due or which will become due and payable on or prior to the interest adjustment date and which are unpaid at the date of such final advance;

(b) Where the period between the interest adjustment date and the date upon which the next taxes become due and payable (or, if payable in instalments, the date on which the next instalment thereof becomes due and payable) is less than twelve calendar months, the Borrower shall pay to the Lender, in equal monthly instalments during such period and during the succeeding twelve month period, an amount estimated by the Lender to be sufficient to pay, on or before the expiration of said twelve month period, all taxes which shall become due and payable during the said two periods and during the balance of the calendar year in which the said twelve month period expires, and the Borrower shall also pay to the Lender on demand the amount, if any, by which the taxes levied on the mortgaged property for such periods exceeded such estimated amount.

(c) That if on the date when taxes become exigible the total of the sums so accumulated and not otherwise applied, with any payment which may be made under this Section 5 on that date, shall be less than the amount of such taxes, the Borrower shall on demand pay to the Lender an additional sum equal to the deficiency.

All sums paid to the Lender under this Section and retained by the Lender shall constitute security for the execution of all obligations in the Lender's favour arising out of this deed. The Lender undertakes that when taxes fall due, provided that the Borrower is not in default and that the Lender is not obliged to pay the taxes more often than twice a year, any sums so retained and not otherwise applied will be applied in payment thereof.

All sums paid to the Lender and retained by the Lender for the payment of taxes under the terms of this Section 5 shall bear interest at a rate not less than the prevailing rate being paid by The Bank of Nova Scotia on savings-chequing accounts with the same credit balance, such interest to be calculated at the said rate on the minimum monthly balances standing in the Lender's books from time to time to the credit of the Borrower for payment of taxes and such interest to be credited to the Borrower not less frequently than once each year; and any advance made by the Lender for the payment of taxes shall bear interest at the rate specified in Section 2(a) above.

Within ten days after any taxes shall have become exigible (save in the case where they are payable by the Lender under this Section 5) the Borrower shall pay such taxes and provide the Lender with a copy of any receipt.

The Borrower shall deliver to the Lender as soon as available to him all bills, notices and any other necessary information with respect to taxes.

6. CURRENCY

Every sum payable to the Lender shall be paid in lawful money of Canada at the office of the Lender at

or at such other place as the Lender may designate in writing to the Borrower.

7. REPAIR AND MAINTENANCE

The Borrower shall maintain the immovable in good condition and repair and shall not commit any act of waste thereon or therein and shall not commit any act in connection with the mortgaged property which might lower the value of it, and from time to time, at the request of the Lender, give the Lender's employees and agents access to the mortgaged property for the purpose of inspection. The Borrower shall not make or permit to be made any alterations or additions to the mortgaged property without the consent of the Lender and shall not use the mortgaged property or permit it to be used except for the purpose for which it is now used.

8. ENVIRONMENTAL PROVISIONS

The Lender (including in this Section, the Canada Mortgage and Housing Corporation if this is a CMHC-insured mortgage) may inspect the Borrower's Property and the buildings on it when the Lender considers it appropriate. The Lender may do this for any purpose but particularly to conduct environmental testing, site assessments, investigations or studies which the Lender considers necessary. The cost of any testing, assessment or study will be payable by the Borrower and the Borrower will pay the Lender the costs as provided by Section 13 hereunder. If the Lender does the things permitted under this Section, it will not be considered to be in control or possession of the Borrower's Property.

9. INSURANCE

The Borrower shall insure and keep constantly insured against loss or damage by fire and other perils customarily set out in fire insurance policies with extended coverage insurance each and every building on the immovable and which may hereafter be erected thereon both during erection and thereafter to an amount not less than the replacement value of the buildings located on the immovable, and the policies evidencing such insurance shall contain no co-insurance clause. The Borrower shall, upon request, deliver to the Lender a policy or policies evidencing such insurance and, at least fifteen (15) full days prior to the expiry or cancellation of a policy, he shall deliver to the Lender evidence of renewal or replacement. All policies of insurance shall contain a mortgage clause satisfactory to the Lender.

Every contract of insurance and renewal thereof, shall be effected in such terms and with such insurer as may be acceptable to the Lender; the loss under each policy shall be made payable to the Lender with preference in its favour over any claim of any other person; and each policy shall be retained by the Lender during the currency of this loan. In the event of failure on the part of the Borrower to execute any obligation undertaken by him under this Section 9, the Lender may effect such insurance at the cost of the Borrower. What the lender pays for this insurance shall be added to the amount the borrower owes under this agreement and shall bear interest at the interest rate payable on the loan amount. The borrower will pay this amount with the next monthly payment.

In the case of loss or damage of any nature whatsoever to the mortgaged property the Borrower shall at his own expense furnish all necessary proofs of loss and shall immediately notify the Lender. The production of this agreement will be sufficient authority for an insurance company to pay the lender any loss related to the insurance policy or to accept instructions from the lender dealing with the loss. The Lender shall have the right to receive the proceeds of each policy and to apply them wholly or in part either to meet costs of reconstruction or repair or in reduction of any capital then remaining unpaid and/or of any other sums owing to it. No damage may be repaired nor any reconstruction effected without the approval of the Lender.

10. FEES AND COSTS

The Borrower shall pay all legal, registration and notarial fees and disbursements in respect of this deed and the valuation fee and the costs of survey and shall also provide the Lender with proof of registration of this deed.

11. DATE OF HYPOTHEC

Notwithstanding the fact that no advance has yet been made by the Lender to the Borrower and that the Lender is not obligated to make any advance, the hypothec hereby created shall have effect from the date hereof to secure the repayment of all sums which may be advanced by the Lender or owing hereunder.

12. TAXES

Every tax which may be imposed in respect of this loan (including any advances made hereunder) and/or of any interest payable under this deed or in respect of any claim of the Lender hereunder shall be borne by the Borrower so that the Lender will receive and retain the capital sum and interest and all other sums owing to it hereunder without any abatement.

13. PAYMENTS BY LENDER

Every sum which is paid by the Lender pursuant to this deed, as well as all sums which the Borrower may be bound to pay but which is paid by the Lender (and the Lender itself shall have the right to make such payments), or to preserve its security, shall be immediately repayable by the Borrower and shall bear interest at the rate specified in Section 2 (a) above, reckoned from the date of disbursement by the Lender, the whole to the extent permitted by law.

14. CHANGE OF OWNERSHIP

Within thirty(30) days after any change of ownership of the whole or any part of the mortgaged property the Borrower shall at his own expense give written notice thereof to the Lender and immediately provide the Lender with a copy of the deed evidencing the change and proof of its registration. The Borrower shall ensure that the new owner assumes all the obligations and liabilities of the Borrower under this deed. The Borrower shall also provide the Lender with an accepted transfer of each policy of insurance, and any other documents that the Lender may request.

15. OTHER DEEDS AND ACQUITTANCES

All acquittances, assignments and other deeds to which the Lender may become a party in connection with this deed shall be acceptable to the Lender, shall be passed before a notary acceptable to the Lender and shall be registered, the whole at the expense (including Lender's usual administration fee) of the Borrower who shall, also at his own cost, provide the Lender, if required, with a copy of each such deed. The Borrower shall do all things and sign all documents necessary for the hypothec constituted hereunder to have full effect and be constantly perfected.

16. TITLE DEEDS

The title deeds to the property shall be delivered to the Lender and may be retained by it during the currency of this loan.

17. INDIVISIBLE

Every divisible obligation in favour of the Lender arising out of this deed must be performed in its entirety as if it were indivisible by each heir or legal representative of any person who shall have been bound therefor. In the case where two or more persons are designated in this deed as "Borrower" each of them shall be bound for the performance of all obligations in favour of the Lender, all such persons being jointly and severally (or solidarily) bound toward the Lender.

18. LAPSE OF TIME

The mere lapse of time for the performance of any obligation in favour of the Lender, if such obligation shall not have been performed, shall constitute default without the necessity of any notice or demand on the part of the Lender.

19. BORROWER BOUND

The Borrower (which includes the borrower's heirs, personal and legal representatives, successors or assigns) shall continue to be bound by all the obligations herein expressed notwithstanding any alienation of the mortgaged property or any part of the mortgaged property, and notwithstanding that the Lender may extend the time for the repayment of the loan amount, or any portion thereof, renew the hypothec constituted herein or the loan amount or change their term in favour of a subsequent owner of the mortgaged property or any part of the mortgaged property, or may make any other arrangement with such subsequent owner. The Borrower will not remove any property from the mortgaged property without the Lender's written consent and shall keep the mortgaged property free and clear of any real right, hypothec or security unless otherwise agreed to by the Lender.

20. SUCCESSORS OF THE LENDER

The rights conferred on the Lender hereunder shall benefit any successor or assign or legal representative of the Lender, including any entity resulting from the amalgamation of the Lender with any other entity.

21. RENTS

The Borrower may collect the rents and revenues of the immovable as long as the Lender has not withdrawn its authorization to do so. If the Lender withdraws this authorization, it may then collect the rents and revenues of the immovable. It shall also be entitled to a reasonable commission for this collection, which may be deducted from any sum collected.

The Borrower undertakes to exercise its best efforts to ensure that lessees of the immovable pay their rent in a timely manner, and the Lender shall have no obligation to advise the Borrower of any irregularity in the payment of rents of which the Lender is aware.

The Borrower shall provide the Lender on request with a copy of all leases affecting the immovable and all information requested by the Lender respecting rents and revenues of the immovable.

The Borrower shall not assign, in whole or in part, the rents or revenues of the immovable to a third party or provide any third party with a release or acquittance in advance for more than one month's rent. The Borrower shall not lease the immovable on terms inferior to market conditions unless the Lender consents thereto in writing.

22. APPLICATION OF MONEYS

Despite any law, usage or custom, receipt by the Lender of any rent or of the proceeds of any policy of insurance shall not operate as payment of any amount owing to it except when such rent or proceeds are expressly applied by the Lender in reduction of any particular sum or sums owing to it and to the extent only of such application.

23. CONSUMER PROTECTION ACT

In the event that the Borrower is a consumer within the meaning of the **Consumer Protection Act (Québec)** and that this hypothec is not a first ranking hypothec:

(a) the Borrower hereby acknowledges having received on the

a notice from the Lender in accordance with Section 22 of the Regulation respecting the application of the Consumer Protection Act (Québec). A copy of such notice is hereto appended after having been acknowledged true and signed for identification by the parties hereto, with and in the presence of the undersigned Notary;

(b) provided the Borrower is not in default under the terms of this deed, the Lender, if the amount outstanding at the expiry date of the loan hereby contracted exceeds the amount of one instalment due hereunder, shall not demand payment thereof until thirty(30) days after giving of notice of its intention to demand such payment.

24. DEFAULT

Should the Borrower fail to make any payment to which he is bound under any provision of this deed, or should he fail in any respect to fulfil any covenant to which he is bound under, namely, Section 9, 28 or 30, or should the Borrower be in default for thirty(30) days to execute any other obligation toward the Lender, or should he commit a breach of any obligation, or should the mortgaged property or any part of the mortgaged property be acquired by any person who shall not have personally assumed all the Borrower's obligations toward the Lender or should the mortgaged property or any part of the mortgaged property be acquired jointly by more than one person, each of whom shall not have validly and personally assumed jointly and severally (or solidarily) all the Borrower's obligations toward the Lender or should the property be abandoned, or should any buildings in the course of erection thereon be allowed to remain unfinished or interrupted for a period of thirty (30) consecutive days, or should the Borrower or any subsequent acquirer of the mortgaged property become insolvent, then in any of such events the Lender shall have the right without any demand or notice to exact payment of the aggregate of all sums then outstanding under this deed in capital, interest and accessories.

25. RECOURSES

The acceptance by the Lender following any default by the Borrower of any sum owing to the Lender or the exercise by the Lender of any right or recourse shall not preclude it from exercising again the same right or recourse, or any other right or recourse.

The non-exercise by the Lender of any of its recourses shall not constitute a renunciation of the right to exercise any such recourse at a later date.

The Lender shall be bound only to exercise reasonable care in the exercise of its rights and the fulfilment of its obligations and, in any event, it shall only be liable for its intentional fault or gross negligence.

The hypothec created under this deed is in addition to and not in substitution for any other hypothec or security held by the Lender.

26. NOTICE

Any notice, demand or suit to or against the Borrower or any subsequent acquirer of the mortgaged property, may be given or be served at the address given above or at his address last known to the Lender, provided that should the Lender be unable to serve notice at such address, service may be effected at the office of the Clerk of the Superior Court for the judicial District of

The Borrower or any subsequent acquirer elects domicile for such purposes at such office and agrees that all recourses related to this deed may be exercised there.

27. BORROWER'S DECLARATIONS

The Borrower declares and represents that:

- (a) He has paid all taxes, assessments, rates, duties or claims of whatsoever nature affecting the mortgaged property;
- (b) The immovable has not undergone any construction, renovation, repairs or alterations within the six (6) months preceding the date of this deed except such as have been paid for in full;
- (c) The mortgaged property belongs absolutely to the Borrower and is free and clear of all encumbrances and hypothecs whatsoever;
- (d) The matrimonial status of the Borrower is as follows:

and that no modification has been made thereto since the date of the Borrower's marriage and there is no pending agreement between the consorts for the purpose of modifying their matrimonial status or their marriage contract, nor any action in separation as to property or as to bed and board, nor any action in annulment of marriage nor for divorce;

- (e) The survey reflects the mortgaged property in its present physical state.

28. PRINCIPAL RESIDENCE

If the Borrower is not married at the time of execution of this deed, but subsequently marries and the immovable becomes the principal family residence, the Borrower agrees that he or his spouse shall subordinate to the rights of the Lender, by executing a written acknowledgement in the form prescribed by the Lender, which shall be executed and delivered to it within sixty (60) days of the date upon which the immovable becomes the principal family residence, all of her or his rights in the immovable as the principal family residence, or resulting from the registration of a declaration of family residence or of a judicial award of a right of use, habitation or ownership.

29. JOINT AND SEVERAL

In the case where two or more persons are designated in this deed as the Borrower each of them shall be bound for the performance of all obligations in favour of the Lender, all such persons being jointly and severally, or solidarily, bound toward the Lender.

30. PRIORITIES AND LEGAL HYPOTHECS

If a legal hypothec is registered against the mortgaged property or if any recourse is exercised to assert a priority against the mortgaged property, the Borrower undertakes, within fifteen (15) days from the date of such occurrence, to discharge such hypothec or priority. Upon the expiry of such delay, the Lender may, but shall have no obligation to, pay the obligation secured by such hypothec or priority.

Every sum which may be paid by the Lender under the provisions of this Section shall be immediately repayable by the Borrower to the Lender.

31. IF THE MORTGAGED PROPERTY IS A CONDOMINIUM UNIT, THE BORROWER MUST COMPLY WITH THE FOLLOWING OBLIGATIONS:

In this deed, the Civil Code of Québec is called the "Act". Expressions used below which are the same as those in the Act have the same meaning as those in the Act.

- A.** The Borrower will comply with all of the obligations contained in this hypothec except as they may be modified by the Act and the declaration which comprises the Act, constituting the co-ownership, the by-laws of the immovable and a description of the fractions (the "declaration") concerning the immovable owned in divided co-ownership of which the property forms part (the "immovable").
- B.** The Borrower will comply with the Act and the declaration.
- C.** The Borrower will provide the Lender with proof of his/her compliance from time to time as the Lender may request.
- D.** The Borrower will pay his/her contribution for common expenses and the contingency fund (the "charges") for the Property to the syndicate of co-ownership (the "syndicate") on the due dates. Or, if the Lender exercises its right to collect the Borrower's contribution towards the charges, the Borrower will pay the same to the Lender upon being so notified. The Lender can accept a statement which appears to be issued by the syndicate as conclusive evidence for the purpose of establishing the amounts of the charges and the dates those amounts are due.
- E.** The Borrower will forward to the Lender any notices, assessments, by-laws and financial statements relating to the immovable and the co-ownership.
- F.** The Borrower will provide the Lender, on request, with any documents and information that he/she receives from the syndicate or is entitled to receive.
- G.** The Borrower will maintain all improvements made to the property and repair them after damage.
- H.** The Borrower will not do or let anyone else do anything that lowers the value of the property.
- I. Insurance** – In addition to the insurance which the syndicate must obtain, the Borrower must:
 - (i) Insure all the improvements which the Borrower or a previous owner has made to the property;
 - (ii) Obtain insurance for those additional risks that the Lender requires;
 - (iii) Insure the Borrower's common or other interest in buildings (whether presently existing or built in the future, both during construction and afterwards) which are part of the immovable or assets of the syndicate if the syndicate fails to insure the immovable as required or if the Lender requires the Borrower to do so;
 - (iv) Assign the Borrower's insurance policies to the Lender and (as far as permitted by law) the Borrower's interest in the policies held by the syndicate;
 - (v) Provide the Lender with proof that the required insurance is in force, as well as evidence of any renewal or replacement of the insurance, within fifteen full days before the insurance expires or is terminated.
 - (vi) Do all that is necessary to collect insurance proceeds. Each of the borrower's insurance policies (and those of the syndicate) must comply with the following:

- The property must be covered against destruction or damage by fire and other perils usually covered in fire insurance policies for the replacement cost (the maximum amount for which it can be insured) in Canadian dollars;
- The Lender may stipulate the risks and perils which must be covered and what amounts the Borrower must insure for;
- The Lender may approve the insurance company; and
- The Lender may say what terms the policy must contain.

If the Borrower fails to insure the property as required in this paragraph, he/she authorizes the Lender to obtain insurance which the Borrower is required to obtain. But, the Lender is under no obligation to obtain any insurance. What the lender pays for this insurance will immediately become payable by the borrower to the lender. If any loss or damage occurs, the borrower will, on behalf of the condominium corporation and themselves, provide the lender immediately, at the borrower's expense, with all necessary proofs of claim. The borrower will also do all necessary acts to enable the lender to obtain payment of insurance proceeds. The borrower will seek to ensure the full compliance by the condominium corporation with its duties and obligations under the Condominium Act and the Declaration and By-Laws of the condominium corporation.

J. The Borrower must pay certain other Expenses – In addition to the Lender's other rights and remedies contained in this deed, the Borrower will pay to the Lender on demand, all expenses in relation to:

- Any by-law, resolution, or other matter (other than one for which only a vote of the majority present at the meeting is required);
- The enforcement of the Lender's right to have the syndicate or any owner comply with the Act and the declaration;
- The exercising of any voting rights the Lender may have.

Where the Lender's expenses relate to other fractions as well as to the property, the amount the Borrower is required to pay will only be the expenses related to the property as the Lender determines. All expenses are immediately payable by the Borrower. Until paid the expenses will be added to the loan amount and will be a charge against the property. Interest is payable by the Borrower on the Lender's expenses at the interest rate payable on the loan amount until the expenses are paid in full.

K. Voting Rights – The Borrower authorizes the Lender to exercise the Borrower's rights under the Act to vote.

The Lender is not liable for any action taken in doing what the Borrower has authorized the Lender to do or for any failure to act. The Lender may at any time revoke any arrangement made for the Borrower to do anything the Borrower has authorized the Lender to do.

L. Additional Rights under this Deed – The Borrower authorizes the Lender to do the following:

- (i) Inspect the property at any reasonable time.
- (ii) Do any needed maintenance or repairs after damage.
- (iii) Inspect the syndicate's records.
- (iv) Remedy any failure of the Borrower to comply with the Act and the declaration.

M. Repayment of the Hypothec may be Accelerated – The loan amount together with all interest which is due and payable and to which the Lender is entitled becomes immediately payable, at the Lender's option if:

- (i) The syndicate fails to comply with the Act or the declaration;
- (ii) The syndicate fails to:
 - insure all the private and common portions of the immovable according to law and according to any additional requirements of the Lender;
 - insure its assets if the Lender so requires and according to its requirements;
 - provide the Lender with proof that the insurance is in force, if the Lender asks for it, or
 - do all that is necessary to collect insurance proceeds;
- (iii) The syndicate does not in the Lender's opinion manage the immovable or the co-ownership in a careful way;
- (iv) The syndicate makes any substantial modification to the common portions without the Lender's approval;
- (v) There has been substantial damage and the owners have voted for termination of the divided co-ownership;
- (vi) The Borrower fails to comply with his/her obligations provided hereby.

The Lender's rights will not be affected by the fact that the Lender voted for or consented to the above situations.

32. HEADINGS

The headings do not form part of this deed, but have been inserted for convenience of reference only.

33. LANGUAGE CLAUSE

The parties hereto confirm that it is their wish that this deed, as well as all other documents relating hereto, including notices, have been and shall be drawn up in English. Les parties aux présentes confirment leur volonté que cet acte de même que tous les documents s'y rattachant, y compris tout avis, soient rédigés en anglais.

SCHEDULE A

PART ONE

USE THIS FORMULA TO CALCULATE THE INTEREST ON ANY AMOUNT FOR ANY PERIOD:

$$\left(\text{Capital} \times \frac{\text{Interest rate}}{100} \times \frac{\text{Number of days in the period}}{365 \text{ (or 366 in a leap year)}} \right)$$

The amount on which the Borrower is calculating interest is called the "capital" and the "interest rate" is the interest rate payable on the loan amount under Section 2 of this deed.

Where this deed refers to interest from a date, that means interest from and including the date. Where this deed refers to interest to a date, that means interest to but excluding the date.

HERE IS AN EXAMPLE OF THE CALCULATION :

Assume that you wish to calculate the interest on \$50,000 from March 1 to April 1. Assume that the interest rate was 9% on March 1. Assume that the year is not a leap year.

In calculating the period from March 1 to April 1, include the first date but exclude the second date, so that the number of days is 31.

The formula for calculating the interest on the principal from March 1 to April 1 is :

$$\$50,000 \times \frac{9}{100} \times \frac{31}{365} = \$382.19$$

Assume that the \$50,000 in this example is the balance of the principal amount owing in March 1 and that nothing else is owing on that day. Assume that the monthly loan payment is \$500. The payment on April 1 is applied as provided under Section 3(c) of this deed as follows:

To pay interest from March 1 to April 1	\$ <u>382.19</u>
To reduce the loan amount	\$ <u>117.81</u>
	\$ 500.00

On April 1, the principal amount would be reduced to \$49,882.19. This would be the principal in the calculation on May 1.

If the monthly loan payment had been only \$375, all of it would have been used to pay the interest and none to reduce the principal amount. The remaining interest of \$7.19 would have become deferred interest as provided under Section 2(h) of this deed. On May 1 interest would have been calculated on both the loan amount of \$50,000 and the deferred interest of \$7.19.

PART TWO

The interest rate on the loan amount under this deed is calculated monthly not in advance. The table below sets out what would be the equivalent interest rate if the interest rate were calculated half-yearly not in advance.

Interest rate per annum calculated monthly not in advance (%)	Equivalent Interest rate per annum calculated half-yearly not in advance (%)	Interest rate per annum calculated monthly not in advance (%)	Equivalent Interest rate per annum calculated half-yearly not in advance (%)
2.0000	2.00835	11.125	11.38605

SCHEDULE B PREPAYMENT

Paying off a hypothec before the maturity date

You may pay off some, or the entire hypothec early, based on the type of hypothec you have. If we later agree to change or extend the terms of the loan, these prepayment conditions do not apply to the new or extended term.

Miss a Payment[®] Option

You may miss any scheduled payment, as long as you have prepaid an amount equal to the amount of the payments you intend to miss in this term and your hypothec is not in default. You cannot however, miss your mortgage credit insurance premium, if applicable. Extra payments or prepayments may not be used to miss a payment if this hypothec is assumed by a subsequent purchaser.

Continuing Liability

Unless you prepay the balance of the principal amount owing, you must continue to make your regular monthly loan payments.

If your deed does not provide for a Cap Rate

If your deed does not provide for a Cap Rate in section 2 (d) and your loan payments are up to date, you can pay off some, or the entire principal amount owing, on any regular payment date. If you pay off the entire principal amount owing you must pay an administration fee of \$100 for each year or part of a year remaining in the term.

If your deed provides for a Cap Rate

If your deed provides for a Cap Rate in Section 2(d) and all your loan payments are up to date, you may increase your payments, or pay off some of your hypothec early in one of the three ways listed in the following chart. These options apply to partial prepayments only. The options are available each year and cannot be saved to use in a later year. Each year is defined as the 12 month period starting on the IAD or the anniversary of that date.

PREPAYMENT OPTIONS		
How	When	What it Means
1. *by paying an extra regular loan payment (principal, interest and taxes)	on any regular payment date during the year	your principal loan amount will be reduced by that amount
2. *by paying up to 15% of the original principal amount of your hypothec	at any time, sum total not to exceed the yearly maximum	
3. by increasing your regular monthly loan payment by up to 15% of the principal and interest payment set for the term of the hypothec	once each year of the term of your hypothec	

*Only items 1 & 2 qualify for the Miss a Payment option.

Prepayment Costs

When you prepay some, or the entire principal of your hypothec, you will incur prepayment costs unless the partial prepayment is in accordance with the prepayment options chart.

The cost to pay off some, or the entire principal amount of your hypothec early is 3 months' interest costs. The interest rate used to calculate the 3 months interest is the Cap Rate.

Cashback – If you receive a cashback with your mortgage:

The cashback amount will be repayable to us if the loan does not remain outstanding with us for the

full term. If the hypothec is paid out, transferred or renewed, prior to the expiry of the original term, the cashback amount will appear as payable in any discharge statement and will be calculated on an even prorated basis as per the following example involving a 3 year term:

- 100% of cashback amount if payout/renewal is within the first year of the 3 year term.
- 66% of cashback amount if payout/renewal is within the second year of the 3 year term.
- 33% of cashback amount if payout/renewal is within the third year of the 3 year term.

INTERVENTION

AND HERETO INTERVENED

, spouse of the Borrower, who has taken communication of the present deed, consents to the hypothecary charges contained herein, concurs with the Borrower for the purposes of this deed and confirms the accuracy of the declarations as to matrimonial status.

If the property is a family residence within the meaning of article 401 and following of the Civil Code of Québec and a declaration of family residence has been registered against it, the hypothecs, rights, prior claims and recourses of the Lender hereunder shall take priority and be executory against the property as if no such declaration had been registered and the aforesaid Intervenant hereby waives any rights that might result from any such present and future declaration registered against the property.

Should the Lender become the owner of the mortgaged property or should the mortgaged property be sold to a third party, any declaration of family residence which might be registered against the mortgaged property shall be radiated and the Borrower and the aforesaid Intervenant hereby consent to such radiation.

And hereto further intervened

(the "Guarantor") who acknowledges to have taken communication of the present deed and to be therewith content and satisfied therewith and for good and valuable consideration does hereby bind and oblige himself jointly and severally (or solidarily) and unconditionally with the Borrower for the repayment of the loan amount together with interest thereon and accessories thereof and for the fulfilment of all the clauses and conditions of the present deed, in the event that the Borrower or any subsequent acquirer of the property is in default under this deed.

The Guarantor acknowledges that the Lender may, namely, without obtaining the Guarantor's consent nor giving him notice, grant delays for the payment of the capital and interest due under this deed, agree to amendments to the provisions hereof (including increases in rates of interest), renew the hypothec hereby constituted or the loan amount or change their term, grant a discharge, totally or in part and waive any right herein provided and realize or replace any security. Such delays and amendments shall not release the Guarantor and the Guarantor's liability shall remain unchanged.

The Lender may exercise its recourses against the Guarantor for the full amount of all sums due under this deed, without having to realize on its hypothec or any other security and without having to exercise its recourses against the Borrower or any other person, including any subsequent acquirer of the property. The Guarantor therefore renounces to the benefits of division and discussion.

WHEREOF ACT :
