

## **Annual Caroling in Guyana**

Christmas means different things to different people. At Scotiabank (Guyana), every year at Christmas time staff, family and friends get together for an evening of caroling, sharing and giving. Sharing the love that the Christmas spirit evokes and giving back to the less fortunate, with an emphasis on children and the elderly.

Christmas 2k5 was the greatest celebration to date. The Scotiabank team sang carols through the streets of the city on 10 horse drawn buggies. These buggies play a very important role in rural transportation and presented a fun time for the team. The event received live coverage on the National Radio and front page in the next day's issue of the newspapers. We were greatly assisted with traffic control by escorts from the Guyana Police Force.

Among the organizations and groups that benefited from donations of hampers and gifts were Joshua House for children, Ptolemy Reis Rehabilitation Centre, Nazareth Home, Chase Indigent House, St. Anns Orphanage, St. Vincent de Paul Homestead and Archers Home.
