

Scotiabank-York University Emerging Global Leaders Program(EGLP)

Scotiabank International has become the Title Sponsor of the Scotiabank-York University Emerging Global Leaders Program. The Program gives 100 promising Caribbean high school students each year the opportunity to begin to shape their abilities as future leaders.

This will supplement our Scotiabank Kiddy Cricket program and the Scotiabank Champions of Health Promoting Schools program, both of which target younger elementary school children.

The Program now in its third year takes place during two 3-day conferences, one to be held in Barbados 27th to 29th October and the other here in St. Kitts 3rd to 5th November. Each conference will host 50 students chosen by their high school principals and a York University special committee. The Program targets Grade 11 students. The Conference in St. Kitts will include students from St. Kitts and each of the other 8 OECS countries.

The Conference will be held at the Ocean Terrace Inn (OTI) and will see a variety of workshops facilitated by recognized leaders from the Caribbean and Canada. The students will be exposed to a wide range of perspectives, theories and activities that explore the breadth of leadership.

This is an all expenses-paid program that Scotiabank in conjunction with York University is honoured to host for this group of dynamic, energetic and visionary high school students in the Caribbean.
