

**Start Your Journey Today
And Enjoy Your Future, Your Way!**

ScotiaBRIDGE

ScotiaBRIDGE is an Approved Retirement Scheme which enables Jamaicans who are not currently participating in an Approved pension arrangement to save towards retirement and **reap significant tax benefits!**

With a ScotiaBRIDGE plan you can:

- Contribute up to 20% of your annual income
- Make tax-deductible contributions
- Receive tax-free earnings during accumulation

To become a member of ScotiaBRIDGE, you:

- Must be a Jamaican resident
- Must be between the ages of 18 – 68 years
- Must be self-employed or employed in a non-pensionable post
- Must not be an active member of an Approved Superannuation Fund or another Approved Retirement Scheme

“I have always wanted to be a part of a Pension Plan, in order to plan for retirement. But as a contract worker, I have never had that opportunity”

- With ScotiaBRIDGE, you will now have your own Individual Retirement Plan that can move with you, on all your contract assignments.

“As an Engineer and the owner of my own company, I am busy seeking new opportunities and ensuring my business remains viable, my business is my retirement”.

- Your business serves many purposes; however on becoming a ScotiaBRIDGE member, regular contributions will ensure that you accumulate funds specifically for the purpose of retirement

“I am self-employed, I own a small business, and I am concerned for the future of my employees. But I cannot afford to offer them a Pension Plan”

- Recommend ScotiaBRIDGE to your employees, show them you care and guide them to begin planning for retirement now. A ScotiaBRIDGE retirement plan will allow them to make tax-deductible contributions and receive tax-free earnings during accumulation to effectively prepare them for retirement.

- As a self-employed individual, ScotiaBRIDGE is also right for you. Focus on planning for your future, so you can live it your way.
