YOPLAIT BOOSTS SCOTIABANK'S WOMEN AGAINST BREAST CANCER FUND

The Scotiabank Women Against Breast Cancer Fund recently received a financial boost when Ms. Kimberly Ng Wai, Brand Manager at HADCO Limited for Yoplait Yogurt handed over a cheque valued at \$35,000 to the Bank. The contribution was made possible by Yoplait's Save Lids to Save Lives Annual Fund Raising Campaign through which 15 cents was donated to the Scotiabank Women Against Breast Cancer Fund for every Yoplait purchase made by the public during the month of October.

Scotiabank's Women Against Breast Cancer Fund benefits thousands of women each year by enabling access to free breast cancer screening, ultrasounds and mammograms. The mission of the programme is "To ensure that every woman in Trinidad and Tobago who would like to have a Mammogram test can do so whether she can afford it or not."

Scotiabank raises funds annually through its Women Against Breast Cancer 5k Classic, sale of memorabilia, Ladies' Charity Golf Tournament and the contribution of corporate citizens like Yoplait.
