

Your Guide to a Better Trading Experience

▶ **FlightDesk[®]** features Scotia iTRADE’s most powerful trading tools, so you can take advantage of exceptional control, flexibility and in-depth analysis. Now FlightDesk is even better, with an array of new features and enhancements to take your trading experience to the next level.

Trading Buttons

A more intuitive and visible way to place trades.

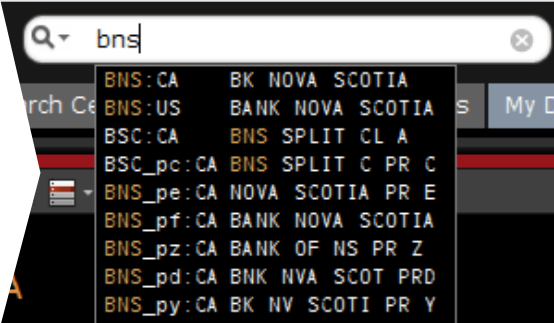

Quote Panel

Easier-to-find plus better data visualization of the information you need. Clicking on the Bid and Ask values conveniently open a new trading ticket so you can trade at that price.

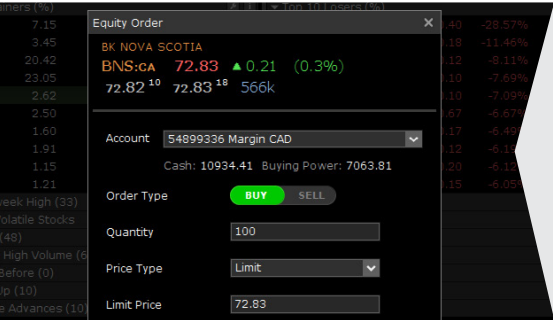

Simplified Symbolology

Smart search to help you auto-fill what you’re looking for in either CA or US markets.

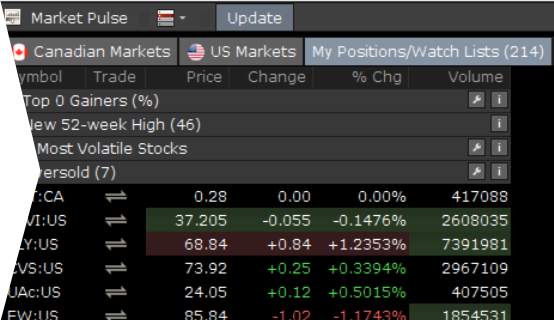

Order Entry Flow & Fill Notifications

New pop-up window allows you to place a trade with complete focus. Once your trade is complete, pop-up disappears so you can continue what you were doing in the platform.

Market Pulse – Positions/Watch List Tab

New tab enables you to watch market signals that are relevant to you, or on the ones in which you have indicated an interest.

Market Pulse – Customize Settings & New Signals

More market signals available and added custom configuration on some signals.
