The legal requirements in this booklet that apply to you are binding on you, your estate, your heirs, executors, administrators, and your personal and legal representatives.

Separate agreements and severability
Each of the agreements contained in this booklet is a separate contract. If a court holds any of those agreements or part of this booklet invalid or unenforceable in whole or in part, the remaining agreements and provisions are still in effect and binding.

Changes to your accounts
From time to time we change our account features and fees. We notify you about these changes in advance. See more information in the next section, “Changes to this booklet.”

If you are not satisfied with a change to your account, you may choose a different Scotiabank account within ninety (90) days of the effective date of the change. If you choose a different Scotiabank account during the 90-day period and your new account has higher fees, we will refund the difference between the fees from your old account and the new one for those 90 days if you ask us to.

Changes to this booklet
We may change the terms in this booklet from time to time. We may change these or other sections:

› Introduction
› Opening a Personal Deposit Account
› General Information about Personal Accounts
› Day-to-Day Banking Accounts
› Special Feature Plans
› Savings Accounts
› Foreign Currency Accounts
› Other Banking Services and Fees
› Powers of Attorney
› Resolving Your Complaint
We will give you written notice of any change at least sixty (60) days before it takes place. If the law requires a different notice period, we give you notice within that time. The written notice will tell you:

› about the change.
› what date the change becomes effective.
› if the law requires your consent to make the change, that you have the right to refuse the change without cost, penalty or cancellation indemnity. Refusing the change will cancel the applicable legal agreements between you and us, which also means you agree to close the account or accounts affected by the change.

You must notify us within thirty (30) days of the effective date of our change if you don’t agree to it and want to close your account. If you notify us within that thirty- (30-) day period, we will cancel the applicable agreements. If you owe us any outstanding amount on your account or accounts, it becomes due when you give us notice.

Unless the law that applies says otherwise, we consider you have accepted a change if you do not notify us within thirty (30) days from the effective date of the change that you don’t agree to the change or if you do any of the following after thirty (30) days from the effective date of the change:

› keep your personal deposit account open;

› a notice with your monthly statement
› a notice addressed to you at the last address we have for you in our records
› a visible notice at all Scotiabank branches or ABMs or both
› any other methods we decide are acceptable

**Part 2  All about Personal Banking Accounts**

**Personal Bank Accounts**

Personal bank accounts (also called personal deposit accounts) are accounts you use for personal banking. The accounts belong to the person or people whose name is on the account, and they cannot be used for business or transferred to anyone else.

If you conduct business using a personal account, we may charge business banking fees or close the account. If we suspect illegal, unauthorized or fraudulent transactions including illegal internet gambling, we may cut off access to your account, even to you, without notifying you first.

Your roles and responsibilities as an account holder are explained in the Deposit Account Agreement in Section 21 of this booklet.

**The different account and plan types**

There are four categories of accounts and plans:

› Day-to-Day Banking Accounts
› Special Feature Plans
› Savings Accounts
› Foreign Currency Accounts

Find detailed information on personal account related services in Section 21 of this booklet.

**Eligibility for an account**

Some accounts are only available if you meet certain requirements. For example, our Getting There Savings Program for Youth account is only available to people under 19 years of age. Our Seniors’ Discount is available to customers 60 years of age or older. You must meet the requirements to open these kinds of accounts.

**How to access your account**

You can access your account:

› at our branches
› at ABMs (Scotiabank’s Automated Banking Machines or those of any other financial institution displaying the Interac† symbol or the Visa/PLUS symbol abroad)
› by making direct payment purchases
Collecting and recording your information
We may collect and record information from you, including:
› your full name, home address, date of birth, and occupation or type of business.
› to comply with government regulations, we may need to ask you about your relationship to anyone who benefits from or is connected with your accounts. These include beneficial owners, intermediaries, and other interested parties. If someone else will use or benefit from your account, we ask for information about them and your relationship to them before we can open the account.
› what type, volume, and frequency of account activity you expect.
› where incoming funds or assets come from.
› other information the Scotiabank Privacy Agreement describes (Section 15 of this booklet).

We can refuse to open a personal account for legal reasons. If we do this, we let you know in writing. We refuse to do business with anyone who insists on being anonymous or who gives false, inconsistent, or conflicting information. We will refuse if we cannot find accurate information about your identity after making a reasonable effort to find it.

Keeping your personal information private
We keep your personal information confidential. Section 15 is our Scotiabank Privacy Agreement.

Verifying your information
We verify key information you give us with reliable independent sources when it’s reasonable to do so.

Monitoring your information
As the Scotiabank Privacy Agreement describes, we may monitor your account as part of our legal and regulatory obligations. When we notice that your financial behaviour changes, we take steps to find out why. This is an important part of protecting the security of your account.

Keeping your information up to date
We keep information about you and your financial activities for specific purposes that are legally permitted or required. We keep this information as accurate, complete, and up-to-date as is necessary to meet the purposes for which we collect it. If your personal information changes or is out of date, you must tell us so we can update our records.
Other information we may ask you to provide

Because of regulatory requirements, we may ask you for more information about a specific transaction. For example, we may ask if you are conducting a transaction for a third party.

Interest rates on your account

If you have an account that pays interest, interest rates will vary from time to time, and you may not receive any interest when your balance falls below a certain level. For information on current interest rates, visit www.scotiabank.com or call 1-800-45COTIA (1-800-472-6842).

Knowing your money is safe with us

The Bank of Nova Scotia is a member of Canada Deposit Insurance Corporation (CDIC). CDIC insures eligible deposits you make with Scotiabank up to maximum coverage limitations. For more information on deposit insurance, refer to ‘97, CDIC - Protecting your Deposits.

The Bank of Nova Scotia maintains a Deposit Product List of the eligible deposits it offers. You can review and obtain the Scotiabank Group Deposit Product List on the Scotiabank website at www.scotiabank.com or at your Scotiabank branch.

Part 3 Important information on using your account

Direct Deposit for paycheques and other payments

You can arrange for electronic direct deposit of most employer paycheques and government payments. The payment goes directly into your account, is available immediately, and isn’t delayed if there is a postal strike.

Holds on deposits, transfers, and returned cheques

Cashback limits on deposits

A CashBack limit will be assigned to your ScotiaCard. You can withdraw money up to that limit on your deposit during the hold period.

After you’ve had your card for a while, your limit may be automatically increased by us or you can ask us about increasing this limit.

Holds on cheques deposited to a personal account

When you deposit a cheque into your personal account, you may not always be able to access or cash the funds right away. We may hold funds for the hold period described in our policy. In some cases, a cheque may be returned after the hold period ends. Ultimately, you are responsible to us for any cheque you deposit that is returned to us, regardless of whether its hold period has expired.

In our holds policy, we define “cheque” to include negotiable items such as cheques, certified cheques, and bank drafts.

Hold periods

Whether we hold a cheque you deposit depends on how long you have dealt with the Scotiabank branch, the amount of money already in your account, and the amount and characteristics of the cheque.

Maximum hold periods are as follows. For these periods to apply, cheques must be undamaged and use magnetic ink that our deposit machines can recognize:

› For cheques written from an account at a financial institution’s branch in Canada:
  › 4 business days for Canadian dollar cheques
  › 9 business days for US dollar cheques
19 business days for cheques from an account at a financial institution’s branch in the US.

29 business days for cheques from an account at a financial institution’s branch outside Canada or the US.

Business day means regular weekdays only, excluding Saturdays, Sundays, and statutory federal holidays. The number of business days begins after the date of deposit.

We may extend the maximum hold period if we reasonably suspect illegal or fraudulent activity related to the account.

In some circumstances, we send cheques “on collection.” This means the cheque amount will only be available in your account once Scotiabank has received the funds from the other financial institution.

Hold policy on transfers from another financial institution
You can schedule regular transfers* from a bank account at another financial institution to your Scotiabank personal account. Please ensure the other account has sufficient money for the transfer the day before your transfer date. We may hold the transfer into your Scotiabank account for up to five business days, to ensure the other bank account completes the transfer.

*These can be weekly, every two weeks, monthly, every two months, quarterly, every four months, twice a year, or annually.

Cheques you deposit may be returned
Cheques you deposit are sometimes returned to us by another financial institution for the reasons below. When this happens:

- We may send a printout of the cheque image and not the original. We have the right to capture an original cheque’s image, remove it from the payment system, and destroy it. The paper image is the legal equivalent of the original.
- We may take the amount of an unpaid, returned cheque (and any interest we paid you on that amount) from your account. You are responsible for returned cheques even if you close the account.

A financial institution may refuse to pay a cheque you have already deposited for a number of reasons, including:

Foreign currency cheques returned
If a cheque written in a foreign currency is returned, you are responsible for the Canadian dollar value of that cheque on the day we process the cheque. We are not responsible if the value of the cheque increases or decreases from foreign currency exchange changes.

If you receive money in your account in error
If a deposit is made in your account in error, we will withdraw that amount, even if it creates an overdraft.
Pre-authorized payments, stop payments, and transfers

Pre-authorized payments

You can set up a pre-authorized payment (also called a pre-authorized debit) to automatically pay a bill from your account. This is a convenient substitute for a postdated cheque when you have to pay the same bill every week or month.

We treat a request for a preauthorized payment as though you authorized it and we do not verify it with you first. You waive any right to receive pre-notification from Scotiabank of the amount of the pre-authorized debit before it is processed.

To set a payment up, the company will need you to complete an authorization form telling them the amount, frequency, and account number the money will come from.

For payment amounts that are different on each bill, the company must let you know the amount at least ten days before payment is due. You must keep enough funds in your account to cover the payment. If the company asks you for a blank cheque with the authorization form, provide one, but:

› do NOT sign the cheque
› write VOID across the face of the cheque
› record the void cheque in your banking records

Keep a copy of the authorization you signed. If it does not explain how to cancel the payment agreement or correct an improper withdrawal ask the company for the procedures.

Issuing a stop payment on a pre-authorized payment

We stop pre-authorized payments based on the company name and the amount of the payment. If either the name or amount you provide does not match the payment that comes through, we may not stop it. Sometimes, unscrupulous companies are aware of this and change the name or amount slightly and continue to make withdrawals. If you want to cancel a pre-authorized payment to a specific company, you must also contact them to cancel the payments from their side.

Issuing a stop payment on a cheque

When you ask us to stop payment on a cheque you wrote and we do so, you agree to pay any costs we incur. Of course, we can’t stop payment if the cheque clear before we receive your request. In that case, we are not responsible for stopping the payment.

Investigating Electronic Funds Transfer (EFTs), Telephone Funds Transfers (TFTs) and Wire Transfers

We may delay or refuse EFT, TFT, or Wire Transfers at any time. We have a right to investigate these transfers to prevent crime, meet our legal requirements, or manage risks that go along with transfers.

Part 5 Special feature plans

Getting There Savings Program® for youth

A parent or guardian can open a Getting There savings account for a young person under 19 years old. If the young person is under 16, the parent or guardian must be present to open the account, get a bank card, or withdraw money. Once the young person is 16, they can ask us in writing to have authority over their account without parental consent.

If the account was opened before December 31, 2004, the parent or guardian must be present to transfer signing authority, even if the child is older than 16.

When you turn 19 years old

When you turn 19, you are no longer eligible for the youth account. We send you other account options by email, Scotia OnLine, or regular mail. If you do not choose a new account type, we automatically choose the most suitable account for you based on your recent transactions.

Interest on this account

We calculate interest daily and pay it monthly. The rate we use to calculate interest is based on which “tier” your daily account closing balance fits into. Different tiers give different annual interest rates. Note that some tiers may not pay interest. The annual interest rate for a tier is applied daily to the entire daily account closing balance. Find current rates and tiers at www.scotiabank.com.

Student Banking Advantage® Plan

You can use this plan if you’re a full-time student at a qualifying post-secondary school in Canada or the US. To take advantage of the Student Banking Advantage Plan account benefits, you will need to provide your branch with proof that you are enrolled full-time at a qualifying post-secondary institution.

When you are no longer a full-time student

When you are no longer enrolled full-time or you have not presented proof of enrollment, the plan will automatically be converted to another chequing account best suited for you, based on your account usage. You will be reminded by email, Scotia OnLine, or by regular mail of the changes and other account options prior to conversion. Please visit www.scotiabank.com/chequing, your local branch or call us at 1-800-4SCOTIA.

Student account holders can apply for these benefits

If you hold this type of account, you are eligible to apply for:
› Scotiabank’s special Grad Auto Loan Program for graduating students
› a L’earn® Visa® card for students, with a credit limit of $500 to $2,000 and no annual fee
› a SCENE‡ Visa® card with a credit limit of $500 to $2,000 and no annual fee

‡ Registered Trademark of SCENE IP LP, used under license.

Interest on this account

We do not pay interest on this kind of account.

### Part 6 Savings accounts

#### Scotiabank MomentumPLUS Savings Account

The Scotiabank MomentumPLUS Savings Account is a no monthly fee, high-interest savings account for people living in Canada. A MomentumPLUS account pays interest in two ways:

- Regular Interest on all the money you hold in your account
- A higher level of interest, called Premium Interest, if you commit to keeping a certain amount of money without making withdrawals on that amount for 90, 180, 270, or 360 days.

**How we calculate Regular Interest**

We calculate Regular Interest daily on your closing balance and pay it monthly based on the annual Regular Interest Rate. Regular Interest is stated as an annual rate.

**How Premium Interest works**

MomentumPLUS Savings Accounts pay Premium Interest in addition to Regular Interest. You choose a) how much of your savings you want to deposit into a Premium Period and b) how long a Premium Period you want—90, 180, 270, or 360 days. Note you receive a higher interest rate for longer Premium Periods. To receive Premium Interest, you must leave the amount you deposit without withdrawals until the end of the Premium Period. You may have five different Premium Periods open at a time.

A Premium Period begins when you make a deposit. Any transaction that draws money from that specific Premium Period will end it and the premium interest will be forfeited. For example, these transactions end a Premium Period: withdrawals, transfers (including transfers to your other Scotiabank accounts and between Premium Periods within your MomentumPLUS Savings Account), and transaction-related service fees. When one Premium Period ends, a new Premium Period of the same length starts the same day.

We calculate Premium Interest daily and pay it at the end of each Premium Period. We also pay Premium Interest on any Regular Interest that accumulates on that deposit. We list the Premium Interest rate as an annual rate, but we only pay interest on the portion of the year that applies.

If you make another deposit to one of your Premium Periods, we pay the following rates on that deposit, based on the number of days left in the period:
### Days remaining until end of Premium Period

<table>
<thead>

<td>270-Day Premium Interest rate</td>
</tr>
<tr>
<td>271 days or more</td>
<td>360-Day Premium Interest rate</td>
</tr>
</tbody>
</table>

### Changes to interest rates and premium periods

Regular Interest Rates, Premium Interest Rates, and Premium Periods can change at any time. Changes to Regular Interest Rates apply immediately. The Premium Interest rate will stay the same until the end of the Premium Period for deposits you made before the rate change. If you deposit new amounts after the rate change, the new rate applies.

We post current Regular and Premium Interest Rates and Premium Periods at [www.scotiabank.com](http://www.scotiabank.com).

### If more than one person holds the account

If the account has multiple account holders, any one of you can sign for a transaction. You can find important information in the Deposit Account Agreement about this “any-to-sign” arrangement.

#### More details

- You can access your account or make transfers using Scotia OnLine, Scotiabank Mobile Banking, and the Customer Contact Centre. You cannot use Interac® Debit, Scotiabank ABM, and bill payments with this account. Because this is intended as a savings account, there’s a $5 per-transaction fee for withdrawals, except when you transfer money between Scotiabank accounts.
- You have unlimited self-service no-fee transfers to other Scotiabank accounts from your [MomentumPLUS](#) Savings Account, including transferring between Premium Periods within that account. But remember these transfers eliminate Premium Interest for the Premium Period.
- You cannot hold a [MomentumPLUS](#) account within a registered plan.

### For more information on services and charges

Please refer to:

- the chart on page 29
- Other Banking Services and Fees on page 33

### Scotiabank Savings Accelerator Account

The Scotiabank Savings Accelerator Account offers interest rates based on the balance in the account. The interest rate you receive increases on larger balances—there are multiple tiers of interest rate. You can hold a Scotia Savings Accelerator Account in a registered plan.

#### For more information

For details, please see the Investment Companion booklet at a Scotiabank branch or [www.scotiabank.com](http://www.scotiabank.com).

### Money Master® Savings Account

#### If more than one person holds the account

If the account has multiple account holders, any one of you can sign for a transaction. You can find important information in the Deposit Account Agreement about this “any-to-sign” arrangement. This is the only signing arrangement available for multiple account holders with a Money Master Savings Account.

#### Interest on this account

We calculate interest daily and pay it monthly. The rate we use to calculate interest is based on which “tier” your daily account closing balance fits into. Different tiers may give different annual interest rates. Note that some tiers may not pay interest. The annual interest rate for a tier is applied daily to the entire daily account closing balance. Find current rates and tiers at [www.scotiabank.com](http://www.scotiabank.com).

Outgoing wire transfers

We charge a fee to send a wire transfer. You can check the fee when you instruct us to send the wire. Other banks or institutions that are involved in the wire transfer may charge a separate fee.

Information you need to make wire transfers

* SWIFT and BIC codes: To transfer money between banks, especially internationally, you need to know the SWIFT or BIC (Bank Identifier Code) for the bank receiving the transfer. For Scotiabank in other countries, search SWIFT codes at www.scotiabank.com. For funds coming into Scotiabank Canada, use swift code NOSCCATT. For funds coming into Scotiabank US, use swift code NOSCUS33.

IBAN numbers: In some European countries, you need an IBAN (International Bank Account Number) in addition to a BIC code. If you are sending money, you will need the correct IBAN code for the bank receiving the transfer. If you are receiving a transfer, Scotiabank does not have an IBAN code—use the correct SWIFT code and branch address instead.

Routing numbers: Scotiabank’s Routing number is 026002532. The Routing Number is for the bank or financial institution that pays the transfer to the person receiving it. Note the Routing number is not the same thing as an IBAN code.

Wire transfer fees

We may use other banks or third-party service providers (“correspondents”) to process outgoing wire transfers on our behalf. A correspondent may deduct foreign exchange currency conversion charges and other bank handling fees from the transfer if they apply. You agree to pay the correspondent fees in exchange for receiving this service. We cannot predict the amount of these fees. Scotiabank may receive back part of the fee the correspondent deducts.

If there is a currency difference when you transfer money outside Canada, the correspondent will convert the amount into the local currency at the exchange rate they use for buying the currency you send.

Transfer fees are charged in the currency of the account.

Overdraft

Overdraft Protection

Overdraft Protection is available, if your credit is approved, on all bank accounts except:
› Getting There Savings Program for Youth
› Scotia US Dollar Daily Interest Account

› Money Master Savings Account
› Scotiabank Momentum Plus Savings Account

See page 83 of this booklet for the Overdraft Protection Agreement.

Service fees and interest for overdraft protection

› There is no monthly fee if you do not use the overdraft.
› There is a $5.00 fee per month if your account is overdrawn a day or more. This fee does not apply if your Overdraft Protection is approved under a Scotia Total Equity Plan.
On overdrawn balances, you pay 21% annual interest, calculated daily on the daily closing overdrawn balance and charged monthly.

There is a $5.00 fee for each payment from your account if you are overdrawn past the pre-authorized limit.

**Effective date**

The Overdraft Protection is available to use on the approval date. If your Overdraft Protection is approved under the Scotia Total Equity® Plan, it will be available from the date the plan is funded.

**Repaying your Overdraft Protection**

You must bring accounts in overdraft to a positive balance at least every 30 days.

**If we allow you an overdraft when you don’t have Overdraft Protection**

In our sole discretion, we may allow your account to be overdrawn even if you do not have overdraft protection. If we do this, you must pay the overdraft balance in full immediately.

**Interest on overdrafts if you don’t have Overdraft Protection**

We charge 21% annual interest on overdrawn balances, calculated daily on the daily closing overdrawn balance and charged monthly.

**Service fees if you don’t have Overdraft Protection**

We charge a $5.00 handling fee for each item which places your account in overdraft and $5.00 for each payment from your account while your overdraft balance is outstanding. This fee is in addition to normal transaction fees and applicable interest.

You need a Scotiabank Day-to-Day bank account to make a Western Union Money Transfer® transaction.

**Protect yourself from fraud when you send money overseas**

Use Western Union to send money to friends and family. Never send money to someone you have not met in person. Wire transfer frauds commonly ask you to send money for:

- an emergency situation that may not be happening
- an online purchase
- a credit card or loan fee
- claiming lottery or prize winnings
- anti-virus protection
- a deposit or payment on a rental property
- a job opportunity
- a charity donation
- paying taxes
- resolving an immigration matter

A Western Union transfer goes through quite quickly. After the money is paid, Western Union may not be able to give you a refund even if you are a victim of fraud. If you believe that you are a victim of fraud, call the Western Union Fraud Hotline at 1-800-448-1492.

* Western Union makes money from currency exchange as well as its fees. When you choose a company to send money overseas, compare their transfer fees and exchange rates. When you set up a transfer through Scotiabank Mobile Banking, the transfer fee is $9 plus 1% of amount you send for amounts less than $1,000 sent person to person, not between businesses. Fees may

**Part 11 Powers of Attorney**

#### What a Power of Attorney document is

A Power of Attorney is a legal document that appoints someone else (or more than one person) to manage your money and property for you when you can’t, for example if you are out of the country or medically unable to. In most of Canada, that person is called an “attorney” but the person does not have to be a lawyer.

#### To set up Power of Attorney (POA) with us

We can set up a standard Power of Attorney that will cover transactions with Scotiabank. You don’t need to use our form, but if you do, ensure the Scotiabank POA form does not conflict with any other Power of Attorney form you have signed. You may want to get legal advice before signing a Power of Attorney form.

We require two current, original pieces of ID from you if you’re appointing the attorney, and we require an example of the attorney’s signature. If you have an existing Power of Attorney form, we need to see the original or an original notarized copy.

#### Using a Power of Attorney form to do banking

We need to review the Power of Attorney form before we can let an attorney do transactions for you. If the form has complex or missing information, it may take longer to review. We let you or your attorney know the outcome of our review as quickly as possible.

#### More information on Powers of Attorney

Part 12 Resolving Your Complaint

This section explains who to contact first and what steps to take if you have a complaint.

**Step One**

**Talk to us at a branch or our customer contact centre 1800-4SCOTIA or 1-800-472-6842.**

If the person you speak to at the branch or customer contact centre is not able to resolve your concern to your satisfaction, please speak directly to a management officer, who has the authority to resolve the majority of problems that arise.

**Step Two**

**Contact the Office of the President**

If the management officer has been unable to resolve your complaint satisfactorily, a representative of the President & CEO will be pleased to assist you.

**Email**  mail.president@scotiabank.com

**Mail**  The President, Scotiabank
44 King Street West
Toronto, Ontario M5H 1H1

**Telephone**  English 1-877-700-0043 (in Toronto, 416-933-1700)
French 1-877-700-0044 (in Toronto, 416-933-1780)

**Fax**  1-877-700-0045 (in Toronto, 416-933-1777)

**Step Three**

**Contact Scotiabank's Ombudsman**

Scotiabank’s Ombudsman has been appointed to do impartial reviews of all unresolved customer complaints. If you have gone through the first two steps and remain dissatisfied, submit your complaint to the Ombudsman in writing.

**Email**  ombudsman@scotiabank.com

**Mail**  Scotiabank Ombudsman
44 King Street West
Toronto, Ontario M5H 1H1

**Fax**  1-866-787-7061

---

**If we haven’t been able to resolve your complaint**

1. **You may contact an External Complaints Body for banking complaints, the ADR Chambers Banking Ombudsman (ADRO)***

   ADRBO has been appointed to undertake an impartial review of unresolved banking complaints. If you are not satisfied with our Ombudsman's response, you can refer your complaint to the ADRBO. While we would expect to resolve your complaint within 90 days, if our best efforts have been unable to provide a resolution in that time, you may refer your complaint to the ADRBO.

   **Email**  contact@bankingombuds.ca

   **Mail**  ADR Chambers Banking Ombudsman
   P.O. Box 1006

   Toronto, Ontario MSC 2K4

   **Telephone**  1-800-941-3655
   **Fax**  1-877-803-5127

2. **You may contact the Financial Consumer Agency of Canada (FCAC)**

   The FCAC supervises federally regulated financial institutions to ensure they comply with federal consumer protection laws. For example, financial institutions must give consumers information about fees, interest rates and complaint handling procedures. They must also give proper notice of closing a branch and, subject to certain conditions, must cash a federal government cheque up to $1,500 and open a deposit account when customers present acceptable identification. If you have a complaint about this kind of regulatory matter, you can contact the FCAC in writing.

Security of Your ScotiaCard and Electronic Signature

Protecting the security of your ScotiaCard and your Electronic Signature is important. You are responsible for maintaining their confidentiality and safekeeping. This includes:

› keeping the ScotiaCard in your possession;
› keeping the ScotiaCard in a safe place and not letting anyone else use it;
› keeping the ScotiaCard in your sight, and taking the ScotiaCard and transaction record (when applicable), once a transaction at a Direct Payment Terminal or ABM is complete;
› keeping your Electronic Signature confidential and memorizing it or, if you must write it down, keep it separate from your ScotiaCard at all times such that they cannot be used together;
› selecting an Electronic Signature that cannot be easily guessed;
› not using an Electronic Signature that is a combination selected from your name, date of birth, telephone number(s), bank account number(s), address or social insurance number;
› taking all reasonable precautions to ensure that no one else sees or learns of your Electronic Signature when using the Automated Banking Services;
› always signing out or logging out of an Online Banking or Mobile Banking session using the applicable sign out or log out function;
› not leaving your computer or Mobile Device unattended while signed in to Online Banking or Mobile Banking;
› not voluntarily disclosing your Electronic Signature to anyone else at any time, including any family member, friend, law enforcement agency, or financial institution employee;
› not consenting to or allowing someone else to forge your Written Signature;
› not storing your Electronic Signatures on your computer or Mobile Device; and
› not using third party password generators.

You may use your ScotiaCard, PIN or Online Banking credentials to identify yourself to a third party, such as a government office, where this method is authorized by us and where this ability is available.

You must ensure that you regularly update your passbook and check your Account statements and balances to verify all transactions have been properly recorded. If entries do not accurately reflect your transaction activities, such as missing or additional transactions you must contact us immediately by visiting the nearest Scotiabank branch or through Telephone Banking.

A Lost, Stolen or Compromised ScotiaCard or Electronic Signature

You will notify us immediately if:

› your ScotiaCard is, or you suspect that it is, lost or stolen;
› someone else has, or you suspect that someone else has, used your ScotiaCard, Electronic Signature or forged your Written Signature;
› your ScotiaCard or Electronic Signature has, or you suspect that it has, become known to someone else or has otherwise been compromised.

You may notify us by visiting the nearest Scotiabank branch or by contacting us at the telephone numbers shown at the end of this Agreement.

In addition to notifying us, you should change your Electronic Signature. For example your PIN may be changed at the nearest Scotiabank branch or at our Scotiabank ABMs that allow you to make a PIN change. Online Banking and Mobile Banking passwords or passcodes can be changed by using the applicable reset password or reset passcode function.
Expiry Date

Your ScotiaCard has an expiry date. A new ScotiaCard will be re-issued to you before the expiration date on the ScotiaCard.
You agree not to use your ScotiaCard after its expiry date.

Automated Banking Services

Once your ScotiaCard is activated, you can access the Automated Banking Services by using your ScotiaCard and your Electronic Signature, or Written Signature where applicable. You may also use your ScotiaCard without the Electronic Signature or Written Signature for Interac® Flash Transactions and Card Not Present Transactions at participating merchants. You will have the same rights and responsibilities for transactions that do not require an Electronic Signature or Written Signature as you would have had using your ScotiaCard and Electronic Signature or Written Signature.

In addition to the various other Automated Banking Services you will have access to by using your ScotiaCard, you will be able to obtain cash advances at designated ABMs from your Scotiabank Visa® card, your ScotiaLine® for business Visa® card, your Scotiabank American Express card, your ScotiaLine® personal line of credit and your ScotiaLine® personal line of credit for students accounts if:

› Automated Banking Services access via your ScotiaCard to these designated Accounts has been pre-arranged;
› your Accounts are in good standing, and
› your Account credit limit will not be exceeded by doing so.

You can also use your ScotiaCard to access your designated investment Accounts (including your GICs and your Accounts with Scotia Securities Inc.) and brokerage Accounts with ScotiaMcLeod®, HollisWealth™ and Scotia iTRADE® through the Automated Banking Services.

You authorize Scotiabank to accept your instructions given through the Automated Banking Services as if you had given the instructions to us signed and in writing. For certain purposes, when dealing with your investment Accounts, we may restrict access to some of your other Account options.

Branch Access to Accounts

You can access your designated Accounts by presenting your ScotiaCard together with your Electronic Signature, your passbook, your personalized Scotiabank cheque, or such other identification as we reasonably require, at any Scotiabank branch within Canada. If you do not have a ScotiaCard, you will need sufficient identification to enable the branch to verify your identity and your home branch may need to be contacted to facilitate the transaction.

Inactive Accounts

Inactive Accounts cannot be accessed through any Automated Banking Service(s). You will need to visit a branch to reactivate your access to Inactive Accounts.

Transaction Charges & Fees

You agree to pay and we may deduct, without notice, from any of your Accounts (even if this creates or increases an overdraft) the following:

› a transaction charge at the prevailing rate (as determined by us from time to time) for each transaction for which your ScotiaCard has been used through the Automated Banking Services. A notice of the charges and fees is provided in this booklet and, for business Accounts, in the document called “Your Guide to Fees and Interest Schedules” provided with the Business Banking Services Agreement;

› the transaction charges or service fees imposed by other financial institutions (inside or outside Canada) for each transaction conducted through their ABMs or Direct Payment Terminals in which your ScotiaCard has been used. You should contact other financial institutions for information on their transaction fees or service fees they charge for using their ABMs.

Transaction Limits

We may establish and change limits, dollar or otherwise, from time to time, that apply to your use of the ScotiaCard and on the various transactions which may be available through the services, without prior notice to you. Cumulative limits currently in effect are:

› Limits for ABM cash withdrawals or cash disbursements from your bank Accounts and advances from your credit card Accounts, by using your ScotiaCard are as indicated on your ScotiaCard Banking Access Enrollment/Maintenance Form;

All fees and limits for Western Union money transfers or foreign currency transfers can change from time to time and can be viewed at Online Banking.

Transaction Records/Confirmation Numbers
At the completion of each Automated Banking Services and branch transaction, you will be given a transaction record, unless otherwise requested, or you will be provided with a reference number. If your ScotiaCard is used for a Direct Payment or Card Not Present Transaction, we may arrange for a third party, such as a merchant, to give you the transaction record. For some Direct Payment transactions you will need to provide your Written Signature on the transaction record.

You agree that cheques or any other form of debit voucher transaction performed through any Automated Banking Services, at any Scotiabank branch other than at the branch where you maintain your Account(s), will not be returned to you, but rather a description of the transaction only (e.g. cheque, debit voucher or debit memo) will be reflected in your monthly statement or passbook.

Interac® Flash - Description
Interac® Flash is a feature available on your ScotiaCard that enables Cardholders to use the ScotiaCard to pay for small purchases, up to $100 at select merchants, by holding your ScotiaCard over a Direct Payment Terminal that supports Interac® Flash. You do not have to insert your ScotiaCard or enter a PIN.

Note: If your ScotiaCard was issued before March 2013, your maximum purchase limit is $50 at most merchants and $100 at gas stations. Should you exceed the maximum amount at any merchant, you will be prompted for your PIN in order to complete the transaction. Interac® Flash Transactions are only for the payment of goods and services – “cashback” transactions are not permitted.

Interac® Flash - Enabling and Opting Out
When you are first issued a ScotiaCard with Interac® Flash enabled, this feature will be activated the first time you conduct a successful PIN transaction at a Direct Payment Terminal, at an ABM or a branch.

You must have a pre-selected chequing Account linked to your ScotiaCard for Interac® Flash to be enabled. Your Interac® Flash settings will be automatically transferred to your replacement card.

You can have Interac® Flash disabled on your ScotiaCard by contacting the Scotiabank Call Centre at 1-800-4SCOTIA or by visiting your nearest branch. If you request to have the feature disabled, any replacement ScotiaCards issued after the request will also have the Interac® Flash feature disabled.

You may request to have the Interac® Flash feature enabled at any time through the same contact methods. There is no charge to have the Interac® Flash feature added to, disabled or enabled on your ScotiaCard.

Visa Debit
For ScotiaCard debit cards that have Visa Debit functionality, Visa Debit transactions will be processed through the pre-selected chequing Account linked to your ScotiaCard.

Accepting Our Records

Our records as to whether an Automated Banking Services or branch transaction has been performed, and our determination of the details of that transaction, will be considered correct and binding on you, unless you provide us with evidence to the contrary within 30 days of the date of a disputed transaction.

Posting of Transactions, Cancelling Transactions and Updating Bill Payment Information

Any Automated Banking Services transaction (excluding automated bill payments) conducted in Canada before 12:00 a.m. (midnight) local time Monday through Saturday will normally be posted to your applicable Account as of the date of the transaction, unless that day is a holiday. Transactions conducted on Sundays or holidays will normally be posted to the applicable Account as of the next Business Day.

Any transaction conducted on a Saturday involving a Scotiabank chequing account or a current or business account will normally be posted to the designated Account as of the next business day. Transactions conducted outside Canada may be posted to your designated Account at a later date.

For transactions conducted using Visa Debit, transactions are posted to and funds debited from your Account on the date the transaction is authorized by us. If there is a difference between the original authorized amount and the final settled amount of the transaction, your Account may be credited with the original authorized amount and subsequently debited for the final settled amount of the transaction.

Any automated bill payment request made on or before 8:30 p.m. Eastern Standard Time, Monday through Friday will be posted to your designated Account on the day the transaction is processed. An automated bill payment request made after 8:30 p.m. Eastern Standard Time, Monday through Friday or anytime on Saturday, Sunday or a holiday, will be posted to your designated Account on the next Business Day. Any automated bill payment request will be deemed to have been received by us on the date the transaction is posted to the designated Account.

We are not responsible for or any of the posting procedures or practices of your designated Bill Payment Companies and we are not responsible if they charge you late fees or interest penalties. When you make a bill payment at one of our ABMs, branches, through the Automated Banking Services, you are responsible for ensuring that the Bill Payment Company (including account numbers and payee names) required by us to complete your payment instructions to that Bill Payment Company is accurate at all times. We may, without notice to you, update your bill payment profile information if we are advised of a change by the Bill Payment Company.

The debit to your Account for post-dated bill payments and fund transfers are processed at 6:00 p.m. Eastern Standard Time on the date to which your payment is post-dated.

Transactions involving Accounts with insufficient cleared funds at the time of processing may be rejected.

You acknowledge that once you have confirmed the details of a payment or transfer, you may not revoke or stop the payment or the transfer unless it is a post-dated payment or transfer you have set up in Online Banking, Mobile Banking or TeleScotia Telephone Banking. Such postdated payments and transfers can be cancelled directly through Online Banking until 6 p.m. Eastern Standard Time on the day they are scheduled to take place. You can also request cancellation of a postdated payment or transfer by speaking directly with one of our Customer Service representatives at the latest one (1) Business Day before the scheduled payment or transfer date. You are responsible for notifying us of any changes to billing Account information. Where a store, retailer or merchant becomes liable to make any refund to you, we will credit the designated Account with the refunded amount only upon our receipt of a properly issued credit voucher or other appropriate verification or authorization of the refund from the store, retailer or merchant.

We may at our discretion and without prior notice, refuse a request for authorization of any ScotiaCard transaction, and may notify third parties of such refusal as we think necessary. In exercising such discretion, we may take into account in calculating the funds available, any funds which we may decide have been credited or debited to an Account.

We may place a hold on branch or ABM deposits pending verification.

Processing Foreign Currency Direct Payments, Card Not Present Transactions, Withdrawals and Advances

You can use your ScotiaCard to access your bank Accounts for the following foreign currency transactions from these Accounts:

- Direct Payments at designated Direct Payment Terminals that are outside of Canada;
- Card Not Present Transactions (ScotiaCards with Visa Debit functionality) through authorized merchants that are located outside of Canada; and
- Cash withdrawals from designated ABMs that are outside of Canada.

You can use your ScotiaCard to access your Scotiabank Visa card Accounts, ScotiaLine access card and Scotiabank American Express card Accounts for the following foreign currency transactions on those Accounts:

- Cash advances, other than from Scotiabank® U.S. Dollar Visa card Accounts, from designated ABMs that are outside of Canada; and
Cash advances from designated ABMs within Canada in Canadian dollars from your Scotiabank U.S. Dollar Visa card Account.

For foreign currency transactions, other than cash advances from designated ABMs within Canada in Canadian dollars from your Scotiabank U.S. Dollar Visa card Account, a converted Canadian dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. For cash advances from designated ABMs within Canada in Canadian dollars from your Scotiabank U.S. Dollar Visa card Account, a converted U.S. dollar amount will be deducted from your applicable Account based on an exchange rate set by the applicable payment network and determined on the transaction settlement date. The exchange rate at the time of settlement may be different from the exchange rate in effect on the transaction date. Payment networks include Visa International, Visa Inc., Interac Corp., or other payment networks as appropriate. Foreign currency transactions are subject to the following foreign currency transaction fees:

- Foreign currency transactions on your bank Accounts using Visa Debit on your ScotiaCard will be subject to a fee that is calculated based on a 2.5% increase to the exchange rate and is included in the converted Canadian dollar amount of the transaction;
- Foreign currency transactions on your bank Accounts using your ScotiaCard, other than Visa Debit transactions, are subject to a fee that is calculated by adding 0.025 to the exchange rate;
- Foreign currency transactions on your Scotiabank Visa card Accounts, or Scotiabank American Express card Accounts, by using your ScotiaCard will be subject to the foreign currency transaction provisions of the Revolving Credit Agreement.

If you use your ScotiaCard for a transaction in a foreign currency and the store, retailer or merchant gives you a credit voucher (for example in the case of a refund), the two transactions (the purchase and the refund) may not balance exactly because of exchange rate and currency fluctuations between the date of the purchase and the date of the credit (or refund).

We will not assume any risks associated with foreign currency exchange gains or losses from cross-currency conversions resulting from the use of your ScotiaCard. Any gains made or losses incurred by you in connection with foreign currency transactions because of currency rate fluctuations between the date the transaction is posted and the date any subsequent credit is posted to the designated Account are your responsibility and shall be payable to you or by you (as the case may be).

Scotiabank has the right to send you a new ScotiaCard with new features without prior notice.

### Resolving Disputes

We are not responsible for any failure to supply, or lack of suitability of quality of, any goods or services purchased from Bill Payment Companies, merchants or others through the Automated Banking Services. All disputes between you and a Bill Payment Company, merchant or others, including your rights to compensation or any offset rights (set-off), shall be settled directly by you with the Bill Payment Company. We do not verify, nor are we required to verify, that any
purpose for which the payment is made has been fulfilled by the Bill Payment Company as a condition of honouring your payment request on your Account.

For all unauthorized claims, we will investigate the transaction and a determination regarding whether any reimbursement will be made based upon the investigation. We will respond to the Cardholder’s report of an unauthorized ScotiaCard transaction within 10 business days. We may require a signed statement during the course of the investigation. Or, where appropriate, we may require a signed affidavit from the Cardholder, which may result in a temporary suspension of the 10 day limit, until the requested information is received.

No funds, or only partial funds will be reimbursed if our investigation determines that on the balance of probabilities, the Cardholder contributed to the unauthorized use of their ScotiaCard. If we cannot settle the complaint in your favour, you will be informed of the reasons for Scotiabank’s position in the matter.

If a problem with a ScotiaCard transaction is not resolved to your satisfaction or you have not received a response to a claim of an unauthorized ScotiaCard transaction within the time period, please refer to the Complaint Resolution section of the Day-to-Day Banking Companion Booklet.

The *Scotia Rewards* Travel Service does not commit to price matching other than the Best Price Guarantee program.

Travel Confirmations: All correspondence and travel documents/itinerary provided by *Scotia Rewards* Travel Service will be sent to the Cardmember’s address or email appearing in our records at *Scotia Rewards* Travel Service or to the address instructed by the Cardmember. We are not responsible for any failure to receive these travel documents if we send them to the address appearing in our records at the *Scotia Rewards* Travel Service or the instructions we receive from the Cardmember.
Travel Documents: You and your travel companions are responsible to ensure that you have in your possession, on departure and as otherwise required, all necessary travel documents. We are not responsible if you do not have the necessary travel documents and you will not be entitled to any compensation from us. It is your responsibility to check with the airlines and other travel suppliers for all estimated departure times, arrival times, and check-in times.

Travel Cancellation: If you wish to cancel your travel booking before your travel departure date, or any portion of it, made through the Scotia Rewards Travel Service, we will attempt to assist you but you agree that any cancellation is subject to the terms and conditions of the third party travel supplier that is providing that travel purchase and the terms of the travel purchase itself. In some cases, this means that for non-refundable tickets, cancellations are not allowed or are subject to cancellation fees. Cancellation fees can be paid with points or with a Scotiabank credit card connected to the Scotia Rewards program.

Travel cancellations and/or changes made to travel purchases outside of Scotia Rewards Travel Service hours are dependent on the terms set by the third party travel providers and their hours of operation. The Scotia Rewards Travel Service is not responsible for earlier closures or any cancellation of these travel purchases by the third party travel providers.

Point redemptions for travel purchases are final. However, if you are able to cancel a travel purchase for which you redeemed Scotia Rewards points, we will credit your Scotia Rewards Account for the points redeemed at the value they were redeemed at.

F. Post Purchase Travel Redemption
You can purchase eligible travel or related travel expenses at a travel provider other than the Scotia Rewards Travel Service (e.g., other travel agencies, tour operators and online travel websites) (the “Other Travel Suppliers”). These types of purchases at Other Travel Suppliers are called “Post Purchase Travel Redemptions” (also referred to as “Apply Points to Travel”).

Scotia Rewards points are redeemable toward Post Purchase Travel Redemptions you have previously made using your Program Card. To redeem Scotia Rewards points toward a Post Purchase Travel Redemption at Other Travel Suppliers, the purchase must first appear on the Program Card Account. Scotia Rewards Cardmembers can then redeem points towards the amount of the Post Purchase Travel Redemption, charged to the Program Account, by visiting the Program Site or by calling 1-800-665-2582.

The Post Purchase Travel Redemption must be debited to your Program Card Account and recognized by our systems with the Merchant Category Codes or identifiers: airlines & air carriers; airports, flying fields, and airport terminals; lodgings, hotels, motels and resorts; trailer parks and campgrounds; passenger railways; bus lines; steamship and cruise lines; travel agencies and tour operators; automobile rental agency; motor home and recreational vehicle rentals. These Merchant codes/identifiers and categories are subject to change.

The Post Purchase Travel Redemption can include related taxes, booking fees, airport fees and travel insurance premiums.

You must redeem Scotia Rewards points within 12 months from the date that the Post Purchase Travel Redemption was posted to the Program Card Account. It may take up to 2-3 business days for the points redeemed towards a Post Purchase Travel Redemption to appear as a deposit on your Program Card Account. Points redeemed cannot be reversed once posted to the Program Card Account.

To redeem Scotia Rewards points towards your Post Purchase Travel Redemption, the Program Card Account must be open.

The value of the points redeemed cannot exceed the amount of the Post Purchase Travel Redemption charged to your Program Card Account.

The minimum point redemption towards a Post Purchase Travel Redemption is 5,000 points.

G. Redeem Points for Cash
A Scotia Rewards Cardmember can redeem points online through the Program Site for cash that will be deposited to the Program Card Account.

Your Program Card Account must be open at the time the deposit is made to the Program Card Account.

It may take up to 2-3 business days, following a request to redeem points for cash, for the deposit to appear on the Program Card Account. Once the request to redeem Scotia Rewards points for cash has been submitted, you cannot cancel the request and no changes can be made.

For additional information and instructions on how to redeem Scotia Rewards points for cash, including if any minimum redemption amounts are required, please visit the Program Site.

H. Points Status when Switching Cards
If you switch your Program Card to another type of debit card, you can

(i) transfer your points to the Scotia Rewards Account associated with your Scotiabank credit card, as long as both Accounts are in good standing, or

(ii) redeem any unused Scotia Rewards points, subject to the conditions set out in Section I below.
I. Closed Program Card Accounts
If you close a Program Card Account or cancel a Program Card:

(i) any unredeemed Scotia Rewards points associated with the applicable Program Card can be redeemed within 60 days of closing the Account, after which time the unredeemed Scotia Rewards points will be permanently cancelled; and

(ii) you will not be able to redeem any Scotia Rewards points for a Post Purchase Travel Redemption or for Credit redemption.

If Scotiabank initiates the closure of a Program Card Account or cancellation of a Program Card, your Scotia Rewards points cannot be redeemed and will be immediately cancelled.

J. Cancelled, Lost or Stolen Program Cards
Program Cards are not eligible to earn Scotia Rewards points after their cancellation date. If your Program Card is lost or stolen, we will replace that Program Card and transfer your points to a new Scotia Rewards Account opened in your name for the replacement card. In the event your Program Card is lost, stolen or damaged, you must immediately notify your Scotiabank branch or call 1-800-4SCOTIA (1-800-472-6842).

K. Changes to this Program
Scotiabank reserves the right to modify, terminate, suspend or extend or otherwise alter all or any of the terms and conditions of the Scotia Rewards program, upon 30 days’ notice, including the following:

- The amount of points earned or redeemed through the Program;
- The value of points;
- What you can or cannot redeem points for;
- When you can transfer points and to whom;
- The length of time available to redeem points; or
- Any fees or charges that apply to this Program including booking fees.

In the event we terminate this Program, the Cardmember will be notified and can redeem any unused points within 60 days after the Program’s termination date, provided their Program Account(s) is open.

L. Disclaimers
Scotiabank and any of the third party service providers that are retained by Scotiabank to assist us in providing the Scotia Rewards Program, including HRG (each a “Program Provider”) are not liable or responsible for any damages, injuries or disabilities that occur, including during travel redeemed through the Program, while using any rewards redeemed through the Program or for any cash back under the Program. Scotiabank and its Program Providers are not responsible for any purchases or other goods and services provided by third parties including Other Travel Providers.

While we will try to satisfy Cardmembers with an equivalent replacement or an adjustment of points, Scotiabank and its Program Providers will not assume any costs related to the failure of suppliers to deliver the rewards.

Refusing or withdrawing consent

Subject to legal, regulatory and contractual requirements, you can refuse to consent to our collection, use or disclosure of information about you, or you may withdraw your consent to our further collection, use or disclosure of your information at any time in the future by giving us reasonable notice. However, depending on the circumstances, withdrawal of your consent may prevent us from providing you, or continuing to provide you, with some Services, means of access to Services, or information that may be of value to you.

You cannot refuse our collection, use and disclosure of information required by third party service providers essential for the provision of the Services or required by our regulators, including self-regulatory organizations. In addition, if you apply for, accept, or guarantee, a line of credit, term loan, mortgage or other credit account with us

When you apply for, accept, or guarantee a loan or credit facility or otherwise become indebted to us, and from time to time during the course of the loan or credit facility, we may use, give to, obtain, verify, share and exchange credit and other information (except health information) about you with others including credit bureaus, mortgage insurers, creditor insurers, reinsurers, registries, other companies in Scotiabank and other persons with whom you may have financial dealings, as well as any other person as may be permitted or required by law. We may do this throughout the relationship we have with you. You also authorize any person whom we contact in this regard to provide such information to us.

If you have a Service with us such as a banking card, credit card or line of credit product with an access card, you agree that we may give information (except health information) about you to electronic payment service providers, credit or charge card associations, loyalty program partners and their employees and agents for the purpose of processing, authorizing and authenticating your transactions (as the case may be), providing you with customer assistance services and for other purposes related to your services. We may also give this information in respect of your participation in contests and promotions administered by the electronic payment service providers, credit or charge card associations and loyalty program partners on our behalf.

Information retained by Canada Mortgage Housing Corporation will be subject to federal access to information and privacy legislation.
During the term of the loan or credit facility, you may not withdraw your consent to our ongoing collection, use or disclosure of your personal information in connection with the loan or other credit arrangement you have with us or have guaranteed. We can continue to disclose your personal information to credit bureaus even after the loan or credit facility has been retired, and you may not withdraw your consent to our doing so. We do this to help maintain the accuracy, completeness and integrity of the credit reporting system.

In addition, if you accept an insurance Service with us

You also authorize any person whom we contact in this regard to provide such information to us. If you accept an insurance Service with us, or if an insurance Service is issued on your life, you may only withdraw your consent as noted above so long as the consent does not relate to underwriting or claims where Scotiabank must collect and report information to insurance service bureaus after the application has been underwritten or the claim has been adjudicated. This is necessary to maintain the integrity of the underwriting and claims systems.

Subject to legal, regulatory and contractual requirements, you can request to access the personal information we hold about you. Much of this information is already accessible by you, for example: through your account statements or bankbook updates; by visiting the branch or office where you regularly do business; by accessing your account online; or through the Customer Contact Centre. Once your identity has been verified and the scope of your request confirmed, within 30 days we will provide you with access to your information, except where prohibited by law. If necessary, we will notify you that we require an extension beyond the 30 day period.

Scotiabank may charge you a nominal access fee depending on the nature of your request. We will advise you of the fee, if any, prior to proceeding with your request.

If you have a sensory disability, you may request that your information be made available in an alternative format.

Further information
You acknowledge that we may amend this Agreement from time to time to take into consideration changes in legislation, technology or other issues that may arise. Part 16 Overdraft Protection Agreement

Overdraft limit
You may overdraw the account(s) to which this agreement applies, up to the amount set out in the Personal Credit Agreement, if applicable, or as otherwise agreed to in writing by us. We may refuse any debit if the amount would cause the overdraft limit to be exceeded. If we allow the overdraft limit to be exceeded, we may treat the portion that exceeds the overdraft limit as an overdraft granted in the absence of Overdraft Protection, including applying the appropriate interest rate and service fees. You understand and agree that the credit available under this Overdraft Protection Agreement is to be used solely to facilitate overdrafts in the applicable account(s) and not as a long term credit facility.

Effective Date
The Overdraft Protection will be available for use, effective the approval date. If the Overdraft Protection is approved under the Scotia Total Equity Plan, then it will be available from the funding date of the Plan.

Payment
Within 30 days from the day in which the overdraft occurred:
› You will bring your account to a positive balance;
› You will pay the handling charge, which is treated as an overdraft amount, for each debit drawn on the account while your account is overdrawn more than the pre-authorized limit;
› You will pay us all other applicable service charges, including the Overdraft Protection Fee; and
› You will pay us the overdraft interest charge. Interest is accrued and calculated daily to each statement date on each debit from the date on which the debit is charged to the account. Overdraft interest charges are treated as overdraft amounts.

The interest rates and charges, referred to above, that are applicable to you are those set out in the Overdraft Protection section of the Day-to-Day Banking Companion Booklet or as otherwise disclosed to you in writing.

You agree that all payments that you make to us or that we ask you to make will be made in full without any set off, abatement, counterclaim, deductions or withholdings whatsoever.

You agree that you do not have a right to cancel, offset, or reduce any payment or debt by an amount we owe you.

Default
Default occurs when you fail to comply with any of the terms, including the promise to pay, outlined in any agreement you have with us and/or when you fail to operate your account in a satisfactory manner; for example, if you have multiple NSF cheques or if you become subject to or file for bankruptcy or a similar proceeding.

If your overdraft balance goes into default, the overdraft balance in your account(s) may become immediately due and payable and/or we may close your account and convert your overdraft balance to delinquent demand loan status. Interest payable will be calculated daily and applied to the demand loan at a rate of 21% per annum.

Please note that default is reported to credit bureaus, which can adversely affect your credit rating and negatively impact your future borrowing capability.

Amending the agreement
We may from time to time make changes to the terms set out in this Overdraft Protection Agreement, including changes to the following sections:
› Overdraft limit
› Effective Date
› Payment
› Default
› Amending the agreement
› Terminating the agreement

We’ll provide you with a written notice at least sixty (60) days in advance of the change (or such other notice period as required by law) setting out the change, the effective date the change comes into force and your right to refuse the change and to cancel this Overdraft Protection Agreement without cost or penalty, other than any change where your consent is not required by law.

You must notify us within thirty (30) days of the effective date of our change if you don’t agree with that change. If you notify us within that thirty (30) day period that you don’t agree with the change, we will cancel the Overdraft Protection Agreement and any outstanding amount you owe will immediately become due.

Subject to applicable law, we’ll consider you to have accepted any change if you don’t notify us within thirty (30) days of the effective date of such change that you don’t agree with the change, or if you keep any of the applicable account(s) open, if you use any of the applicable account(s), or if there are any outstanding debts associated with any of your applicable account(s) after the effective date of the change.

A notice of the electronic delivery will be delivered in Scotiabank’s Digital Banking Service.

It may take up to 10 business days for your consent to receive documents electronically to take effect. If a document is issued by us before your consent takes effect, you may still receive paper delivery.

3. **Verbal Consent:** If you verbally consent to the electronic delivery of documents, we will confirm your consent by sending you these Terms through electronic delivery to the Designated Information System or through paper delivery. If you do not agree to these Terms, you must immediately revoke your consent as provided under “Revoking Consent” (see section 7 below).

Part 19  Bank The Rest® Savings Program Agreement

1. In order to participate in the Bank The Rest savings program, you must maintain a Money Master® Savings Account (the "Destination Account"), a personal deposit account designated as “chequing” or “savings” and a personal ScotiaCard banking card.

2. You authorize Scotiabank to automatically round up the amount of every purchase you make through a Card Payment (as defined in the Digital Access Agreement) on your personal deposit account using your personal ScotiaCard banking card to the next multiple of the round-up amount you have indicated in the ScotiaCard Banking Access Enrollment/Maintenance form and allocate the difference between this multiple and the actual purchase amount as “Bank The Rest savings” within your personal deposit account.

3. We aggregate all Bank The Rest savings each business day and transfer that amount from your personal deposit account to your Destination Account at the end of that business day.

4. Even if you subsequently cancel or reverse any purchase you had made using your ScotiaCard banking card, the corresponding Bank The Rest savings will remain in the Destination Account or will be transferred to the Destination Account if it hasn’t been transferred already.

5. If at the end of a business day the balance in your personal deposit account is less than the aggregate Bank The Rest savings for that day, we will cancel the transfer of the Bank The Rest savings to your Destination Account for that day even if there is overdraft protection on the account.

6. You acknowledge that the limitations of liability set out in the Digital Access Agreement and any other applicable agreement you have entered into also apply to the Bank The Rest savings program.

7. You may modify or cancel your enrollment in the Bank The Rest savings program by contacting Scotiabank through its Contact Centre at 1-800-472-6842 or ScotiaOnline or by visiting a Scotiabank branch.

8. We may from time to time make changes to this agreement, including changes to Sections 1 to 8.
Ownership, Survivorship Rights and Signing Arrangements

Sole Account Holders

If an account is in your name only, you alone own the funds in the account, and we will only take instructions from you. On death, the proceeds in your account will form part of your estate or as otherwise required by law.

Note to Parents and Legal Guardians Regarding Minor Sole Account Holders:

If you open an account in the sole name of a minor under 16 years of age, funds in the account belong to the minor account holder. However, you will have sole signing authority until you (at any time) or the minor (after the minor’s 16th birthday) make arrangements in writing to cancel your signing authority, at which time the minor will acquire sole signing authority.

Multiple Account Holders (Joint Accounts)

If an account has multiple account holders, the account signing arrangement that you selected during the account opening process will determine from whom we will accept instructions to operate the account, and you will be bound by any instructions given to us by the designated signing authority(ies).

Any designated signing authority will remain in force and can be relied upon by us until we receive written notice of change from the designated signing authority(ies).

Another account holder cannot be added to an existing account unless all existing account holders have authorized it. To remove an account holder, all account holders must first authorize the closing of the existing account and the remaining account holders must authorize the opening of a new account with a new account number.

Because legal responsibilities and tax consequences vary depending on the ownership, survivorship rights and signing arrangements, you may wish to discuss these matters with your legal and/or tax advisor when establishing an account with multiple account holders.
We assume no responsibility for any claim or loss whatsoever arising from or relating to the signing arrangement selected or the ownership or survivorship rights associated with that signing arrangement.

We share personal information with joint account holders or representatives (such as a legal guardian, power of attorney or lawyer). Joint account holders will each have access to all of the account history and transaction details for the account. We may also share personal information with your (or your joint account holder’s) estate representatives or beneficiaries where reasonably necessary to administer the estate.

More information regarding joint accounts and the associated risks is available on the Government of Canada’s website: http://www.seniors.gc.ca/eng/working/fptf/attorney.shtml

‘What every older Canadian should know about Powers of Attorney (for financial matters and property) and Joint Bank Accounts’.

† Not applicable to “In Trust For (ITF) Accounts”, described later in this agreement.

a) “Any to Sign”
   › Joint Tenants with Right of Survivorship (JTWROS) (accounts outside Quebec)
   › Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is “any to sign”, we will accept instructions from any one or more of you, without the signature or consent of the others. For example:

› We can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you.

› We can pay and deduct from your account the amount of any cheque, bill of exchange, promissory note, pre-authorized payment or order for payment that is drawn, accepted or made by any one or more of you, even if doing this may cause your account to become overdrawn or increases an existing overdraft;

› We can take instructions from any one or more of you for stopping any payment order (cheque) drawn on your account;

› Except for a lawful claim made against your account, the whole or any part of the credit balance in your account may be withdrawn by any one or more of you.

In addition,

i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.

ii) if your account is held at a branch outside Quebec, the ownership arrangement is joint tenants with right of survivorship (JTWROS). This means that we treat the funds in your account as joint property.

If one account holder dies, the account funds are deemed to be owned solely by the surviving account holder or, if there is more than one surviving account holder, owned as JTWROS by the surviving account holders. We can pay the account funds to the surviving account holder or, if there is more than one surviving account holder, to any one or more of the surviving account holders. In addition, you authorize us to release to the estate representative, any information about the joint account up to the date of death of the account holder.

iii) if your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). This means that if one account holder dies, the deceased’s share of the account funds will be disbursed to the deceased’s estate in accordance with the deceased’s will or as otherwise required by law and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law.

Unless we are otherwise informed, we will assume that each joint account holder owns an equal share of the account funds. In addition, the liquidator of the estate is entitled to all account information up to or after the date of death of the account holder.

b) “All to Sign” or “Multiple Signatures”
   › Tenants in Common (TIC) (accounts outside Quebec)
   › Joint Holders (JH) (accounts in Quebec)

If the signing arrangement you selected is “all to sign”, we will only accept instructions agreed upon by all of you. If the signing arrangement is “multiple signatures”, we will only accept instructions from the designated signatories in the combination(s) you specified. Under either type of signing arrangement, we can deposit in your account all payments received by us from, and payable to, any one or more of you, or collected by us on behalf of any one or more of you.

In addition,

i) the obligations set out in this agreement are joint and several (solidarily for accounts in Quebec) and each joint account holder is fully responsible for those obligations.

ii) if your account is held at a branch outside Quebec, the ownership arrangement is tenants in common (TIC). In addition, you authorize us to release to the estate representative, any information about the joint account up to the date of death of the account holder.

iii) If your account is held at a branch in Quebec, the ownership arrangement is joint holders (JH). In both cases, this means that if one account holder dies, the deceased’s share of the account funds will be disbursed to the deceased’s estate in accordance with the deceased’s will or as otherwise required by law, and the remaining share will be disbursed to the surviving account holder(s) or as otherwise required by law. Unless we are otherwise informed, we will assume
that each joint account holder owns an equal share of the account funds. In addition, the liquidator of the estate is entitled to all account information up to or after the date of death of the account holder.

“In Trust For (ITF)” Accounts
If an account has been opened as “In Trust For”, we will only take instructions from the named trustee account holder(s) in accordance with the signing arrangement for the account. For tax reporting purposes, we will require the social insurance number (SIN) of the primary trustee account holder. We will issue tax slips in the name(s) of all trustee account holder(s).

For ITF accounts with multiple beneficiaries, it is the trustee account holders’ responsibility to provide us with the beneficiary information as at April 30th each year to meet CDIC Disclosure By-Law requirements. Because there may be legal responsibilities and tax consequences associated with opening an ‘ITF’ account, you may wish to discuss these matters with your legal and/or tax advisor. We assume no responsibility for any claim or loss whatsoever arising from or relating to the election to open an ‘ITF’ account, nor to have knowledge of or to observe the terms of any trust, whether written, verbal, implied or constructive.
