Contact your service provider/merchant to find out if you can set up a recurring payment with that service provider/merchant.

The Scotiabank Mastercard Cash Back Program is provided by The Bank of Nova Scotia (“Scotiabank”). Scotiabank and its Affiliates is not responsible for the products or services of any third party including purchases you make through merchants.

Scotia Momentum® Mastercard Cash Back Program Terms and Conditions

1. How to earn 1% and 0.5% cash back:

HOW TO EARN A 1% CASH BACK RATE –

You will earn 1% cash back on net purchases made with your eligible *Scotia Momentum* Mastercard Card at gas stations, grocery stores and drug stores as classified by Mastercard (Merchant Codes: 5411, 5541, 5542 & 5912). Some merchants may sell these products/services or are separate merchants who are located on the premises of these merchants, but are classified by Mastercard in another manner, in which case this added benefit would not apply. Recurring payments are defined as payments made on a monthly or regular basis automatically billed by the merchant to your Card. Recurring payments are typically telecommunication, insurance, membership, subscriptions, etc. Not all merchants offer recurring payments. (Please check with your merchant to see if they offer recurring payments on Mastercard cards.)

HOW TO EARN A 0.5% CASH BACK RATE –

You will earn 0.5% cash back on all other eligible purchases made with your *Scotia Momentum* Mastercard Card.

2. Eligibility:

All *Scotia Momentum* Mastercard cardholders are eligible and those *Scotia Momentum* Mastercard cardholders who have received a notification from Scotiabank advising them that they are eligible (“**Cardholders**”), except persons who hold the Card as a corporate card, and cardholders which are businesses, corporations, partnerships or other legal entities.

3. How to qualify for the cash back program:

Your annual cash back reward will be credited to your credit card statement.

- The *Scotia Momentum* Mastercard cash back program is an annual program.
- Your reward accumulates each month, and is awarded at the end of each 12 month period and applied as a credit on your November account statement.

- Eligible spending by Cardholders of the same Mastercard account qualifies for the cash back program.
- The cash back payout is calculated on eligible Card purchases, less returns, for the 12 month period referred to above (“**Net Purchases**”). Cash advances, including Scotia® Credit Card Cheques, balance transfers from other cards or loans, quasi-cash transactions (which are purchases that can be converted to cash, such as wire transfers, travelers cheques, foreign currency, money orders, betting, casino chips and lottery tickets), interest, account payments, fees, service charges and purchase returns do not qualify for *Scotia Momentum* cash back.
- After your cash back is posted as a credit to your November account statement, the program will begin again with your December billing cycle (which starts immediately after your November statement is issued).

4. Additional details on cash back calculation:

Scotia Momentum cash back will not be earned on accounts that are not in good standing when Card purchases are made or when a monthly statement is issued. Cash back will not be awarded for an account that is not in good standing, or is not open, when the November statement is issued. If an account is closed at any time prior to issuance of the November account statement, for any reason, all cash back earned prior to that date will be forfeited. Each year on the billing period closing date that occurs in November, we will review the status of your account. Your account will not be considered to be in good standing to qualify for cash back if (i) you have a minimum payment that remains unpaid for two (2) or more billing periods or (ii) your account is suspended, cancelled or closed. *Scotia Momentum* cash back is based on the Canadian dollar amount of Net Purchases and will be calculated and credited in Canadian dollars. A fraction of a cent will be rounded up to the nearest cent. Credits for refunds, returned items, rebates and other similar credits will reduce or cancel the cash back earned at the same rate as were originally earned.

5. Discrepancies:

Cardholders must advise Scotiabank of any discrepancies in Net Purchases no later than three months after the date of the purchase for which an adjustment is requested. Otherwise, the Net Purchases amount (except for erroneous adjustments) will be deemed to be correct.

6. Miscellaneous:

From time to time, Scotiabank may restrict, cancel, suspend or otherwise alter aspects of this program, with or without notice to Cardholders. Requests for early payment of cash back will not be considered. Net Purchases cannot be transferred between credit card accounts. Accumulated cash back does not constitute property of the Cardholder and cannot be transferred or encumbered in any circumstances and, without limiting the generality of the foregoing, cannot be negotiated, attached, pledged, mortgaged or hypothecated and may not be divided or transferred as a part of a domestic agreement, through legal proceedings, or upon death. Any abuse of the program's privileges, failure to follow its terms, or misrepresentation may result in Scotiabank terminating a Cardholder's participation in the program. Scotiabank may end the program at any time, in whole or in part, with or without notice. Cardholders are solely responsible for any tax liability and tax reporting obligations arising from any cash back.
