What happens if a CDIC member fails?

Your money belongs in your hands. CDIC works hard to protect your savings and your access to financial services.

If your institution closes, we will provide access to your insured funds (including interest) within days.

It's automatic – we will contact you.

What you can do

- Know what is covered and what is not
- Keep your contact information up-to-date at your financial institution
- Make sure your broker or financial advisor knows about CDIC's rules for deposit protection
