Forward-looking Statements

The Bank's public communications often include oral or written forward-looking statements. Statements of this type are included in this document, and may be included in other filings with Canadian securities regulators or the U.S. Securities and Exchange Commission, or in other communications. All such statements are made pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995 and any applicable Canadian securities legislation. Forward-looking statements may include, but are not limited to, statements made in the Management's Discussion and Analysis in the Bank's 2015 Annual Report (as defined below), as updated by quarterly reports, under the headings "Overview – Outlook," for Group Financial Performance "Outlook," for each business segment "Outlook" and in other statements regarding the Bank's objectives, strategies to achieve those objectives, the regulatory environment in which the Bank operates, anticipated financial results (including those in the area of risk management), and the outlook for the Bank's businesses and for the Canadian, U.S. and global economies. Such statements are typically identified by words or phrases such as "believe," "expect," "anticipate," "intent," "estimate," "plan," "may increase," "may fluctuate," and similar expressions of future or conditional verbs, such as "will," "may," "should," "would" and "could."

By their very nature, forward-looking statements involve numerous assumptions, inherent risks and uncertainties, both general and specific, and the risk that predictions and other forward-looking statements will not prove to be accurate. Do not unduly rely on forward-looking statements, as a number of important factors, many of which are beyond the Bank's control and the effects of which can be difficult to predict, could cause actual results to differ materially from the estimates and intentions expressed in such forward-looking statements. These factors include, but are not limited to: the economic and financial conditions in Canada and globally; fluctuations in interest rates and currency values; liquidity and funding; significant market volatility and interruptions; the failure of third parties to comply with their obligations to the Bank and its affiliates; changes in monetary policy; legislative and regulatory developments in Canada and elsewhere, including changes to, and interpretations of tax laws and risk-based capital guidelines and reporting instructions and liquidity regulatory guidance; changes to the Bank's credit ratings; operational (including technology) and infrastructure risks; reputational risks; the risk that the Bank's risk management models may not take into account all relevant factors; the accuracy and completeness of information the Bank receives on customers and counterparties; the timely development and introduction of new products and services in receptive markets; the Bank's ability to expand existing distribution channels and to develop and realize revenues from new distribution channels; the Bank's ability to complete and integrate acquisitions and its other growth strategies; critical accounting estimates and the effects of changes in accounting policies and methods used by the Bank (see "Controls and Accounting Policies – Critical accounting estimates" in the Bank's 2015 Annual

Report, as updated by quarterly reports); global capital markets activity; the Bank's ability to attract and retain key executives; reliance on third parties to provide components of the Bank's business infrastructure; unexpected changes in consumer spending and saving habits; technological developments; fraud by internal or external parties, including the use of new technologies in unprecedented ways to defraud the Bank or its customers; increasing cyber security risks which may include theft of assets, unauthorized access to sensitive information or operational disruption; consolidation in the Canadian financial services sector; competition, both from new entrants and established competitors; judicial and regulatory proceedings; natural disasters, including, but not limited to, earthquakes and hurricanes, and disruptions to public infrastructure, such as transportation, communication, power or water supply; the possible impact of international conflicts and other developments, including terrorist activities and war; the effects of disease or illness on local, national or international economies; and the Bank's anticipation of and success in managing the risks implied by the foregoing. A substantial amount of the Bank's business involves making loans or otherwise committing resources to specific companies, industries or countries. Unforeseen events affecting such borrowers, industries or countries could have a material adverse effect on the Bank's financial results, businesses, financial condition or liquidity. These and other factors may cause the Bank's actual performance to differ materially from that contemplated by forward-looking statements. For more information, see the "Risk Management" section starting on page 66 of the Bank's 2015 Annual MD&A (as defined below), which is incorporated by reference herein and which outlines in detail certain key factors that may affect the Bank's future results.

Material economic assumptions underlying the forward-looking statements are set out in the 2015 Annual Report under the heading "Overview – Outlook," as updated by quarterly reports; and for each business segment "Outlook". These "Outlook" sections are based on the Bank's views and the actual outcome is uncertain. Readers should consider the above-noted factors when reviewing these sections.

The preceding list of factors is not exhaustive of all possible risk factors and other factors could also adversely affect the Bank's results. When relying on forward-looking statements to make decisions with respect to the Bank and its securities, investors and others should carefully consider the preceding factors, other uncertainties and potential events. The Bank does not undertake to update any forward-looking statements, whether written or oral, that may be made from time to time by or on its behalf.

Business of the Bank

The Bank is a Canadian chartered bank under the Bank Act. The Bank is a Schedule I Bank under the Bank Act and is regulated by OSFI.

The Bank is an international bank and a leading financial services provider in North America, Latin America, the Caribbean and Central America, and Asia-Pacific. The Bank is dedicated to helping its 23 million customers through a broad range of advice, products and services, including personal and commercial banking, wealth management and private banking, corporate and investment banking, and capital markets with a team of more than 89,000 employees and assets of approximately \$895 billion (as at April 30, 2016).

A list of the principal subsidiaries directly or indirectly owned or controlled by the Bank as at October 31, 2015 is incorporated by reference from the Bank's Annual Information Form.

Description of Debt Securities

The following is a general description of the Debt Securities. The Debt Securities may be issued under one or more indentures (each, an "Indenture"), in each case between the Bank and a trustee (a "Trustee") determined by the Bank in accordance with applicable laws or pursuant to a fiscal agency or paying agency agreement, in each case between the Bank and an agent, which agent may be an affiliate of or otherwise non-arm's length to the Bank. Any series of Debt Securities may also be created and issued without an Indenture or a fiscal agency or paying agency agreement. The Bank may also appoint a calculation agent in connection with any Debt Securities issued under this Prospectus, which agent may be an affiliate or otherwise non-arm's length to the Bank. The statements made below relating to any Indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions

thereof, are not complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable Indenture and the applicable Prospectus Supplement to this Prospectus.

Senior Debt Securities will be direct unsubordinated obligations of the Bank that rank equally and rateably with other unsecured and unsubordinated debt of the Bank from time to time issued and outstanding, including deposit liabilities, other than certain governmental claims in accordance with applicable law.

Subordinated Debt Securities will be direct unsecured obligations of the Bank, constituting subordinated indebtedness for the purposes of the Bank Act, ranking at least equally with other subordinated indebtedness of the Bank from time to time issued and outstanding (other than subordinated indebtedness which has been further subordinated in accordance with its terms). In the event of the insolvency or winding-up of the Bank, the subordinated indebtedness evidenced by debentures issued by the Bank (including any Subordinated Debt Securities issued hereunder if a trigger event has not occurred as contemplated under the specific Non-Viability Contingent Capital Provisions as may be applicable to such Subordinated Debt Securities) will be subordinate in right of payment to the prior payment in full of the deposit liabilities of the Bank and other liabilities of the Bank, including Senior Debt Securities, except those liabilities which by their terms rank in right of payment equally with or subordinate to indebtedness evidenced by such debentures.

Subject to regulatory capital requirements applicable to the Bank, there is no limit on the amount of Senior Debt Securities or Subordinated Debt Securities that the Bank may issue.

If the Bank becomes insolvent, the Bank Act provides that priorities among payments of the Bank's deposit liabilities and payments of all of the Bank's other liabilities (including payments in respect of Senior Debt Securities and Subordinated Debt Securities) are to be determined in accordance with the laws governing priorities and, where applicable, by the terms of the indebtedness and liabilities. Because the Bank has subsidiaries, the Bank's right to participate in any distribution of the assets of such banking or non-banking subsidiaries, upon a subsidiary's dissolution, winding-up liquidation or reorganization or otherwise, and thus a purchaser's ability to benefit indirectly from such distribution, is subject to the prior claims of creditors of that subsidiary, except to the extent that the Bank may be a creditor of that subsidiary and the Bank's claims are recognized. There are legal limitations on the extent to which some of the Bank's subsidiaries may extend credit, pay dividends or otherwise supply funds to, or engage in transactions with, the Bank or some of the Bank's other subsidiaries.

Neither the Senior Debt Securities nor the Subordinated Debt Securities will constitute deposits that are insured under the *Canada Deposit Insurance Corporation Act* or any other deposit insurance regime.

Each Indenture may provide that Debt Securities may be issued thereunder up to the aggregate principal amount which may be authorized from time to time by the Bank. Reference is made to any Prospectus Supplement which accompanies this Prospectus for the terms and other information with respect to the Debt Securities being offered thereby, including: (i) the designation, aggregate principal amount and authorized denominations of the Debt Securities; (ii) the currency for which the Debt Securities may be purchased and the currency in which the principal and any interest is payable (in either case, if other than Canadian dollars); (iii) the percentage of the principal amount at which the Debt Securities will be issued; (iv) the date or dates on which the Debt Securities will mature; (v) the rate or rates (if any); (vi) the dates on which such interest will be payable and the record dates for such payments; (vii) the Trustee under the Indenture pursuant to which the Debt Securities are to be issued; (viii) any redemption term or terms under which such Debt Securities may be defeased; (ix) whether the Debt Securities are to be issued in registered form, "book-entry only" form, bearer form or in the form of temporary or permanent global securities and the basis of exchange, transfer and ownership thereof; (x) any exchange or conversion terms (including terms relating to any conversion of Subordinated Debt Securities into Common Shares); (xi) the ratings, if any, issued by rating agencies in respect of the Debt Securities; and (xii) any other specific terms.

In addition, this Prospectus qualifies the issuance of Senior Debt Securities in respect of which the payment of principal and/or interest may be determined or linked, in whole or in part, by reference to one or more underlying interests including, for example, an equity or debt security, a statistical measure of economic or financial performance including, but not limited to, a currency, consumer price or mortgage index, or the price or value of one or more commodities, indices, securities, financial ratios or other items, or other model or formula, or any combination or basket of the foregoing items. The specifics of any such provisions will be described in applicable Prospectus Supplement to this Prospectus. In compliance with applicable Canadian securities laws, the Bank has

filed an undertaking with the applicable securities regulatory authorities that we will not distribute, among other things, any Debt Securities that are considered novel specified derivatives or asset-backed securities (as such terms are defined under applicable Canadian securities laws) at the time of distribution without preclearing with the applicable securities regulatory authorities the disclosure contained in the prospectus supplements pertaining to such Debt Securities in accordance with applicable Canadian securities laws.

Debt Securities may, at the option of the Bank, be issued in fully registered form, in bearer form or in “book-entry only” form. See “Book-Entry Only Securities” below. Debt Securities in registered form will be exchangeable for other Debt Securities of the same series and tenor, registered in the same name, for the same aggregate principal amount in authorized denominations and will be transferable at any time or from time to time at the corporate trust office of the Trustee for the Debt Securities. No charge will be made to the holder for any such exchange or transfer except for any tax or government charge incidental thereto.

Unless otherwise specified in the Prospectus Supplement which accompanies this Prospectus, principal, premium (if any) and interest payable on Debt Securities are to be payable at any branch in Canada of the Bank provided that such payments may also be made at the option of the Bank by electronic or wire transfer or, by cheque mailed, delivered or otherwise transferred to the persons in whose names the Debt Securities are registered.

Description of Preferred Shares

The following describes certain general terms and provisions of the Preferred Shares. The particular terms and provisions of a series of Preferred Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

The following is a summary of the rights, privileges, restrictions and conditions of or attaching to the Preferred Shares of the Bank as a class.

Issuable in Series

The authorized preferred share capital of the Bank consists of an unlimited number of Preferred Shares without nominal or par value. The directors of the Bank may divide any unissued Preferred Shares into series and fix the number of shares in each series and the rights, privileges, restrictions and conditions thereof.

Priority

The Preferred Shares of each series will rank on a parity with Preferred Shares of every other series (including any Preferred Shares issued hereunder if a trigger event has not occurred as contemplated under the specific Non-Viability Contingent Capital Provisions applicable to such Preferred Shares) and are entitled to preference over Common Shares and over any other shares of the Bank ranking junior to the Preferred Shares with respect to the payment of dividends and upon any distribution of assets in the event of liquidation, dissolution or winding-up of the Bank.

Restrictions

The Bank may not, without the approval of the holders of Preferred Shares, create any other class of shares ranking prior to or on a parity with the Preferred Shares, increase the authorized number of Preferred Shares or amend the provisions attaching to the Preferred Shares.

Shareholder Approval

Any approval to be given by the holders of the Preferred Shares may be given by a resolution carried by the affirmative vote of not less than 66 2/3% of the votes cast at a meeting of holders of Preferred Shares at which a majority of the outstanding Preferred Shares is represented or, if no quorum is present at such meeting, at any adjourned meeting at which no quorum requirements would apply.

Description of Common Shares

The authorized common share capital of the Bank consists of an unlimited number of Common Shares, without nominal or par value. Holders of Common Shares are entitled to vote at all meetings of the shareholders of the Bank except meetings at which only the holders of Preferred Shares are entitled to vote. Holders of Common Shares are entitled to receive dividends, as and when declared on Common Shares. After the payment to the holders of the Preferred Shares of the amount or amounts to which they may be entitled, the holders of Common Shares shall be entitled to receive the remaining property of the Bank upon liquidation, dissolution or winding-up thereof.

Book-Entry Only Securities

CDS Clearing

Securities issued in “book-entry only” form must be purchased, transferred or redeemed through participants (“CDS Participants”) in the depository service of CDS Clearing and Depository Services Inc. or a successor or its nominee (collectively, “CDS”), as described below. Each of the Investment Dealers named in an accompanying Prospectus Supplement offering securities in “book-entry only” form will be a CDS Participant. On the closing of a book-entry only offering, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the Investment Dealer from which the Securities are purchased in accordance with the practices and procedures of that Investment Dealer. The practices of Investment Dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

CDS will be responsible for establishing and maintaining book-entry accounts for CDS Participants having interests in the Securities. If (i) the book-entry only system ceases to exist, (ii) the Bank determines that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor, or (iii) the Bank at its option elects, or is required by applicable law or the rules of any securities exchange, to withdraw the Securities from the book-entry only system, then physical certificates representing the Securities will be issued to holders thereof or their nominees.

Transfer, Conversion and Redemption of Securities

Transfers of ownership, conversions or redemptions of Securities will be effected only through records maintained by CDS for such Securities with respect to interests of CDS Participants and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders of Securities who are not CDS Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities, may do so only through CDS Participants. The ability of a holder to pledge Securities or otherwise take action with respect to such holder’s interest in Securities (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

The Bank will make, or cause to be made, payments of principal, redemption price, if any, dividends and interest, as applicable, on Securities to CDS as the registered holder of the Securities and the Bank understands that the payment will be forwarded by CDS to CDS Participants in accordance with the customary practices and procedures of CDS. As long as CDS is the registered owner of the Securities, CDS will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. As long as the Securities are held in the CDS book-entry only system, the responsibility and liability of the Bank in respect of the Securities is limited to making payments of principal, redemption price, if any, dividends and interest, as applicable, on the Securities to CDS, as registered holder of the Securities. The Bank expects that CDS, upon receipt of any payment in respect of Securities, will credit CDS Participants’ accounts in amounts proportionate to their respective interests in the principal amount

of such Securities as shown on the records of CDS in accordance with the customary practices and procedures of CDS. The Bank also expects that payments by CDS Participants to the owners of beneficial interests in Securities held through such CDS Participants will be governed by standing instructions and customary practices, and will be the responsibility of such CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS, and persons other than CDS Participants having an interest in Securities must look solely to CDS Participants, for payments or deliveries made by or on behalf of the Bank to CDS in respect of such Securities.

Each beneficial owner must rely on the procedures of CDS and, if such beneficial owner is not a CDS Participant, on the procedures of the CDS Participant through which such beneficial owner owns its interest, to exercise any rights with respect to the Securities. The Bank understands that under existing policies of CDS and industry practices, if the Bank requests any action of a beneficial owner or if a beneficial owner desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the beneficial owner to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by the Bank, any Trustee and CDS. Any beneficial owner that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

None of the Bank, the Investment Dealers, the Trustee or any other trustee (in the case of Debt Securities) will assume liability or responsibility for (i) any aspect of the records relating to the beneficial ownership of the Securities held by CDS or the payments or deliveries relating thereto, (ii) maintaining, supervising or reviewing any records relating to the Securities, or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of CDS Participants.

Bank Act Restrictions and Restrictions on Payment of Dividends

The Bank Act restricts the beneficial ownership of shares of a bank. The following is a summary of such restrictions. No person may be a major shareholder of a bank if such bank has equity of \$12 billion or more, which applies to the Bank. A major shareholder is defined as a person, or group of persons under common control or acting jointly or in concert, that beneficially owns more than 20% of any class of voting shares or more than 30% of any class of non-voting shares of a bank.

In addition, no person may have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). A person has a significant interest in a class of shares of a bank when the person, or group of persons under common control or acting jointly or in concert, beneficially owns more than 10% of any class of shares of a bank.

Governments and their agents are also restricted from acquiring shares of a bank, except for certain cases that require the Minister of Finance's consent.

Under the Bank Act, the Bank cannot redeem or purchase any of its shares, including the Preferred Shares and Common Shares, unless the consent of OSFI has been obtained. In addition, the Bank Act prohibits the Bank from purchasing or redeeming any shares or paying any dividends if there are reasonable grounds for believing that the Bank is, or the payment would cause the Bank to be, in contravention of the Bank Act requirement to maintain, in relation to the Bank's operations, adequate capital and appropriate forms of liquidity and to comply with any regulations or directions of OSFI in relation thereto.

The Bank has covenanted that, if a distribution is not paid when due on any outstanding Scotiabank Trust Securities (also known as "Scotia BaTS") issued by Scotiabank Capital Trust, the Bank will not pay dividends on its Common Shares and Preferred Shares, until the twelfth month following the failure to pay the required distribution in full, unless the required distribution is paid to the holders of Scotia BaTS. In addition, the Bank has also covenanted that if the interest is not paid in cash on any outstanding 7.802% Scotiabank Tier 1 Securities Series 2009-1 issued by Scotiabank Tier 1 Trust, the Bank will not pay dividends on its Common Shares and Preferred Shares for a specified period of time.

Recent Events

On April 20, 2016, the Government of Canada ("GoC") introduced legislation to implement a "bail-in" regime, in accordance with regulations to the Canada Deposit Insurance Corporation Act that have not yet been prescribed (the "CDIC Act Regulations"). The proposed regime will only apply to domestic systemically important banks ("D-SIBs") and is aimed at ensuring that in the unlikely event of a failure of a D-SIB, it is the D-SIB's shareholders and creditors that are responsible for the institution's risks and not the tax payers. The GoC is proposing a statutory power allowing for the permanent conversion, in whole or in part, of certain shares and liabilities of a D-SIB into common shares of such institution. The types of shares and liabilities subject to the conversion will be set out in the CDIC Act Regulations, and while these regulations have not yet been prescribed, the GoC, in its previous consultation paper, had proposed that 'long term senior debt', which is senior unsecured debt that is tradable and transferable with an original term to maturity of over 400 days, would be subject to the conversion and deposits would not be subject to the conversion. The proposed "bail-in" regime has not yet been finalized, much of the detail will be set out in the CDIC Act Regulations, and timing for implementation has not yet been determined.

Purchasers' Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces and territories, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal adviser.

Original Canadian purchasers of Debt Securities or Preferred Shares that are convertible or exchangeable into other securities of the Bank will have a contractual right of rescission against the Bank in respect of the conversion, exchange or exercise of such convertible, exchangeable or exercisable securities. The contractual right of rescission will entitle such original purchasers to receive from the Bank, upon surrender of the underlying securities acquired upon the conversion, exchange or exercise of such Debt Securities or Preferred Shares, the amount paid for the Debt Securities or Preferred Shares (and any additional amount paid upon conversion, exchange or exercise), in the event that this Prospectus, the applicable Prospectus Supplement or any amendment contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the Debt Securities or Preferred Shares that are convertible, exercisable or exchangeable under this Prospectus and the applicable Prospectus Supplement; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the Debt Securities or Preferred Shares that are convertible, exercisable or exchangeable under this Prospectus and the applicable Prospectus Supplement. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the *Securities Act* (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 of the *Securities Act* (Ontario) or otherwise at law. Original Canadian purchasers are further advised that in certain provinces and territories the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the amount paid for the convertible or exchangeable security that was purchased under a prospectus and, therefore, a further payment at the time of conversion, exchange or exercise may not be recoverable in a statutory action for damages. The purchaser should refer to any applicable provisions of the securities legislation of the province or territory in which the purchaser resides for the particulars of these rights, or consult with a legal adviser.
