Financial institution (FI) means any depository institution, custodial institution, investment entity, or specified insurance company. A **Foreign Financial Institution (FFI)** is a Financial Institution that is not a tax resident in the United States.

Governmental entity means the government of a jurisdiction, any political subdivision of a jurisdiction (which, for the avoidance of doubt, includes a state, province, county, or municipality), or any wholly owned agency or instrumentality of a jurisdiction or of any one or more of the foregoing (each, a "governmental entity"). This category is comprised of the integral parts, controlled entities, and political subdivisions of a jurisdiction.

International organization means any international organization or wholly owned agency or instrumentality thereof. This category includes any intergovernmental organization

- that is comprised primarily of governments;
- that has in effect a headquarters or substantially similar agreement with the jurisdiction; and
- the income of which does not inure to the benefit of private persons.

Passive NFE (non-financial entity) :

- An entity is a **passive NFE** if it is not a financial institution or an Active NFE;
- 50% or more of the entity's gross income for the preceding calendar year was passive income; and/or
- 50% or more of the assets held by the entity produce or are held for the production of passive income.

Passive income is broadly defined as income that is created with very little work or active participation by the recipient of the income. Common types of passive income include, but are not limited to, income derived from securities such as dividends and coupons; interest; income equivalent to interest; and amounts received under cash value insurance contracts; rents and royalties (these do not include rents and royalties derived in the conduct of a business done, at least in part, by employees of a non-financial enterprise).

Related entity includes any corporation that is a related entity of a corporation the stock of which is regularly traded on an established securities market. An entity is a related entity of another entity if either entity controls the other entity, or the two entities are under common control. For this purpose, control includes direct or indirect ownership of more than 50% of the vote and value in an entity.

Established securities market means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange.

Active NFE (non-financial entity). In general terms, Active NFEs are entities that are not financial institutions, and meet any of following criteria:

- a) Less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- b) The stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) The NFE is a Governmental Entity, an International Organization, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) Substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) The NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFE;
- f) The NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is operations in a business other than that of a Financial Institution;
- g) The NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution;
- h) The NFE is a non-profit/charity entity that meets all of the following requirements:
 - i. It is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;
 - ii. It is exempt from income tax in its jurisdiction of residence;
 - iii. It has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - iv. The applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or noncharitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and,
 - v. The applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organization, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision thereof.
- i) The entity is organized in a United States territory and all of the owners of the payee are tax residents of that United States territory.
- j) The entity is an Estate account whose purpose is to consolidate the deceased's monies from which the estate debts can be paid and then final distribution can be made of any remaining monies to the estate's beneficiaries. This excludes if assets are being held in-trust beyond the above purpose.

Strata/Condominium Corporations

Financial accounts held by a strata/condominium corporation do not have to be reported under Part XIX, as long as:

- a) the entity is exempt from tax under section 149 of the Income Tax Act
- b) the account is only to cover the costs of a condominium or housing co-operative
- c) the amounts in the account may only be used to pay for the expenses of the condominium or housing co-operative
- d) each year, one owner cannot contribute more than US\$50,000 or no more than 20% of the annual contributions due in the year is attributable to one person
