3. AMENDMENTS

Subject to Section 20.6 of the Security Agreement (Modification, Waiver or Authorisation to Transaction Documents), any amendments or waivers of the provisions of this Master Definitions and Construction Agreement will be made only with the prior written consent of each party to this Master Definitions and Construction Agreement. Each proposed amendment or waiver of this Agreement that is considered by the Guarantor to be a material amendment or waiver shall be subject to satisfaction of the Rating Agency Condition. For certainty, any amendment to (a) a Ratings Trigger that (i) lowers the ratings specified therein or (ii) changes the applicable rating type, in each case, provided for in this Agreement, or (b) the consequences of breaching a Ratings Trigger, or changing the applicable rating type, provided for in this Agreement that makes such consequences less onerous, shall, with respect to each affected Rating Agency only, be deemed to be a material amendment and shall be subject to confirmation of the satisfaction of the Rating Agency Condition from each affected Rating Agency. The Guarantor (or the Cash Manager on its behalf) shall deliver notice to the Rating Agencies of any amendment or waiver which does not require satisfaction of the Rating Agency Condition provided that failure to deliver such notice shall not constitute a breach of the obligations of the Guarantor under this Agreement.

4. RATING AGENCY CONDITION

(a) Notwithstanding anything to the contrary in the Trust Deed or any of the other Transaction Documents, if:

- (i) confirmation of the satisfaction of the Rating Agency Condition is a condition to any action or step under any Transaction Document; or
- (ii) a written request for such confirmation is delivered to that Rating Agency by any Requesting Party and either one or more of the Rating Agencies indicates that it does not consider satisfaction of the Rating Agency Condition necessary in the circumstances or no such confirmation or other response is received by one or more of the Rating Agencies within 30 days of the date of receipt of such request by such Rating Agency (each, a Non-Responsive Rating Agency),

the Requesting Party shall be entitled to disregard the requirement for satisfaction of the Rating Agency Condition with respect to each Non-Responsive Rating Agency and proceed on the basis of confirmation of the satisfaction of the Rating Agency Condition by each other Rating Agency on the basis that such confirmation by the Non-Responsive Rating Agency is not required in the particular circumstances of the request.

The failure by a Rating Agency to respond to a written request for a confirmation of satisfaction of the Rating Agency Condition shall not be interpreted to mean that such Rating Agency has given any deemed confirmation of satisfaction thereof or other response in respect of such action or step.

(b) Notwithstanding anything to the contrary in the Trust Deed or any of the other Transaction Documents, if at any time the Issuer determines that any one of DBRS, Moody's or Fitch shall not be a Rating Agency, then, so long as (i) the Program is in compliance with the terms of the CMHC Guide, and (ii) each outstanding series of Covered Bonds is rated by at least two Rating Agencies, the Ratings Triggers for such rating agency will not be applicable to the Program without any action or formality, including for greater certainty satisfaction of the Rating Agency Condition with respect to any Rating Agency or consent or approval of the Bond Trustee or the holders of the Covered Bonds. Any amendments to this Master Definitions and Construction Agreement to reflect the foregoing shall be deemed not to be a material amendment and may be made without the requirement for satisfaction of the Rating Agency Condition with respect to any Rating Agency or consent or approval of the Bond Trustee or the holders of the Covered Bonds.
