

Verification Statement Scotiabank Fiscal 2018 GHG Inventory

Morrison Hershfield Limited was commissioned by The Bank of Nova Scotia (Scotiabank) to provide independent third party verification of the completeness and accuracy of its Scope 1, 2 and 3 greenhouse gas emissions statement for fiscal year November 1, 2017 through October 31, 2018. These emissions figures are intended for use in Scotiabank's response to the Carbon Disclosure Project (CDP) and Dow Jones Sustainability Index (DJSI) 2019 questionnaire as well as for disclosure on their Corporate Social Responsibility report. This Verification Statement was completed on February 11, 2019 in compliance with the terms of reference in our agreement with Scotiabank dated September 12, 2018.

Morrison Hershfield Limited provides limited assurance that Scotiabank's stated international Scope 1 and 2 greenhouse gas emissions are:

1. Verifiable against the principles of the GHG Protocol Corporate Accounting & Reporting Standard and ISO 14064-1.
2. Verified using the principles of ISO 14064-3.
3. Accurate within the established 5% materiality threshold for each scope.
