Forward-looking Statements

From time to time, the Bank’s public communications often include oral or written forward-looking statements. Statements of this type may be included in this Prospectus, in the documents incorporated by reference in this Prospectus and in other filings with Canadian securities regulators or the U.S. Securities and Exchange Commission, or in other communications. In addition, representatives of the Bank may make forward-looking statements orally to analysts, investors, the media and others. All such statements are made pursuant to the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995 and any applicable Canadian securities legislation. Forward-looking statements may include, but are not limited to, statements made in this Prospectus, or incorporated by reference in this Prospectus, statements in the Management’s Discussion and Analysis in the 2021 Annual Report (as defined below), as updated by quarterly reports, under the headings “Outlook” and in other statements regarding the Bank’s objectives, strategies to achieve those objectives, the regulatory environment in which the Bank operates, anticipated financial results, and the outlook for the Bank’s businesses and for the Canadian, U.S. and global economies. Such statements are typically identified by words or phrases such as “believe,” “expect,” “foresee,” “forecast,” “anticipate,” “intend,” “estimate,” “plan,” “goal,” “project,” and similar expressions of future or conditional verbs, such as “will,” “may,” “should,” “would” and “could.”

By their very nature, forward-looking statements require the Bank to make assumptions and are subject to inherent risks and uncertainties, which give rise to the possibility that the Bank’s predictions, forecasts, projections, expectations or conclusions will not prove to be accurate, that the Bank’s assumptions may not be correct and that the Bank’s financial performance objectives, vision and strategic goals will not be achieved.

The Bank cautions prospective investors not to place undue reliance on these statements as a number of risk factors, many of which are beyond the Bank’s control and effects of which can be difficult to predict, could cause the Bank’s actual results to differ materially from the expectations, targets, estimates or intentions expressed in such forward-looking statements.

The future outcomes that relate to forward-looking statements may be influenced by many factors, including but not limited to: general economic and market conditions in the countries in which the Bank operates; changes in currency and interest rates; increased funding costs and market volatility due to market illiquidity and competition for funding; the failure of third parties to comply with their obligations to the Bank and its affiliates; changes in

monetary, fiscal or economic policy and tax legislation and interpretation; changes in laws and regulations or in supervisory expectations or requirements, including capital, interest rate and liquidity requirements and guidance, and the effect of such changes on funding costs; changes to the Bank's credit ratings; operational and infrastructure risks; reputational risks; the accuracy and completeness of information the Bank receives on customers and counterparties; the timely development and introduction of new products and services, and the extent to which products or services previously sold by the Bank require the Bank to incur liabilities or absorb losses not contemplated at their origination; the Bank's ability to execute the Bank's strategic plans, including the successful completion of acquisitions and dispositions, including obtaining regulatory approvals; critical accounting estimates and the effect of changes to accounting standards, rules and interpretations on these estimates; global capital markets activity; the Bank's ability to attract, develop and retain key executives; the evolution of various types of fraud or other criminal behaviour to which the Bank is exposed; disruptions in or attacks (including cyber-attacks) on the Bank's information technology, internet, network access, or other voice or data communications systems or services; increased competition in the geographic and in business areas in which we operate, including through internet and mobile banking and non-traditional competitors; exposure related to significant litigation and regulatory matters; climate change and other environmental and social risks, including sustainability that may arise, including from the Bank's business activities; the occurrence of natural and unnatural catastrophic events and claims resulting from such events; the emergence of widespread health emergencies or pandemics, including the magnitude and duration of the COVID-19 pandemic and its impact on the global economy, financial market conditions and the Bank's business, results of operations, financial condition and prospects; and the Bank's anticipation of and success in managing the risks implied by the foregoing. A substantial amount of the Bank's business involves making loans or otherwise committing resources to specific companies, industries or countries. Unforeseen events affecting such borrowers, industries or countries could have a material adverse effect on the Bank's financial results, businesses, financial condition or liquidity. These and other factors may cause the Bank's actual performance to differ materially from that contemplated by forward-looking statements. The Bank cautions that the preceding list is not exhaustive of all possible risk factors and other factors could also adversely affect the Bank's results. For more information, please see the "Risk Management" section of the 2021 Annual Report, which is incorporated by reference herein, as updated by quarterly reports.

Material economic assumptions underlying the forward-looking statements contained in, or incorporated by reference in, this Prospectus are set out in the 2021 Annual Report under the headings "Outlook", as updated by quarterly reports. The "Outlook" sections are based on the Bank's views and the actual outcome is uncertain. Readers should consider the above-noted factors when reviewing these sections. When relying on forward-looking statements to make decisions with respect to the Bank and its securities, investors and others should carefully consider the preceding factors, other uncertainties and potential events.

Any forward-looking statements contained in, or incorporated by reference in, this Prospectus represent the views of management only as of the date hereof or thereof and are presented for the purpose of assisting the holders or prospective holders of the Bank's securities and analysts in understanding the Bank's financial position, objectives and priorities, and anticipated financial performance as at and for the periods ended on the dates presented, and may not be appropriate for other purposes. Except as required by law, the Bank does not undertake to update any forward-looking statements, whether written or oral, that may be made from time to time by or on its behalf.

Description of Debt Securities

The following is a general description of the Debt Securities. The Debt Securities may be issued under one or more indentures (each, an "Indenture"), in each case between the Bank and a trustee (a "Trustee") determined by the Bank in accordance with applicable laws or pursuant to a fiscal agency or paying agency agreement, in each case between the Bank and an agent, which agent may be an affiliate of or otherwise non-arm's length to the Bank. Any series of Debt Securities may also be created and issued without an Indenture or a fiscal agency or paying agency agreement. The Bank may also appoint a calculation agent in connection with any Debt Securities issued under this Prospectus, which agent may be an affiliate or otherwise non-arm's length to the Bank. The statements made below relating to any Indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable Indenture and the applicable Prospectus Supplement to this Prospectus.

Senior Debt Securities will be direct unsubordinated obligations of the Bank that rank equally and rateably with other unsecured and unsubordinated debt of the Bank from time to time issued and outstanding, including deposit liabilities, other than certain governmental claims in accordance with applicable law. Effective as of September 23, 2018, Senior Debt Securities issued on or after that date may, depending on their terms, be subject to Bail-In Regulations (as defined below) and Bail-In Conversion (as defined below) as described below under "Other Material Facts". In the event any Senior Debt Securities issued under this Prospectus are subject to the Bail-In Regulations and Bail-In Conversion, the applicable Prospectus Supplement will provide further details.

Subordinated Debt Securities will be direct unsecured obligations of the Bank, constituting subordinated indebtedness for the purposes of the Bank Act, ranking at least equally with other subordinated indebtedness of the Bank from time to time issued and outstanding (other than subordinated indebtedness which has been further subordinated in accordance with its terms). In the event of the insolvency or winding-up of the Bank, the subordinated indebtedness of the Bank (including any Subordinated Debt Securities issued hereunder if a trigger event has not occurred as contemplated under the specific Non-Viability Contingent Capital Provisions as may be applicable to such Subordinated Debt Securities) will be subordinate in right of payment to the prior payment in full of the deposit liabilities of the Bank and other liabilities of the Bank, including Senior Debt Securities, except those liabilities which by their terms rank in right of payment equally with or subordinate to indebtedness evidenced by such debentures.

Subject to regulatory capital requirements applicable to the Bank, there is no limit on the amount of Senior Debt Securities or Subordinated Debt Securities that the Bank may issue.

If the Bank becomes insolvent, the Bank Act provides that priorities among payments of the Bank's deposit liabilities and payments of all of the Bank's other liabilities (including payments in respect of Senior Debt Securities and Subordinated Debt Securities) are to be determined in accordance with the laws governing priorities and, where applicable, by the terms of the indebtedness and liabilities. Because the Bank has subsidiaries, the Bank's right to participate in any distribution of the assets of such banking or non-banking subsidiaries, upon a subsidiary's dissolution, winding-up liquidation or reorganization or otherwise, and thus a purchaser's ability to benefit indirectly from such distribution, is subject to the prior claims of creditors of that subsidiary, except to the extent that the Bank may be a creditor of that subsidiary and the Bank's claims are recognized. There are legal limitations on the extent to which some of the Bank's subsidiaries may extend credit, pay dividends or otherwise supply funds to, or engage in transactions with, the Bank or some of the Bank's other subsidiaries.

Neither the Senior Debt Securities nor the Subordinated Debt Securities will constitute deposits that are insured under the *Canada Deposit Insurance Corporation Act* or any other deposit insurance regime.

Each Indenture may provide that Debt Securities may be issued thereunder up to the aggregate principal amount which may be authorized from time to time by the Bank. Reference is made to any Prospectus Supplement which

accompanies this Prospectus for the terms and other information with respect to the Debt Securities being offered thereby, including: (i) the designation, aggregate principal amount and authorized denominations of the Debt Securities; (ii) the currency for which the Debt Securities may be purchased and the currency in which the principal and any interest is payable (in either case, if other than Canadian dollars); (iii) the percentage of the principal amount at which the Debt Securities will be issued; (iv) the date or dates on which the Debt Securities will mature; (v) the rate or rates (if any); (vi) the dates on which such interest will be payable and the record dates for such payments; (vii) the Trustee under the Indenture pursuant to which the Debt Securities are to be issued; (viii) any extension or redemption term or terms under which such Debt Securities may be defeased; (ix) whether the Debt Securities are to be issued in registered form, “book-entry only” form, bearer form or in the form of temporary or permanent global securities and the basis of exchange, transfer and ownership thereof; (x) any exchange or conversion terms (including terms relating to any conversion of Debt Securities into Common Shares); (xi) the ratings, if any, issued by rating agencies in respect of the Debt Securities; and (xii) any other specific terms.

This Prospectus does not qualify the issuance of Debt Securities in respect of which the payment of principal and/or interest may be determined or linked, in whole or in part, by reference to one or more underlying interests including, for example, an equity or debt security, a statistical measure of economic or financial performance including, but not limited to, a currency, consumer price or mortgage index, or the price or value of one or more commodities, indices, securities, financial ratios or other items, or other model or formula, or any combination or basket of the foregoing items. For greater certainty, this Prospectus may qualify for issuance Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to published rates of a central banking authority or one or more financial institutions, such as a prime rate or a bankers’ acceptance rate, or to recognized market benchmark interest rates. The specifics of any such provisions will be described in applicable Prospectus Supplement to this Prospectus.

Debt Securities may, at the option of the Bank, be issued in fully registered form, in bearer form or in “book-entry only” form. See “Book-Entry Only Securities” below. Debt Securities in registered form will be exchangeable for other Debt Securities of the same series and tenor, registered in the same name, for the same aggregate principal amount in authorized denominations and will be transferable at any time or from time to time at the corporate trust office of the Trustee for the Debt Securities. No charge will be made to the holder for any such exchange or transfer except for any tax or government charge incidental thereto.

Unless otherwise specified in the Prospectus Supplement which accompanies this Prospectus, principal, premium (if any) and interest payable on Debt Securities are to be payable at any branch in Canada of the Bank provided that such payments may also be made at the option of the Bank by electronic or wire transfer or, by cheque mailed, delivered or otherwise transferred to the persons in whose names the Debt Securities are registered.

Description of Preferred Shares

The following describes certain general terms and provisions of the Preferred Shares. The particular terms and provisions of a series of Preferred Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

The following is a summary of the rights, privileges, restrictions and conditions of or attaching to the Preferred Shares of the Bank as a class.

Issuable in Series

The authorized preferred share capital of the Bank consists of an unlimited number of Preferred Shares without nominal or par value. The directors of the Bank may divide any unissued Preferred Shares into series and fix the number of shares in each series and the rights, privileges, restrictions and conditions thereof.

Priority

The Preferred Shares of each series will rank on a parity with Preferred Shares of every other series (including any Preferred Shares issued hereunder if a trigger event has not occurred as contemplated under the specific Non-Viability Contingent Capital Provisions applicable to such Preferred Shares) and are entitled to preference over Common Shares and over any other shares of the Bank ranking junior to the Preferred Shares with respect to the

payment of dividends and upon any distribution of assets in the event of liquidation, dissolution or winding-up of the Bank.

Restrictions

The Bank may not, without the approval of the holders of Preferred Shares, create any other class of shares ranking prior to or on a parity with the Preferred Shares, increase the authorized number of Preferred Shares or amend the provisions attaching to the Preferred Shares.

Shareholder Approval

Any approval to be given by the holders of the Preferred Shares may be given by a resolution carried by the affirmative vote of not less than 66 2/3% of the votes cast at a meeting of holders of Preferred Shares at which a majority of the outstanding Preferred Shares is represented or, if no quorum is present at such meeting, at any adjourned meeting at which no quorum requirements would apply.

Description of Common Shares

The authorized common share capital of the Bank consists of an unlimited number of Common Shares, without nominal or par value. Holders of Common Shares are entitled to vote at all meetings of the shareholders of the Bank except meetings at which only the holders of Preferred Shares are entitled to vote. Holders of Common Shares are entitled to receive dividends, as and when declared on Common Shares. After the payment to the holders of the Preferred Shares of the amount or amounts to which they may be entitled, the holders of Common Shares shall be entitled to receive the remaining property of the Bank upon liquidation, dissolution or winding-up thereof.

Book-Entry Only Securities

CDS Clearing

Securities issued in “book-entry only” form must be purchased, transferred or redeemed through participants (“CDS Participants”) in the depository service of CDS Clearing and Depository Services Inc. (“CDS”) (or such other depository as is identified in an accompanying Prospectus Supplement or any successor to CDS, as the case may be), as described below. Each of the Investment Dealers named in an accompanying Prospectus Supplement offering securities in “book-entry only” form will be a CDS Participant. On the closing of a book-entry only offering, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS or its nominee. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS or its nominee except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the Investment Dealer from which the Securities are purchased in accordance with the practices and procedures of that Investment Dealer. The practices of Investment Dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

CDS or its nominee will be responsible for establishing and maintaining book-entry accounts for CDS Participants having interests in the Securities. If (i) the book-entry only system ceases to exist, (ii) the Bank determines that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor, or (iii) the Bank at its option elects, or is required by applicable law or the rules of any securities exchange, to withdraw the Securities from the book-entry only system, then physical certificates representing the Securities will be issued to holders thereof or their nominees.

Transfer, Conversion and Redemption of Securities

Transfers of ownership, conversions or redemptions of Securities will be effected only through records maintained by CDS or its nominee for such Securities with respect to interests of CDS Participants and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders of Securities who are not CDS Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities, may do so only through CDS Participants. The ability of a holder to pledge Securities or otherwise take action with

respect to such holder's interest in Securities (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

The Bank will make, or cause to be made, payments of principal, redemption price, if any, dividends and interest, as applicable, on Securities to CDS or its nominee, as the case may be, as the registered holder of the Securities and the Bank understands that the payment will be forwarded by CDS or its nominee, as the case may be, to CDS Participants in accordance with the customary practices and procedures of CDS. As long as CDS or its nominee is the registered owner of the Securities, CDS or its nominee, as the case may be, will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. As long as the Securities are held in the CDS book-entry only system, the responsibility and liability of the Bank in respect of the Securities is limited to making payments of principal, redemption price, if any, dividends and interest, as applicable, on the Securities to CDS or its nominee, as registered holder of the Securities. The Bank expects that CDS or its nominee, upon receipt of any payment in respect of Securities, will credit CDS Participants' accounts in amounts proportionate to their respective interests in the principal amount of such Securities as shown on the records of CDS or its nominee in accordance with the customary practices and procedures of CDS. The Bank also expects that payments by CDS Participants to the owners of beneficial interests in Securities held through such CDS Participants will be governed by standing instructions and customary practices, and will be the responsibility of such CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS, and persons other than CDS Participants having an interest in Securities must look solely to CDS Participants, for payments or deliveries made by or on behalf of the Bank to CDS or its nominee in respect of such Securities.

Each beneficial owner must rely on the procedures of CDS and, if such beneficial owner is not a CDS Participant, on the procedures of the CDS Participant through which such beneficial owner owns its interest, to exercise any rights with respect to the Securities. The Bank understands that under existing policies of CDS and industry practices, if the Bank requests any action of a beneficial owner or if a beneficial owner desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the beneficial owner to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by the Bank, any Trustee and CDS. Any beneficial owner that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

None of the Bank, the Investment Dealers, the Trustee or any other trustee (in the case of Debt Securities) will assume liability or responsibility for (i) any aspect of the records relating to the beneficial ownership of the Securities held by CDS or its nominee or the payments or deliveries relating thereto, (ii) maintaining, supervising or reviewing any records relating to the Securities, or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of CDS Participants.

Bank Act Restrictions and Restrictions on Payment of Dividends

The Bank Act restricts the beneficial ownership of shares of a bank. The following is a summary of such restrictions. No person may be a major shareholder of a bank if such bank has equity of \$12 billion or more, which applies to the Bank. A major shareholder is defined as a person, or group of persons under common control or acting jointly or in concert, that beneficially owns more than 20% of any class of voting shares or more than 30% of any class of non-voting shares of a bank.

In addition, no person may have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). Other Material Facts

On June 22, 2016, legislation came into force amending the Bank Act, the Canada Deposit Insurance Corporation Act (the "CDIC Act") and certain other Canadian federal statutes pertaining to banks to create a bail-in regime for Canada's domestic systemically important banks, which include the Bank. On April 18, 2018, the Government of Canada published the final regulations under the CDIC Act and the Bank Act providing the final details of the conversion, issuance and compensation regimes for bail-in instruments issued by domestic systemically important banks, including the Bank (collectively, the "Bail-In Regulations"). Pursuant to the CDIC Act, in circumstances where the Superintendent of Financial Institutions has determined that the Bank has ceased, or is about to cease, to be viable, the Governor in Council may, upon a recommendation of the Minister of Finance that he or she is of the opinion that it is in the public interest to do so, grant an order directing CDIC to convert all or a portion of certain shares and liabilities of the Bank into common shares of the Bank or any of its affiliates (a "Bail-In Conversion").

The Bail-In Regulations prescribe the types of shares and liabilities ("Eligible Shares and Liabilities") that will be subject to a Bail-In Conversion. Subject to certain exceptions, including for structured notes, in general, any senior debt issued on or after September 23, 2018 with an initial or amended term to maturity (including explicit or embedded options) greater than 400 days, that is unsecured or partially secured and has been assigned a CUSIP or ISIN or similar identification number would be prescribed liabilities subject to a Bail-In Conversion. Shares, other

than Common Shares, and subordinated debt would also be prescribed liabilities subject to a Bail-In Conversion, unless they are non-viability contingent capital. Holders of Common Shares, and holders of Debt Securities or Preferred Shares who receive Common Shares following the occurrence of a trigger event under the Non-Viability Contingent Capital Provisions, may sustain substantial dilution following a Bail-In Conversion of the Eligible Shares and Liabilities.

Notwithstanding the above, any shares and liabilities issued before the date the Bail-In Regulations came into force would not be subject to a Bail-In Conversion, unless, in the case of a liability, the terms of such liability are, on or after that day, amended to increase its principal amount or to extend its term to maturity and the liability, as amended, meets the requirements to be subject to a Bail-In Conversion. The Bail-In Regulations came into force on September 23, 2018 and the related compensation regime came into force on March 26, 2018.

In the event that any Securities issued under this Prospectus are subject to the Bail-In Regulations and Bail-In Conversion, the applicable Prospectus Supplement will provide further details.

Reliance on Exemptions for Well-Known Seasoned Issuers

The securities regulatory authorities in each of the provinces and territories of Canada have adopted substantively harmonized blanket orders, including Ontario Instrument 44-501 – *Exemption from Certain Prospectus Requirements for Well-known Seasoned Issuers (Interim Class Order)* (together with the equivalent local blanket orders in each of the other provinces and territories of Canada, collectively, the “WKSI Blanket Orders”). This Prospectus has been filed by the Bank in reliance upon the WKSI Blanket Orders, which permit “well-known seasoned issuers”, or “WKSIs”, to file a final short form base shelf prospectus as the first public step in an offering, and exempt qualifying issuers from certain disclosure requirements relating to such final short form base shelf prospectus. As of the date hereof, the Bank has determined that it qualifies as a “well-known seasoned issuer” under the WKSI Blanket Orders.

Purchasers' Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces and territories, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal adviser.

Original Canadian purchasers of Debt Securities or Preferred Shares that are convertible or exchangeable into other securities of the Bank will have a contractual right of rescission against the Bank in respect of the conversion, exchange or exercise of such convertible, exchangeable or exercisable Securities. The contractual right of rescission will entitle such original purchasers to receive from the Bank, upon surrender of the underlying securities acquired upon the conversion, exchange or exercise of such Securities, the amount paid for such Securities (and any additional amount paid upon conversion, exchange or exercise), in the event that this Prospectus, the applicable Prospectus Supplement or any amendment contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the Securities that are convertible, exercisable or exchangeable under this Prospectus and the applicable Prospectus Supplement; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the Securities that are convertible, exercisable or exchangeable under this Prospectus and the applicable Prospectus Supplement. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the *Securities Act* (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 of the *Securities Act* (Ontario) or otherwise at law. Original Canadian purchasers are further advised that in certain provinces and territories the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the amount paid for the convertible or exchangeable security that was purchased under a prospectus and, therefore, a further payment at the time of conversion, exchange or exercise may not be recoverable in a statutory action for damages. The purchaser should refer to any applicable provisions of the securities legislation of the province or territory in which the purchaser resides for the particulars of these rights, or consult with a legal adviser.
