<u>Current Program Terms</u>	<u>Changes to Program Terms</u> (changes are <u>underlined</u> for reference)
<p>No “General/Other Definitions” section</p> <p>See these definitions in particular that are changing</p> <p>Good standing is defined as follows:</p> <p>Your Account will not be considered in good standing to qualify for cash back if (i) you have a minimum payment that remains unpaid for two (2) or more billing (statement) periods or (ii) your Account is suspended, cancelled or closed. Cash back is based on the Canadian dollar amount of Net Purchases and will be calculated and credited in Canadian dollars.</p> <p>Net Purchases:</p> <p>The cash back payout is calculated on eligible card purchases, less returns, for the 12 month period referred to above (“Net Purchases”). Cash advances, including Scotia® Credit Card Cheques, balance transfers from other cards or loans, interest, account payments, fees, service charges and purchase returns do not qualify for cash back.</p>	<p>New “General/Other Definitions” section added to the new Cash Back Program Terms</p> <p><u>We have added a new “General/Other Definitions” section</u> to help you better understand the terms we use in your Cash Back Program and consolidate them in one place such as “Card”, “Statement” or “Net Purchases”. These defined terms are used in the updated Cash Back Program Terms. Plus, we have explained more about Merchant Category/Merchant Codes that apply. See some of those new definitions and sections below:</p> <p><u>“Good Standing” means, when used in these Cash Back Program Terms, that your Account is open, is not past due (including that we have received your total minimum payment by your payment due date), and all Cardholders are in compliance with the credit agreement that applies to your Account.</u></p> <p><u>“Net Purchase” means each eligible new Purchase charged and posted on the Account during a statement period (the “New Purchases”) less, returns (including credit vouchers), refunds or other credits. Credits for refunds, returned items, rebates and other similar credits will reduce or cancel the Cash Back earned at the same rate as were originally earned.</u></p> <p>Plus we added this general clause under the General/Other Definitions section:</p> <p><u>Merchant Codes/Network:</u> All merchant category codes/merchant codes (“MCC”) referred to in these Cash Back Program Terms are subject to change by the payment network associated with your Account (the “payment network”) or how they are classified by the payment network and/or the merchant. We do not monitor the Merchant Category Codes (MCCs) assigned by the payment networks or how merchants categorize themselves and their transactions. These MCCs may be changed by the payment networks or the</p>

	<p>merchants at any time. Some merchants may sell their products/services or are separate merchants located on the premises of other merchants. These merchants might be classified differently by the payment network in another manner, in which case, they may not qualify for cash back (including if you have an Accelerated Earn Rate that applies to your Account for certain Purchases).</p>
<p>Cash Back Payout each November</p> <p>The Scotia Momentum Visa card cash back program is an annual program. Your reward accumulates each month, beginning each year with your December statement, and is awarded at the end of each 12 month period directly into your Eligible Account or as a credit on your statement.</p>	<p>Cash Back Anytime feature added, and various new sections about the feature</p> <p>All references to the November payout and the annual period calculation (from December to November) have been deleted. New provisions for the <u>New Anytime Cash Back Redemption feature</u> (subject to \$25.00 minimum Cash Back) including under the new section 2 “Other Conditions to Qualify for Cash Back and to Earn or Redeem Cash Back” (excerpts provided below)</p> <p><u>Your Account must be open and in Good Standing to earn or redeem Cash Back (including at the time of any Cash Back redemption request).</u></p> <p><u>A minimum of at least \$25.00 in Cash Back must be redeemed each time you request a redemption using the Cash Back Anytime redemption feature. Only the Primary Borrower or a Co-Borrower on an Account can ask for a Cash Back anytime redemption (not a supplementary Cardholder). If the Primary Borrower or Co-Borrower does not have an Eligible Bank Account, Cash Back will be credited to the Account.</u></p> <p><u>Cash Back can be redeemed through the Scotia app or Scotia Online, once the Cash Back balance is posted/made available (unless we permit you to redeem through another means).</u></p>

Scotia Momentum® Visa® Card

Cash Back Program Terms & Conditions (effective as of February 1, 2026)

Below are the terms and conditions that apply to the cash back program (the “Cash Back Program”) associated with the Scotia Momentum® Visa® credit card account (the “Account”). Please read them carefully.

General/Other Definitions:

“Card” means a credit card issued on the Account and “Cardholder” means any holder of a Card on the Account.

“Cash Back” means the amount (based on a percentage) of cash back (the balance thereof) earned on the Account based on Net Purchases.

“Good Standing” means, when used in these Cash Back Program Terms, that your Account is open, is not past due (including that we have received your total minimum payment by your payment due date), and all Cardholders are in compliance with the credit agreement that applies to your Account.

“Net Purchase” means each eligible new Purchase charged and posted on the Account during a statement period (the “New Purchases”) less, returns (including credit vouchers), refunds or other credits. Credits for refunds, returned items, rebates and other similar credits will reduce or cancel the Cash Back earned at the same rate as were originally earned.

“Statement” means the credit card statement for the Account. Your billing cycle appears on your Statement and is also referred to as your “statement period”.

“Scotiabank” or “Bank” or “we” or “us” means The Bank of Nova Scotia.

“You” or “your” means the Primary Borrower on the Account (unless otherwise specified) and includes any Co-Borrower on the Account or a supplementary Cardholder on the Account (unless otherwise specified).

Other Definitions: Any other terms not defined in these Cash Back Terms will have the meaning in the credit agreement that applies to your Account (the Revolving Credit Agreement, a copy of which has been provided to you for your Account and is available online).

Merchant Codes/Network: All merchant category codes/merchant codes (“MCC”) referred to in these Cash Back Program Terms are subject to change by the payment network associated with your Account (the “payment network”) or how they are classified by the payment network and/or the merchant. We do not monitor the Merchant Category Codes (MCCs) assigned by the payment networks or how merchants categorize themselves and their transactions. These MCCs may be changed by the payment networks or the merchants at any time. Some merchants may sell their products/services or are separate merchants located on the premises of other merchants. These merchants might be classified differently by the payment network in another manner, in which case, they may not qualify for Cash back (including if you have an Accelerated Earn Rate that applies to your Account for certain Purchases).

1. HOW TO EARN CASH BACK

2% CASH BACK EARN RATE: You will earn 2% Cash Back on eligible Purchases on your Account at Grocery, Gas Stations, Electric Vehicle Charging (EV), Transit, Rideshare, Food Delivery, Drugstores and Pharmacies, and on Recurring Bill Payments. 2% cash back applies at merchants which are classified in the Visa Inc. (Visa) network as Grocery Stores & Supermarkets, Drug Stores & Pharmacies, Gas Stations (with or without ancillary services), Automated Fuel Dispensers, EV charging stations, Transit, Rideshare, Recurring Bill Payments and Food Delivery (includes transactions made via eligible food delivery services selected by Scotiabank which is subject to change.) (Merchant Category Codes (“MCC”): 5411, 5541, 5542, 5552, 5912, 4111, 4112, 4121, 4131, 4789). Recurring Bill Payments are defined as payments made on a monthly or regular basis automatically billed by the merchant to your Account. Recurring Bill Payments typically include telecommunication, insurance, membership, subscriptions purchases. Not all merchants offer recurring payments. *(Please check with your merchant to see if they offer recurring payments on credit cards.)*

Annual Spend Limit on 2% Earn Rate Categories (the “Accelerated Earn Rates”): The cashback that can be earned on eligible purchases under the 2% earn rate categories (the Accelerated Earn Rates) **will be capped at \$25,000** in spend annually. See “Annual Spend Limits” for more information.

1% CASH BACK EARN RATE (the “Regular Earn Rate”): You will earn 1% Cash Back on eligible Purchases made on your Account after you have reached the annual spend limit of \$25,000 on the 2% earn categories (the “Overflow”) and on all other eligible Purchases made with the Account

Annual Spend Limits:

There are annual limits on the Cash Back you can earn at Accelerated Earn Rates, as outlined in these Cash Back Program Terms. These limits are based on Purchases posted to your Account annually, calculated from your statement period, starting from the statement period of the month your Account was opened (“Account opening date”). The annual spend limit resets every 12 months from the statement period of the month of your Account opening date. Once you exceed the annual spend limits for any Accelerated Earn Rate(s), you will continue to earn Cash Back at the Regular Earn Rate.

2. OTHER CONDITIONS TO QUALIFY FOR CASH BACK AND TO EARN OR REDEEM CASH BACK

Your Account must be open and in Good Standing to earn or redeem Cash Back (including at the time of any Cash Back redemption request).

When you redeem Cash Back, you can choose to deposit it into an eligible Scotiabank Canadian dollar chequing or savings bank account with us (as applicable, depending upon whether you have business or personal credit card account with us) (the “Eligible Bank Account”), or choose to have it credited to your Account. To be an Eligible Bank Account, it must be held by the same person or persons as the Account (i.e. the Cash Back for a sole Primary Borrower Account can only be deposited into that Primary Borrower’s sole bank account and the Cash Back for a joint Account can only be deposited into a joint bank account held by both the Primary Borrower and Co-Borrower only). Bank accounts of supplementary Cardholders are not eligible to be Eligible Bank Accounts. In the event that you have more than one Eligible Bank Account, we can select the bank account to receive the Cash Back at our discretion as long as the names match.

A minimum of at least \$25.00 in Cash Back must be redeemed each time you request a redemption using the Cash Back Anytime redemption feature. Only the Primary Borrower or a Co-Borrower on an Account can ask for a Cash Back anytime redemption (not a supplementary Cardholder). If the Primary Borrower or Co-Borrower does not have an Eligible Bank Account, Cash Back will be credited to the Account.

Cash Back can be redeemed through the Scotia app or Scotia Online, once the Cash Back balance is posted/made available (unless we permit you to redeem through another means). We may also allow you to redeem for lesser redemption levels at our discretion.

If a Statement shows a negative Cash Back balance (because there are more refunds than Purchases), Cash Back will be deducted from accumulated Cash Back or Cash Back received later. These deductions will be calculated on the same basis as the Earn Rates we apply.

There is no limit on the amount of Cash Back you can redeem (earn is subject to the Annual Spend Limits).

Eligible spending by Cardholders of the same Account qualifies for the Cash Back Program.

3. ADDITIONAL DETAILS ON CASH BACK CALCULATION

Cash Back is based on the Canadian dollar amount of Net Purchases and will be calculated and credited in Canadian dollars.

Cash Back will be rounded up or down to the nearest first two decimal places after the decimal point.

Cash Back amounts will never expire so long as your Account is open and in Good Standing and will automatically roll over indefinitely.

If your Account is cancelled by us or you and your Account is in Good Standing, you will have ninety (90) days in which to redeem any Cash Back balance only by telephoning us. After the ninety (90) days, any Cash Back balance remaining on your Account will expire.

If an Account is closed by us, at any time for any reason, and is not in Good Standing, all Cash Back earned to that time is forfeited.

4. DISCREPANCIES

We will display your Cash Back on your Statement. Also, your Cash Back may appear online (through our mobile banking or Scotia Online Banking system or such other means as we may determine). If there is a discrepancy between the Cash Back displayed on your Statement or your online summary, the amount of Cash Back displayed on your Statement is deemed to be correct (unless we advise you otherwise).

Cardholders must advise Scotiabank of any discrepancies in Net Purchases no later than three months after the date of the Purchase for which an adjustment is requested. Otherwise, the Net Purchases amount (except for erroneous adjustments) will be deemed to be correct.

We may cancel or reverse any Cash Back not issued properly.

If we notice that your Statement or online summary does not accurately show your Cash Back or there is an error, we may correct that (including reverse any Cash Back not issued properly) on subsequent Statement(s) or on updates to your online summary.

5. CHANGES TO THE PROGRAM

If you reside outside Quebec: Scotiabank has the right to amend or cancel these Cash Back Program Terms at any time (with or without notice unless notice is required by law).

If you reside within Quebec: We may change any terms and conditions of this Cash Back Program, by giving you notice, at least 30 days before the effective date of the change.

For all Cardholders: We will provide notice to the Primary Borrower on the Account and the Primary Borrower will share that notice with any Co-Borrower and any other Cardholders on the Account, or we may provide notice electronically or provide the notice by posting it on any website where these Cash Back Program Terms reside or any other means by which we may permit and notify you of. Where a notice is sent by mail or electronically, we will provide that notice to the last address we have in our records for the Primary Borrower including email or mailing address.

If you do not notify us within 30 days of the effective date of any change that you do not agree with the change, or if you keep your Account open, use the Account or if you keep a balance in your Account or a Cash Back balance or make a redemption, we will consider you to have accepted these Cash Back Program terms, as modified.

Changes can include:

- The amount of Cash Back that can be earned or redeemed, how to earn Cash Back or minimum redemption levels;
- The length of time available to redeem Cash Back;
- The Account, Cards or other transactions that can earn or redeem Cash Back;
- The merchants where purchases must be made to earn Cash Back;
- The circumstances in which Cash Back may be deducted or forfeited;
- How to transfer/redeem Cash Back and to which type of accounts;
- The terms of any offers we make available to you under this Cash Back Program, including any Additional Offers;
- The payment network associated with the Program or your Account; and
- Any other terms and conditions that are part of these Cash Back Program Terms.

If we cancel the Cash Back Program, we will credit your Account for the Cash Back you have previously earned, unless your Account is not in Good Standing at that time.

6. MISCELLANEOUS

Cash Back earnings cannot be transferred to any other account except an Eligible Bank Account as set out under these Cash Back Program Terms.

Accumulated Cash Back does not constitute property of any Cardholder and cannot be transferred or encumbered in any circumstances and cannot be negotiated, attached, pledged, mortgaged or hypothecated and may not be divided or transferred as a part of a domestic agreement, through legal proceedings, or upon death.

Any abuse of the Cash Back Program's privileges, failure to follow these Cash Back Program Terms or misrepresentation may result in Scotiabank terminating a Cardholder's participation in this Cash Back Program and/or closing the Account. If this occurs, all Cash Back will be immediately forfeited.

Cardholders are solely responsible for any tax liability and tax reporting obligations arising from any cash back or this Cash Back Program.

Credits: Any Cash Back credited or redeemed to your Account is not considered a payment and you will still be required to make any minimum payment to keep your Account in Good Standing.

Additional Special or Bonus Offers: Scotiabank may offer additional bonus or special Cash Back offers from time to time (including time-limited offers) (the "Additional Offers"). We will provide you with any additional terms and conditions that apply to those Additional Offers including the Cash Back earned under these Additional Offers and the transactions applicable to them. These Cash Back Program Terms will continue to apply to any such Additional Offers.
