

## To start

This year, the meeting will be held in-person and virtually.

You can attend the meeting online using your smartphone, tablet, or computer. A live webcast of the meeting will be provided for those joining virtually.

If you are attending the meeting online, you must login as a registered shareholder or duly-appointed proxyholder to vote and ask questions.

If you are attending the meeting in-person, registered shareholders and duly-appointed proxyholders can submit their votes in real time. Shareholders and duly-appointed proxyholders will be able to ask questions in person.

You may also provide voting instructions before the meeting by completing the Form of Proxy or Voting Information Form that has been provided to you.

## Important Notice for Non-Registered Holders Attending the Meeting

Non-registered holders (being shareholders who hold their shares through a broker, investment dealer, bank, trust company, custodian, nominee or other intermediary) who have not duly appointed themselves as proxyholder may attend as guests but will not be able to vote or ask questions.

If you are a non-registered holder and wish to attend and participate at the meeting, you should carefully follow the instructions set out on your voting instruction form and in the management proxy circular relating to the meeting, in order to appoint and register yourself as proxyholder, otherwise you will be required to login as a guest.

## To participate in person

On arrival at the meeting, all registered shareholders and duly-appointed proxyholders entitled to vote will be required to register. To vote, you can sign-in with your own personal device. If you do not wish to use your personal device, other means of voting can be provided. If you have already voted by proxy, you will still be able to vote at the meeting, and your vote on the day of the meeting will replace your vote by proxy.
