

**Do NOT respond to messages, calls or emails asking for your personal financial information.**

Banks will NEVER call, email or send messages notifying you of a blocked account and ask for private information such as:-

- Your PIN
- Your Password
- Your Access Code
- Credit Card number
- Account Number

**Do NOT give or send your  
PIN, Account Numbers and  
Passwords to anyone.**

**Phishing is a type of identity  
theft where criminals use  
SCARE TACTICS to bait you  
into giving personal and  
financial details.**

**These SCARE TACTICS via  
calls, emails or texts are  
NOT legitimate.**
